

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America.

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object, evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. Such has been the patient sufferance of these Colonies, such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused to assent to Laws, the most wholesome and necessary for the public good. He has forbidden his Governors to pass Laws of immediate and pressing importance, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only. He has called together legislative bodies at places, unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures. He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, requisite for the People at large for their exercise: the "Tall" remaining in the meantime exposed to all the dangers of invasion from without, and to the rapacity of greedy Ministers and Congress. He has endeavored to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands. He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers. He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries. He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance.

He has affected to render the Military independent of and superior to the Civil power. He has combined with others to subject us to a jurisdiction foreign to our Constitution, and unacknowledged by our Laws; giving his Assent to their Acts of pretended Legislation: For quartering large Bodies of armed troops among us: For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: For cutting off our Trade with all parts of the world: For depriving us in many cases, of the benefits of Trial by Jury: For transporting us beyond Seas to be tried for pretended offences: For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies: For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments: For suspending our Legislatures and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us. He has plundered our seas, ravaged our coasts, burnt our towns, and destroyed the lives of our people. He is at this time transporting large Armies of foreign Mercenaries to complete the works of destruction and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. He has excited domestic insurrections amongst us, and has endeavored to bring on the Inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare is an undistinguished destruction of all ages, sexes and conditions. In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people. Nor have we been wanting in attention to our British brethren. We have warned them from time to time of the dangerous attempts by their legislature to extend an unarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, in themselves, have infringed and violated the sacred connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

WE, THEREFORE, the Representatives of the UNITED STATES of AMERICA, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of right ought to be, FREE AND INDEPENDENT STATES; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, ought to be totally dissolved; and that as Free and Independent States, they have full power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which INDEPENDENT STATES may of right do. AND for the support of this Declaration, with firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.

The year of 1976 was, as all were aware, the United States' bicentennial year. This event caused a variety of reactions ranging from the commercialism of some of the business world to a renewed sense of pride and patriotism. The students at HHS were a part of this national scenario, but they were also a part of their own "Spirit of '76"--a football game, a pep rally, a convocation, or a spirit of unity with one's classmates. This bicentennial edition of the TIGER presents its view of the Hastings High School "Spirit of '76."

HHS Student Council Changes Policies

Although they didn't exactly look like the First Continental Congress the Student Council did have some innovative ideas to contribute to the student body.

Fall activities for the council involved Crazy Days, a '50's dance for Community Chest, a popcorn ball sale for Community Chest, and Spirit Week, including T-shirt day, hat and shade day, sock-it-to-em day, stomp-em day and 'go big orange day'.

The cabinet plus members, each representing three home-rooms, met weekly during a lunch mod. The sponsors were Mr. Richard Fuehrer and Mr. Duane Freeman.

'75 Gridders Have Respectable Season

Hastings High fought through a year of struggles and dramas to a respectable 2-6-1 season. Teams that met the Tigers on the gridiron knew they had fought for what ever they got. These were your Tigers in '75.

The Tiger gridders played East 12-6 and East went on to win the State Championship.

"Consistent defense was the mainstay of the young Tiger

team, they pursued and gang-tackled very well," commented Tiger Coach Norm Sheets.

The offense was led by running backs Chip Findley and Gary Monson, on the line John Hill was a consistent player.

A new look on the Tiger team was a sophomore starting at quarterback. Kurt Finley came in halfway through the season and directed the Tiger offense, quite a job for a soph-

omore to undertake.

The Tiger offense took on its own new look with a split end and a slotback this year. Rich Portwood, all East Big Ten split end, was a game breaker for the Tigers.

This years team captains picked by the team were Wes Mohlman, Chip Findley, and Chuck Fast.

Defense Was Key To A Fine Season

"Defense was the outstanding part of this year's Junior Varsity team," commented Coach Benny Congrove.

A real tribute to the defense is that they were never 'out of' any game.

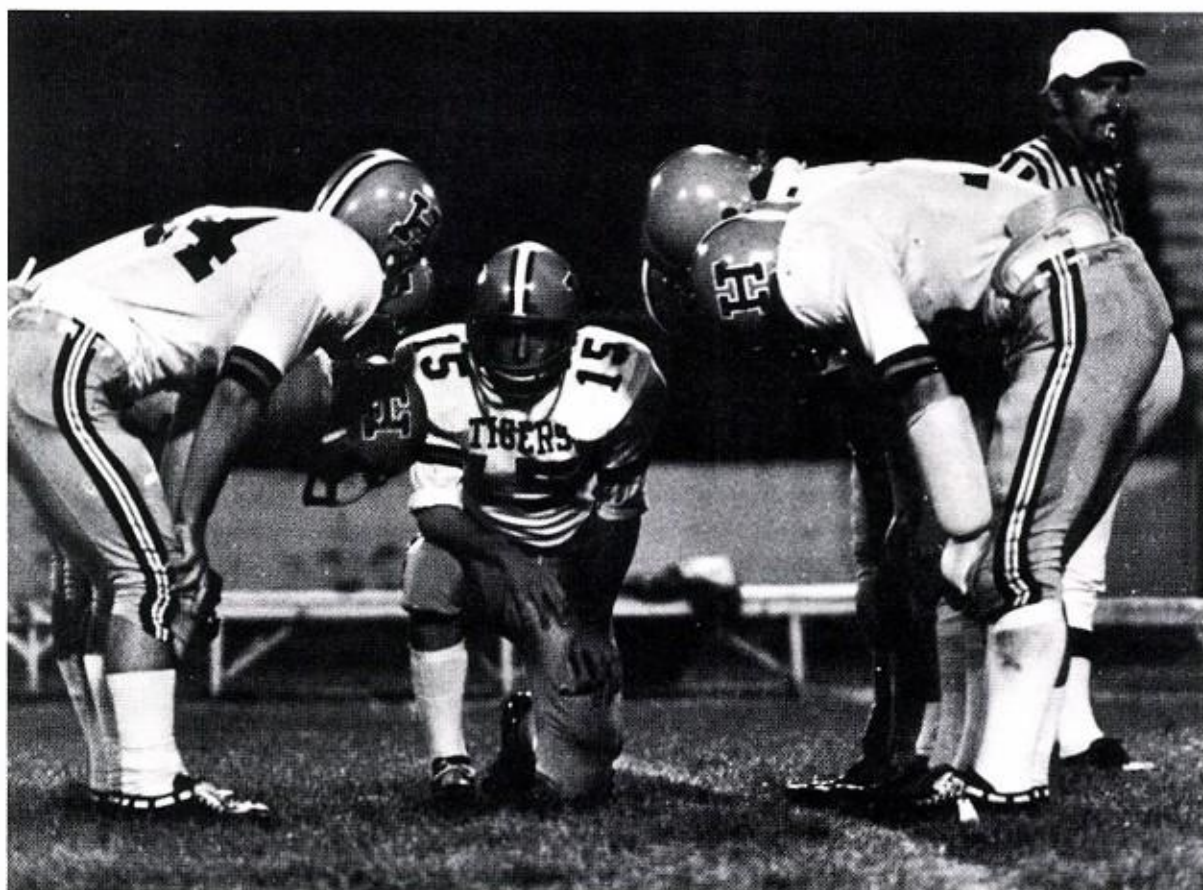

"The split end-slotback employed this year worked well for our offense with the speed we had in Zac Lowe (split end) and Rusty Poppe (slotback). It opened up the middle for our running game," said Coach Congrove.

Junior leaders on the team were Joe Callan, Mark Alexander, Tom Bruna, Dave Clancy, and Mitch Gilbert.

Sophomore leaders were Chris Bachman, Mike Hayes, Scott Christensen, Lowe, Poppe, Jerry Eichman, Marvin Fast, Brad Osborne, and Jeff Steinke.

Spirit Of '76 Thrives

What were cheerleaders made of in '75? Spirit, pep, yells, cheers, enthusiasm, excitement, and everything nice. The cheerleaders had a great responsibility to instill all these characteristics in all fans at Hastings High. They accomplished this task by planning and organizing pep rallies, making posters, and just plain supporting their team all the time.

Cheerleading meant a lot

more than just wearing a uniform and looking polished doing cheers at a football game. It meant giving up valuable sleep to come to morning practices.

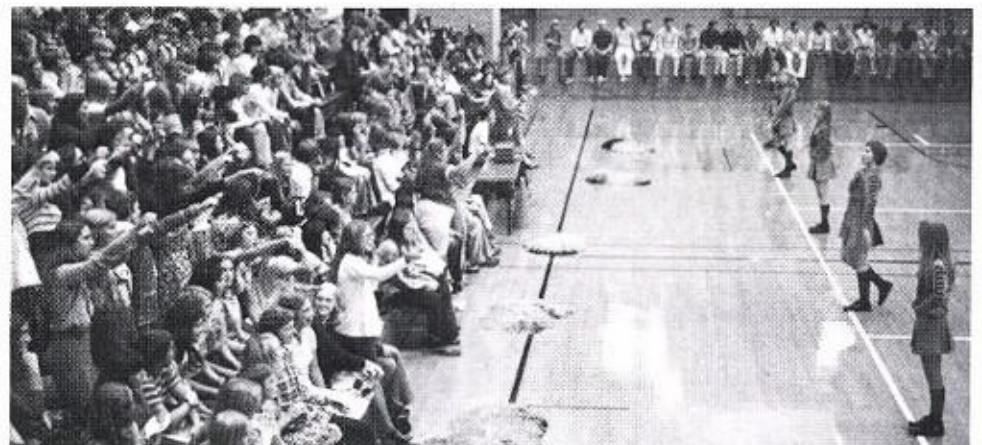

Under the sponsorship of Mrs. Rene Gellatly, the 1975-76 football cheerleading squad consisting of Kim Dunham, Sue Dwyer, Ann Garey, Penny Hamel, Holly Mudd, Tami Petersen and Nancy Yost, cheered through another exciting season.

The afternoon game with G.I. brought nice weather to cheer in.

MAJORETTES: L. To R. Ginger Weber, head majorette; Deb Goedert, Marcia Akins, Julie Weber, and Leslie Wells.

Majorettes Had Busy Year

Twirling a baton sounds pretty easy but, if you ask Marcia Akins, Deb Goedert, Ginger Weber, Julie Weber or Leslie Wells, they'll tell you that it's not as simple as it looks. Starting in July these girls put in hours of hard practice to make up and perfect their routines. In August they went to Wichita to a school where they furthered their skills.

The majorettes performed in football half time shows with

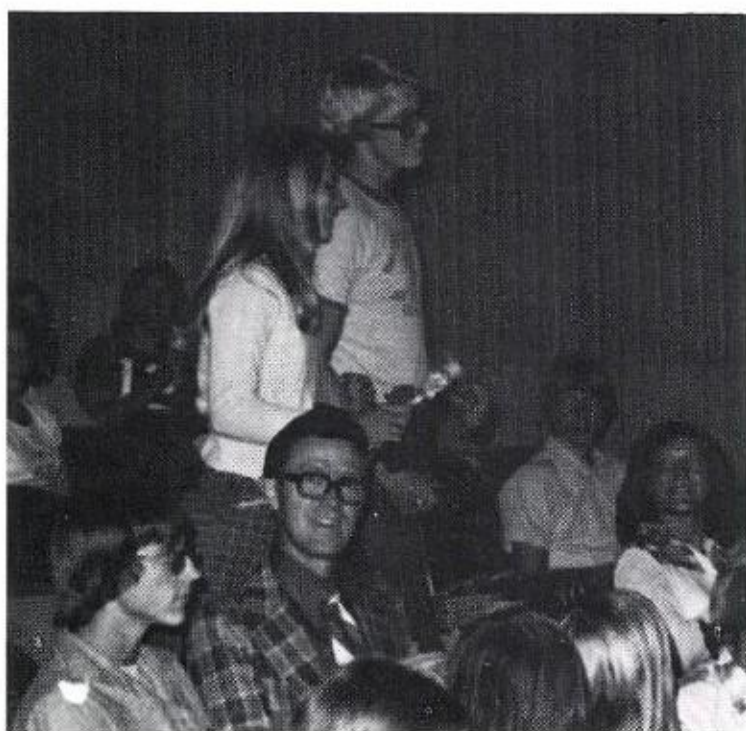

the marching band. They were in the Shrine Bowl Parade, Harvest of Harmony, and Melody Round-up. They also participated in pep rallies this year.

The highlight of the majorettes year came on Parent's Night during the half time show when they performed their fire baton and hoop routines.

This year's alternate was Chris Knoedler and the majorettes sponsor was Mr. Edgar Tegtmeier.

Marcia Akins shows her marching talent.

Nancy Reigns

Poor weather bypassed Hastings on Queen's Night, October 10, as Nancy Ralph was crowned the 1975 Queen. Karen Johnson was named the Maid-of-Honor.

The Tigers and the Columbus Discoverers battled to a 7-7 tie in the annual Queen's Night game.

During the week preceeding Queen's Night the seniors voted for the Queen candidates. A convocation was held in which the six candidates were tapped by football team members Scott Engelhardt, John Hill, Ed Minnick, Bruce Norton, Chuck Fast, and Chip Findley.

After the candidates were selected the entire student body voted for the one girl they wanted to be Queen.

Sally Stoetzel Breckner, the 1974 Queen, crowned Nancy Ralph at halftime. The past Maid-of-Honor, Vickie Alexander, presented Karen Johnson bouquet of roses.

The Tiger marching band played at the ceremonies.

Casual dress was worn for the dance held in the HHS gym following the game. Triffit provided the music.

Departing seniors are: K. Bronson, J. Landgraf, K. Kroeger, J. Oberg, C. Rankin, T. Lowe, and L. Steinke.

1975-76 Girls Swim Team: Back Row L. To R.: C. Ricketts, J. Beck, B. Beck, C. Natvig, K. Sulley, J. Oberg, C. Beach, C. Claus, Middle Row: Coach Irwin, J. Stickles, J. Goehring, J.

School Records Highlight Second Season

Coach Irwin gives a bit of encouragement.

The second year for the Hastings girls swim team ended with Coach Cindy Irwin commenting, "I was very pleased. The girls worked hard and improved their times from last year." Coach Irwin also stated that she had a good group of seniors that would be missed greatly. One senior swimmer said, "I thought we did pretty well for just our second year."

The tankers overall season record was 1-5. Coach Irwin cited Carol Rankin, Kim Kroeger, Judy Oberg, and Cindy Beach as the team leaders.

In individual performances Senior Carol Rankin placed 9th at state and broke the school record in the breaststroke. Junior Cindy Beach placed 12th at state in the individual medley. The team of Rankin, Kroeger, Beach, and Junior Karen Sulley also had a 12th place in the medley relay at state meet.

Senior Tami Lowe gets a flying start ahead of the other girls at this swim meet.

Spikers Have Rebuilding Season

"Blood, Sweat, and Tears" could summarize the 75-76 girls volleyball season.

"Even though we had an 0-13 season this year, we will have many experienced players returning next year," said Coach Betty Walters. Coach Walters cited Lori Coulter, varsity, and Mary Vaughan, junior varsity, for their consistent play. Walters also gave special mention to Mary Houtz, Andrea McCoy, and Shelley Spilinek. Seniors Kelley Brouillette, Sue Dwyer, and Chris Lacey will be missed for their net play and defensive work.

Okay you guys, who lost their contact this time?

Ahlman Leads Harriers In '75 Season

This year the cross country team was lead by senior Roger Ahlman. Ahlman paced the harriers with consistent first and second places, his lowest a fifth place at Kearney. At state Roger finished a disappointing sixteenth. Roger stated, "It was just one of those days."

Coach Bill Surface stated that other runners who should be commended for their hard work and participation were Jon Wade, Bob Reichert, John Hansen, and Ian King.

Surface added that although it was a down year, he was pleased with the performance of the runners and looking forward to next year with 12 of 14 team members returning.

Second At State Highlights Season

"What was to be a young and inexperienced tennis team this year," said Coach Richard Hubka, "turned out to be a real shocker, finishing second at state."

Leading the young Tigers to state were Sophomore Steve Marvel, Junior Bob McFerren and Senior Chuck McFerren. Chuck was the only qualifier in singles for Hastings and finished with a brilliant third place. In doubles, Marvel and Bob McFerren battled their way to a fine fourth place finish.

Another good pair of doubles players were Juniors Brent Robinson and Steve Bailey who won the North Platte Invitational.

Coach Hubka said that he was looking forward to next season with five of eight returning letterman.

"All right girls--let's have some spiking, digging, kicking and scratching. We're going to win this game if it kills us."

Intramural Volleyball Begins

Girl's intramural volleyball had its first season this year. Approximately twenty-five girls participated in the twice-weekly meetings. The girls worked on volleyball skills and eventually played games. They were divided into teams. The intramurals were designed for girls who wanted to improve their volleyball ability and weren't out for another sport.

Mrs. Rene Gellatly was the sponsor.

"If I was just a little bit taller."

The All-School Play Cast Presents A "Meller-Dramer"

As much a part of autumn as falling leaves, bon fires, and football games, is beginning preparation for the Hastings High all-school play.

Tryouts for this years play began the last week of September, and were followed by many long hours of practicing, dress rehearsals, propmaking and organizing.

The play, which was presented by a cast of sophomores, juniors, and seniors was entitled PURE AS THE DRIVEN SNOW. This play, is called a meller-dramer, because it is a spoof on the old mello-dramas from the 1800's.

The three major roles in the production were held by Kim Miller as Purity Dean, Scott Stutesman as Leander Longfellow, and Dave Strong as Mortimer Frothingham. With a basic beautiful heroin vs. nasty villain vs. brave hero, PURE AS THE DRIVEN SNOW took on a typical mello-drama theme.

Cathy Burke was chosen as student director for the play, and Joy Haist was stage mana-

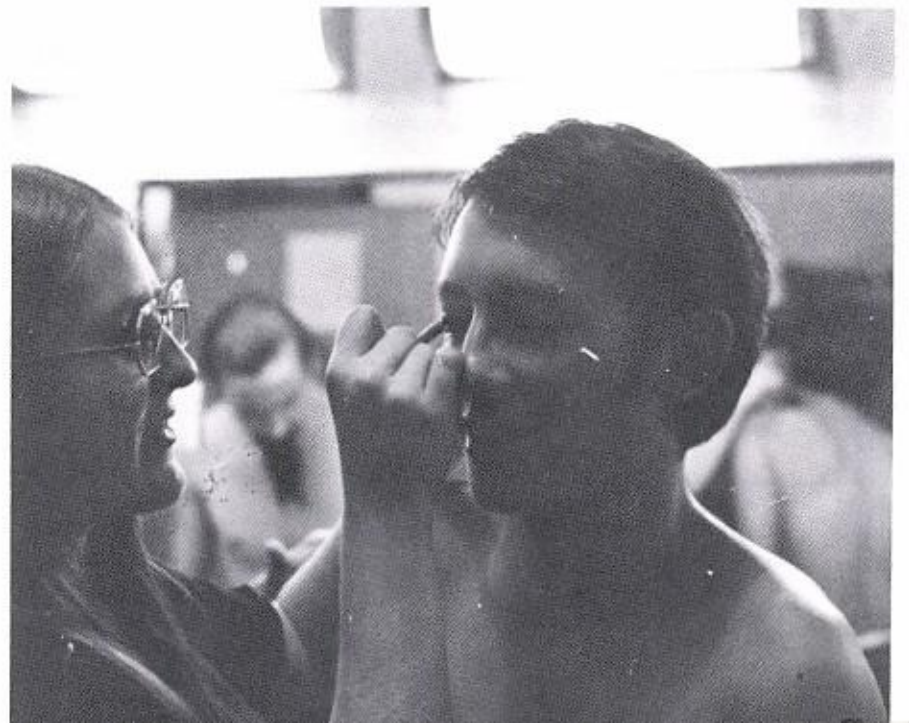

ger. There were roles on the stage for actors and actresses, plus a stage and prop crew.

The two fillers between acts were provided by a group of dancers from the 1800's, consisting of Chris Jacobsen, Pam Burgess, Cindy Beach, Pam Nelson, Lori Friend, Ann Franzen, and Ginger Weber. Also, a duet was sung by Cristal Aylward and Tami Petersen.

The cast of PURE AS THE DRIVEN SNOW recieved many favorable compliments concerning their production. A lot of people worked well and hard together, and had a lot of fun, too. Cindy Beach summed up everyone's feelings when she said, "Even though no one had ever done a meller-dramer before, they all carried it out very well, it was really spectacular!"

"What can I tell dear Leander so he will leave me now and I can continue working."

That notorious villain Mortimer Frothingham is up to his no good evil ways again!

Some of the actors, actresses, and crew members relax during their 'take five'.

Purity stands up to villanous Mortimer.

Many students have probably heard about the "average" Hastings High student. But, have they ever heard about the "average" Hastings High teacher?

In November, while all the average students were doing what ever it is average students do the faculty editor was trying to compose a picture of the "average" teacher at Hastings High.

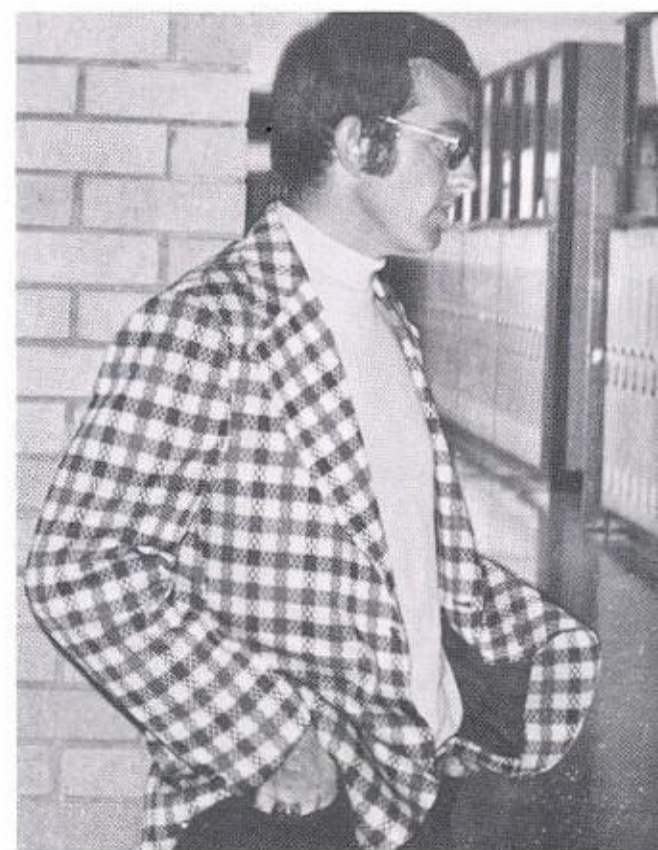

Averaging the teacher's statistics into one person revealed that the average teacher is two-thirds male, one-third female, and has one and a half children. This "teacher" has gone to approximately three and a half colleges and has been

teaching for thirteen years but only two-thirds of this time has been in Hastings. Sports and art are the favorite pastimes, of the teachers when not involved in school.

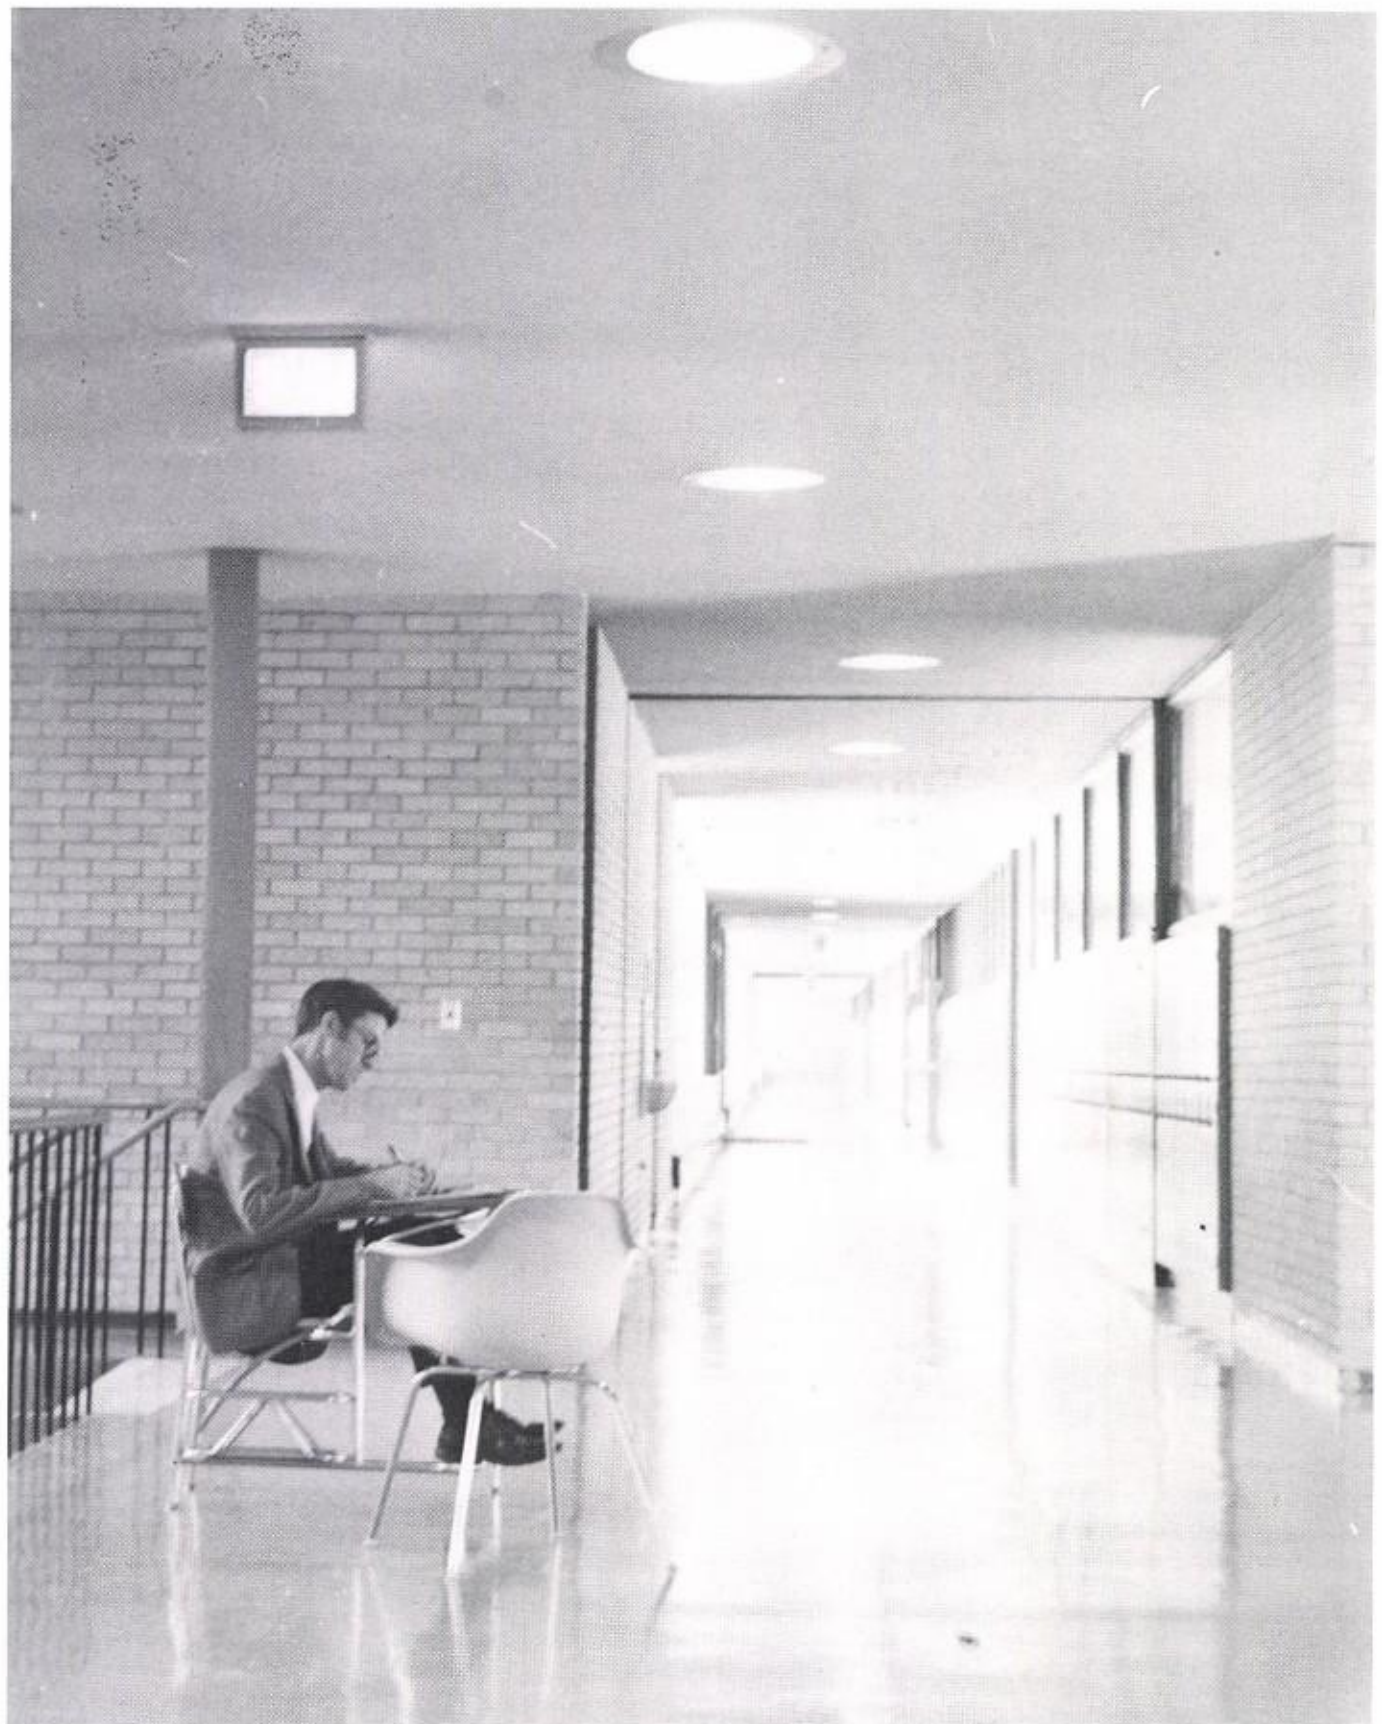

Of course, there is no such thing as an "average" teacher just as there is not an "average" student. Mr. Hawes and Mr. Ochsner, for instance, did not have one and a half children --- they have five each.

The teachers have attended twenty different colleges. The three most prevalent were Kearney State, Nebraska University, and Hastings College.

Their teaching careers range from one to twenty-seven years.

Good teaching in all ages has been characterized by clear vision, broad wisdom, judicious restraint, and a fine sense of balance.

Sophomores Bring More Spirit To H.H.S.

The 1976 Bicentennial edition of the Sophomore class at Hastings High School provided a great amount of excitement and spirit to the Tiger scene.

Beginning in the fall the humble lower classmen showed signs of talent as they built an interesting float for the Pep Parade.

After making it to the top of Junior High, the sophomores were discouraged at finding themselves at the bottom again. Invariably they were sent to the wrong rooms, called teachers the wrong names and suffered a variety of humiliations.

The class motto of the 1976 sophomores is "'78 is Great! and we think '78 will be Grrrrreat!"

Audrey Fitz, Terri Krueger and Cecilia Connally ride the Sophomore float in the Pep parade.

WINTER

"Drag on, long night of winter..."

Mark 'Mac' McVicker wins the first jump ball of the season against Lincoln High.

Forward Steve Theesen banks in two against Omaha Westside in a winning effort. Steve is one of many promising returners for next year's Tiger team.

John Hill goes up over the top of a Lincoln High player for two points in the opening game of the Tiger season.

State Tournament Highlights Tiger Year

This year's Tiger squad was one of the most successful teams at Hastings in a long while, beating number-one-rated GI twice, the only team to beat them at all. Once was in the finals at district to see who would go to State.

The Tigers started out slow,

losing their first two games then winning their next four.

"After those first two games I found out that Class A ball was much more even and intense, and that I would have to get the guys up for every game," stated Coach Larry Ribble.

After the long Christmas

layoff the Tigers travelled to Lincoln Northeast to face the Rockets, and came up on the short end.

"The Christmas break had its effect upon us in the first half, but we came back and almost won the game," said Ribble.

The next night the Tigers beat Westside, and put it all together in a fine offensive showing.

Soon to come was the worst game of the season for the Tiger team against Lincoln Southeast, where nothing seemed to go right.

The Tigers got their chance to redeem themselves two weeks later against GI on their home court. Hastings won that encounter in a wild finish with McVicker making the last second shot.

Hastings then went on to finish out the regular season losing only to GI and Lincoln East.

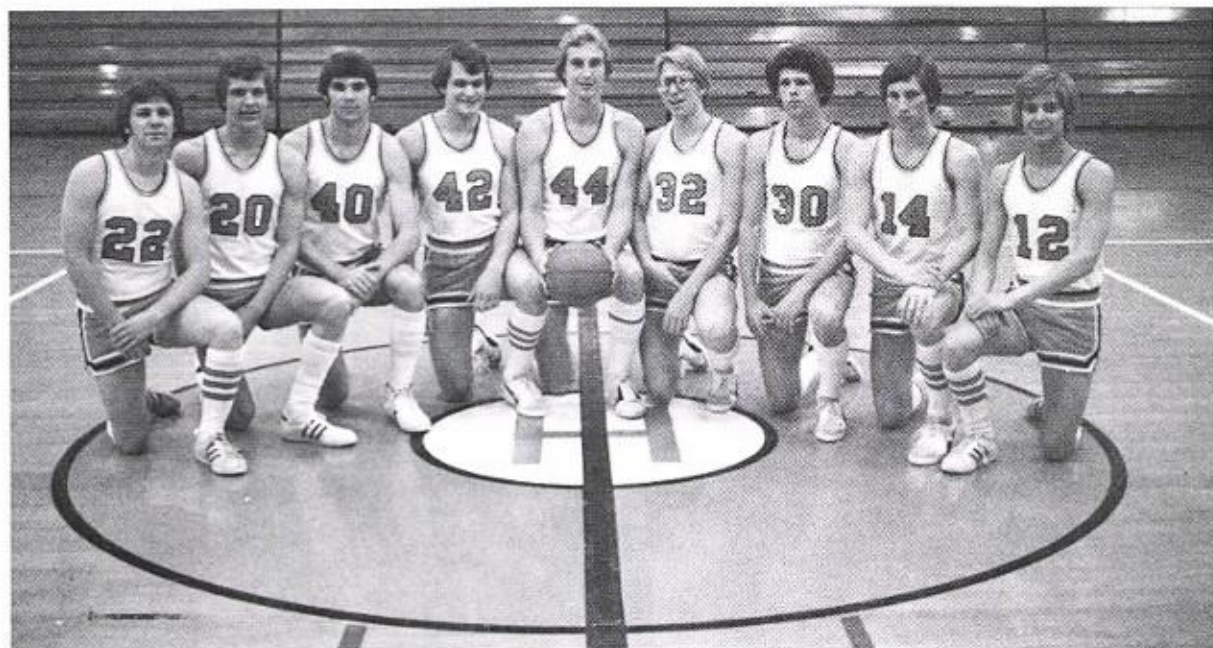

Then came Districts where in the first round Hastings annihilated Kearney, beating them by 40 points.

Then in the next game Hastings totally obliterated Grand Island in the finals.

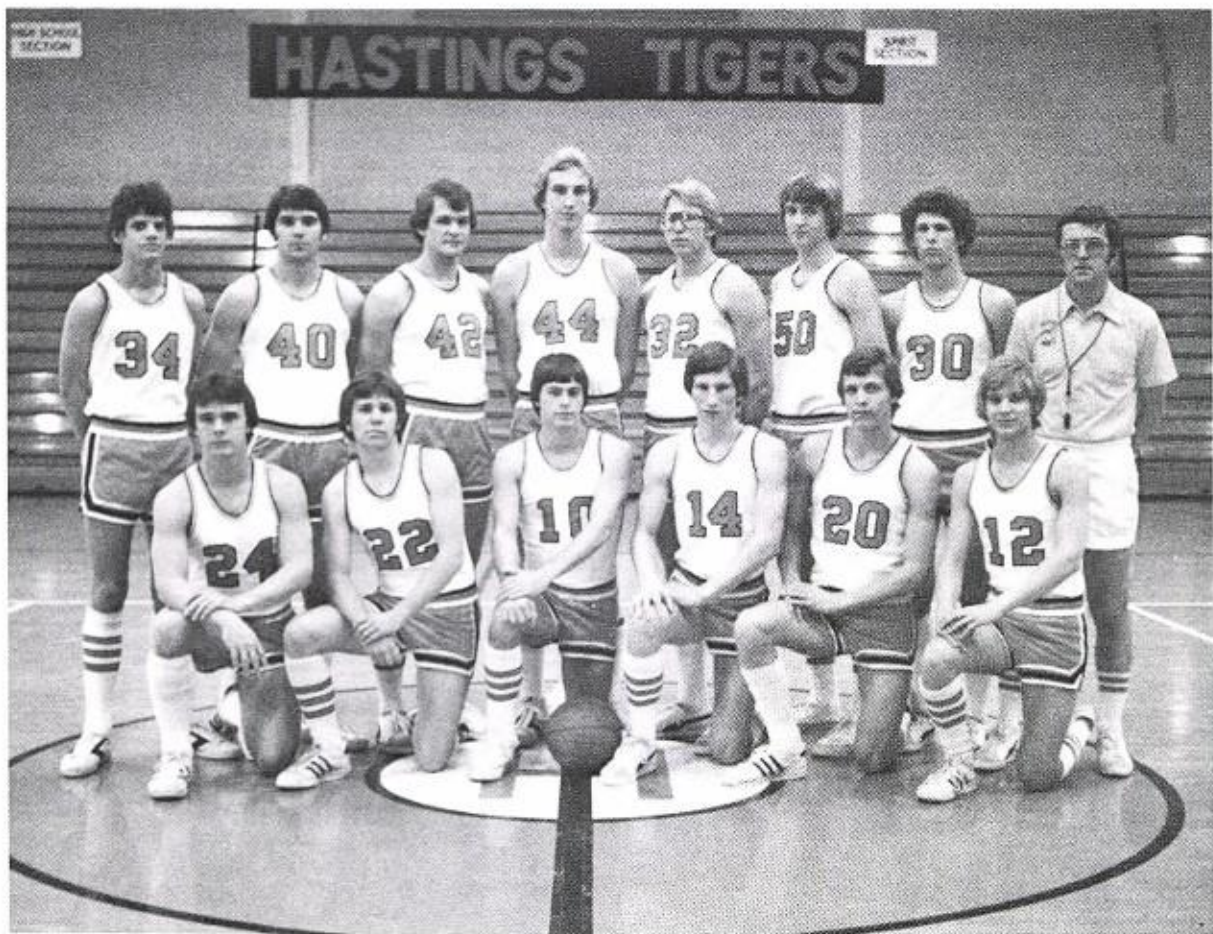

"The only thing that kept the game from becoming a rout was our inability in making free-throws," said Coach Ribble.

Then came State, where in the first round Hastings was knocked out of their bid for the Class A crown by Lincoln Northeast.

A gallant effort by the Tigers fell short as the Rockets won in the last three seconds by two points.

Aggressive Cubs Finish 5-6

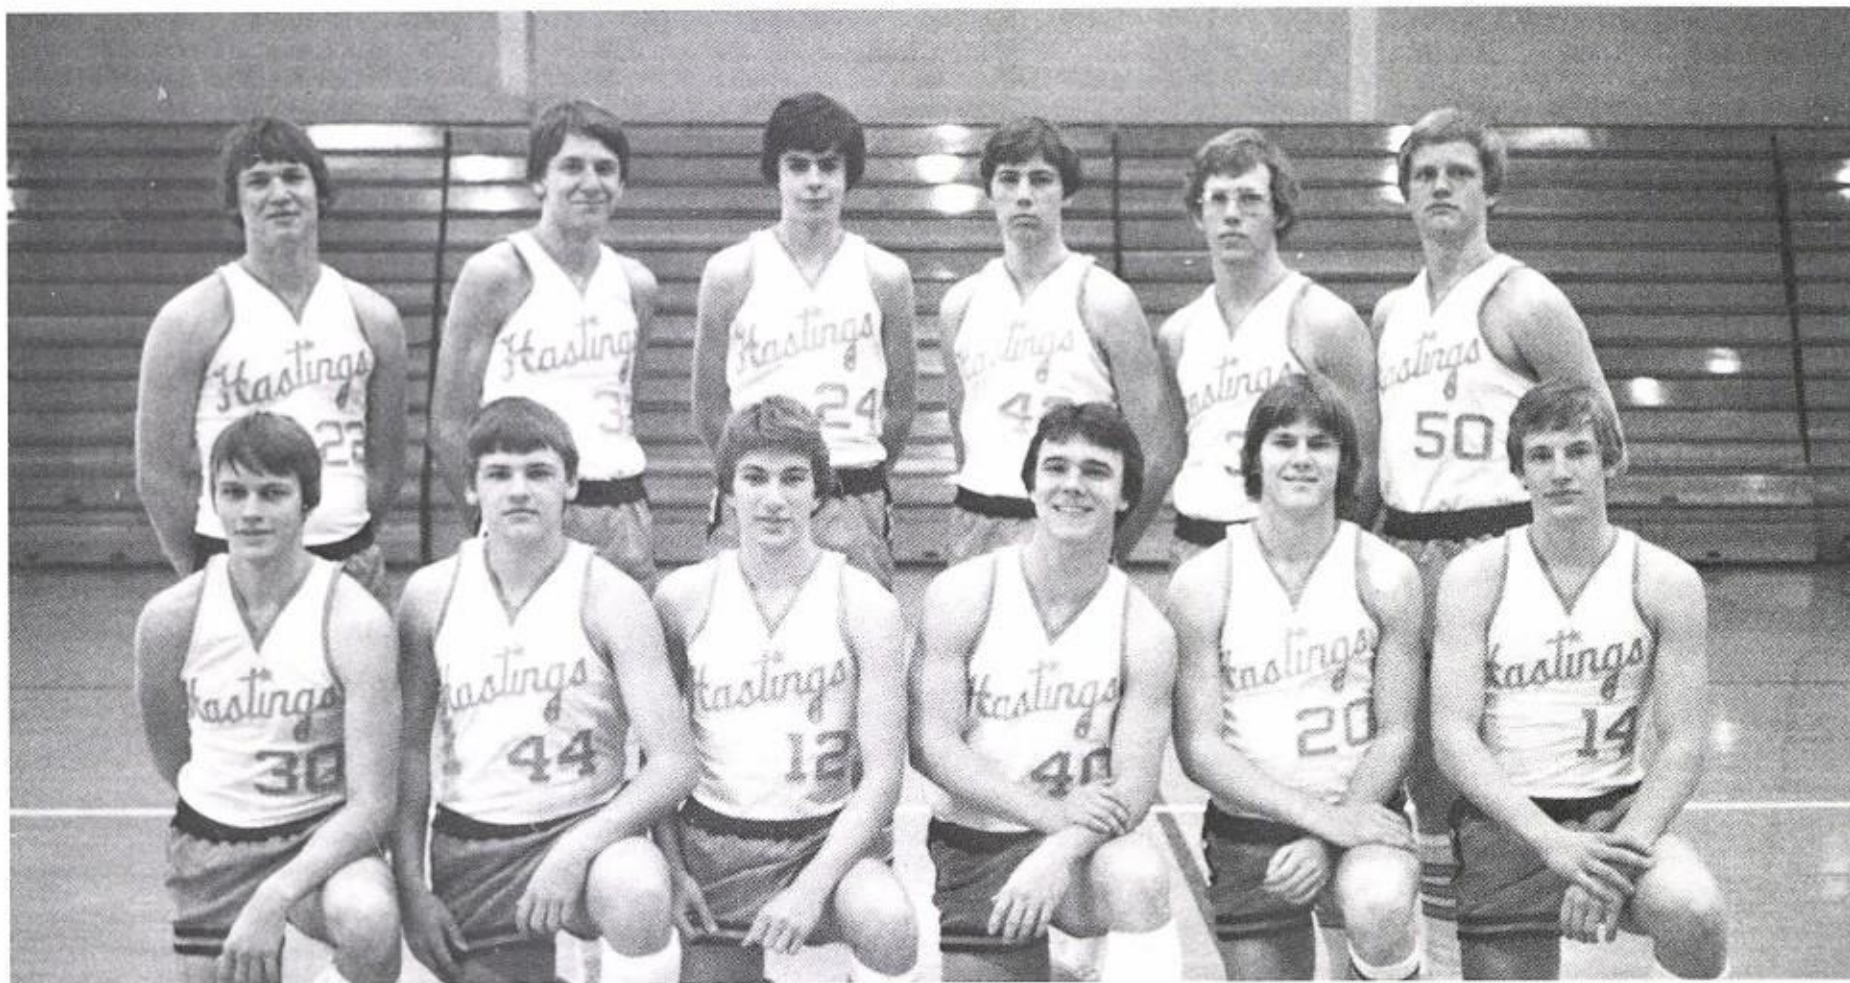

The Sophomore team of "75-76" suffered its first losing season in 3 years, after two successful campaigns under Coach Benny Congrove. Congrove blamed inconsistency and a tougher league for his first losing year. The sophs were lead in scoring by Brad Osborne who hit the nets for 15 points a game. Osborne also lead in assists and was all around leader of the team. Dean Goings lead the way on the boards with an average of 9 rebounds a game. Congrove also cited Jeff Steinke and Scott Christensen as making large contributions to the team.

Reserves End Up Short

Mike Karloff sails for an easy two points.

Brent Robinson looks for two.

Coming up on the short end of the stick could best describe Coach Don Nelson's Reserve Basketball team for "75-76". The Reserves finished with a 7-9 record. The reserves were hampered during the season by lack of height claimed Coach Nelson. But they did do a good job with what height they did have--that being six foot Sophomore Doug Harms and Junior Bobby Riechardt. Scoring honors for the season went to Doug Harms who finished with an average of eight points a game, Kurt Finley averaged six points a game. Nelson cited beating G.I. as the highlight of the season and was generally pleased with the play of his team.

Cheerleaders Instill Spirit

"...Get on the good foot..." yelled the HHS Basketball Cheerleaders as they lead the crowd in cheering the team to the state tourney.

Being a Basketball Cheerleader meant arriving for home games at 6:15 and cheering during both the J.V. and Varsity games, approximately 3 hours. Out of town games often brought hours of driving and still more hours of cheering.

The seven girls were chosen last May and practiced during the summer and before school to perfect the cheers.

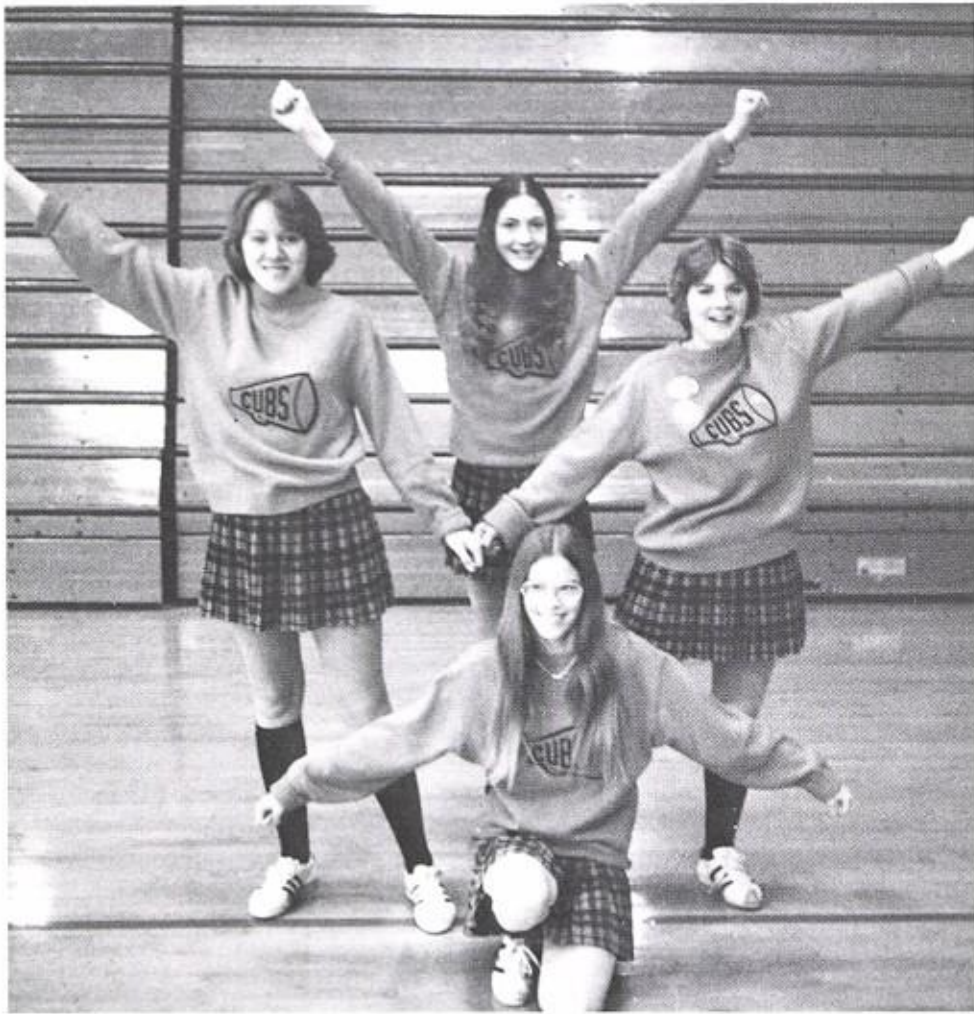

This years' Basketball Cheerleaders were: Cindy Beach, Deb Jacobsen, Tami Lowe, Ann Maisch, Lauri McElhinney, Judy Oberg and Carol Rankin.

Tigerettes Add Color To Sports Scene

No, they are not trying to take off--they're performing to music.

Smile! Look up! the Hastings High Tigerettes get this advice before every halftime show. If asked what they think about on the floor the answer you should get is 1-2-3-4. To keep the show rolling along smoothly each girl counts to herself while smiling, listening, to the band, and staying in even files. It is not as easy as it looks to get 28 girls (15 seniors and 13 juniors) to do this. Just ask Captain Cristal Aylward, Senior Co-Captain Kelley Brouillette, or Junior Co-Cap-

tain Debbie Huber. It isn't easy but it is definitely worth while.

Tigerettes are those girls who try and get you to buy a program so they can go watch the game. There is also the fun job of coat check (especially if you get to do fourth quarter.) They are also those girls who get up and come to school at 7:15 every day. But if you think the girls work is tough, consider Mrs. McGinnis job as sponsor for the past nine years.

Orange Section Spirit Is Contagious

Although few orange T-shirts were worn to the games, enthusiasm was high.

Last Spring a poll was taken of the students at HHS as to whether pep club should be continued or if a new pep organization should be formed. The vote was well in favor of a new organization and so, the Orange Spirit Section was introduced.

When newly formed it was asked that students sitting in the Orange Section wear orange T-shirts which would give the section a look of uniformity. However this was not enforced. Though many stu-

dents sat in the Orange Section few wore the T-shirts. But, there was no lack of enthusiasm. Everyone cheered. No discipline problems were encountered and the majority of students were happy with the section.

Senior Terry Wray had this to say about the Orange Spirit Section, "We may not have looked as good as the other schools' pep clubs, but we yelled just as loud. We really had lots of spirit and enthusiasm."

Pep Council is representative of every pep organization at HHS and carried the responsibility of planning most pep related activities. Members were selected from Majorettes, Tigerettes, Pep Band and Cheerleaders to make up Pep Council.

Again this year the council sold buttons and ribbons on game nights and balloons on Queen's Night. The Pep Parade, Spirit Week and all Parent's Nights were arranged by the council.

A new cheerleading squad was in action this year designed to cheer the wrestlers to victory.

In previous years the football cheerleaders lead cheers at the wrestling meets but, conflicting schedules and an increasing interest in the sport lead to the introduction of Wrestling Yell Leaders. The squad consisting of Pam Edward, Karen Johnson, Joan Martin and Joni Stahl followed the wrestlers through the season with great spirit and optimism.

Senior Karen Johnson summed up the feelings of the yell leaders when she said, "It is so much fun!"

Wrestlers Work To Outstanding Season

"I would take a rebuilding season like this any-time," commented Coach Howard Sheley, after the fine season the grapplers put together in a "rebuilding" year.

Hastings had lost four district champions off last years squad, and weren't suppose to be too powerful.

"The men that came out this year knew that they would have to work hard to get what they wanted, and they weren't afraid to do it," said Sheley.

The Tiger Grapplers had an impressive dual record with a 5-3 mark, losing only to Columbus, Grand Island, and Kearney.

"I was pretty disappointed in our loss to Grand Island after beating them in all the big meets, but an impressive mark is that in the last five years we have lost only one dual to a Lincoln school," said Sheley.

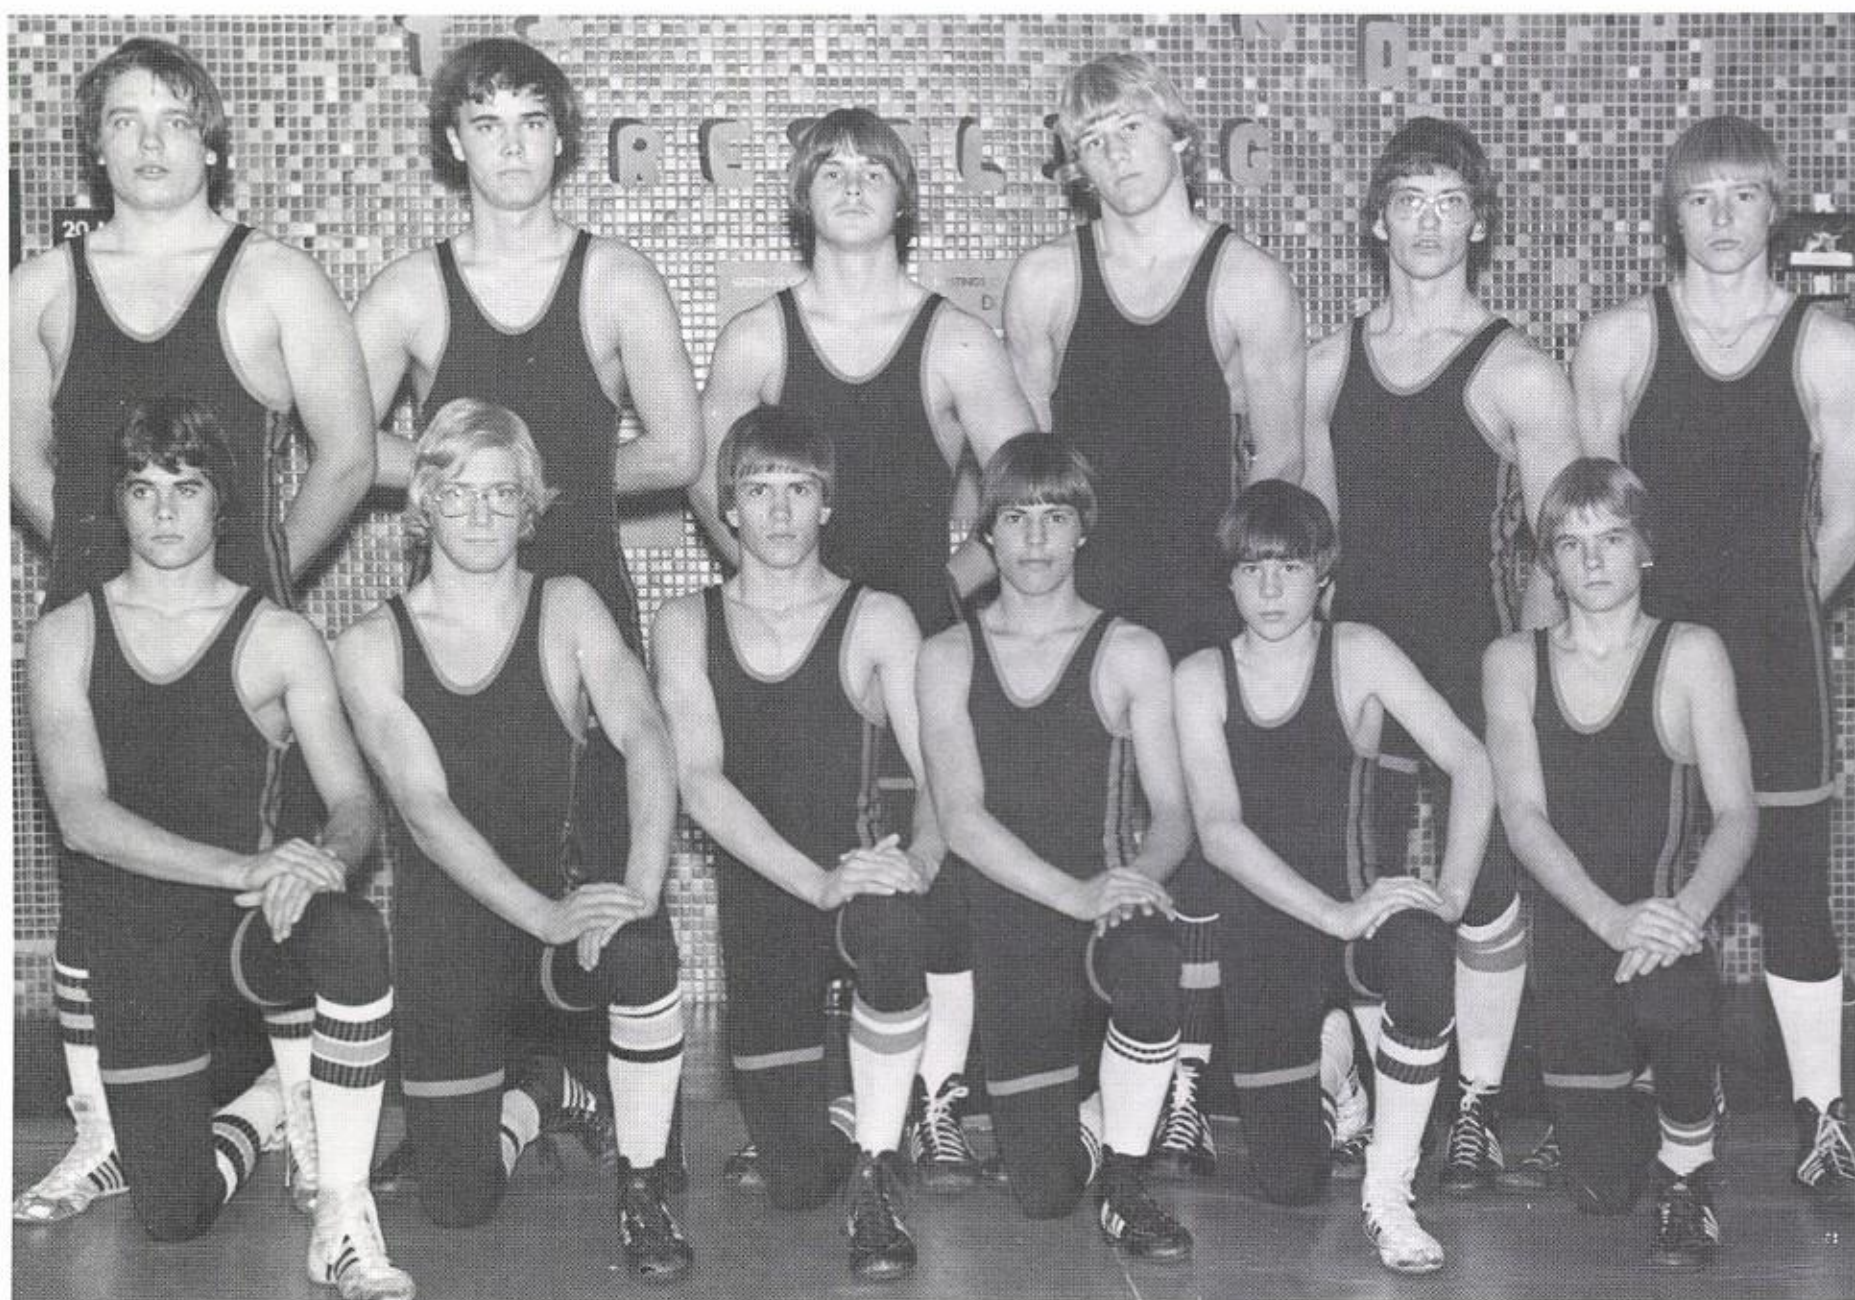

This years squad had a more than average size of sophomores, but with the feeling that work makes up

for inexperience they set out to have a fine season.

Highlights for this years wrestlers were:

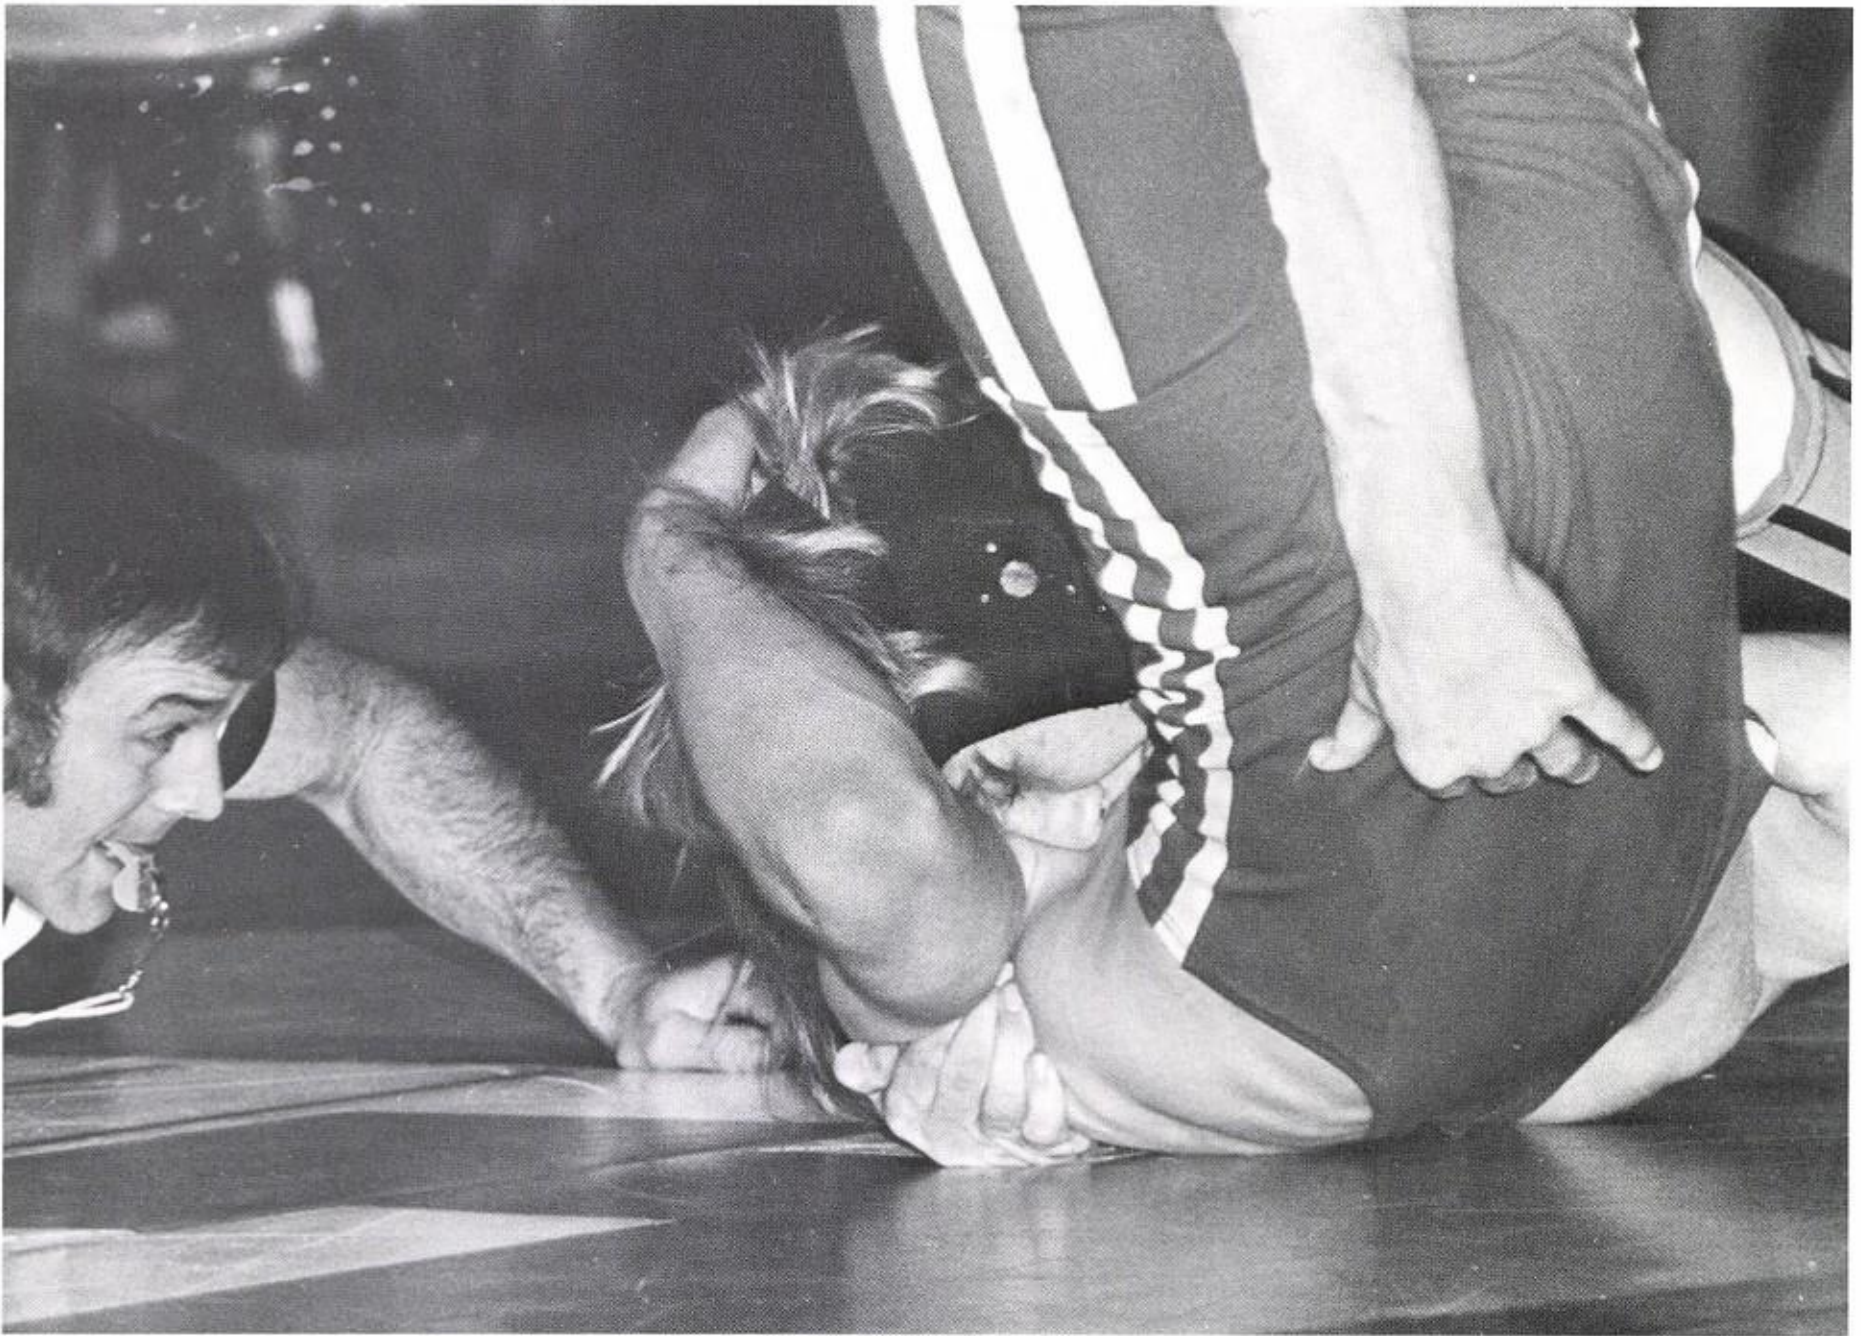

Roger Nelson setting a school record for the fastest pin in :19.

Jim Miller had one of the finest seasons ever by a HHS wrestler posting records in most matches won by a senior in a season, and tied the record of most matches won by a wrestler, and garnering a third at State.

Jim Miller shows his own style that won him many honors during his senior season at HHS. He is shown here on his way to a third place finish at the State meet.

J.V. Matmen Work For A Fine Year

The young J.V. squad of Coach Cramer's posted an impressive 6-3 record losing only to perennial power Columbus, Fremont, and Grand Island.

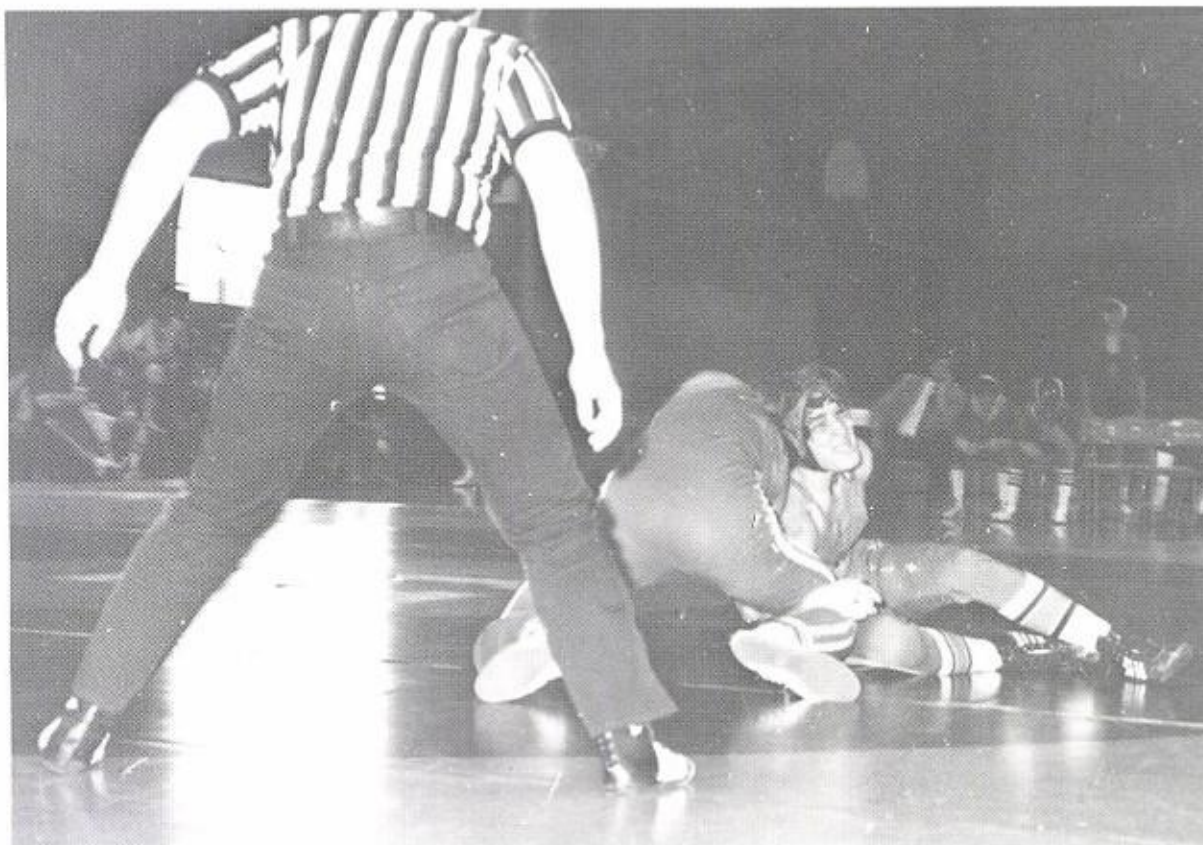

"Our strong weights were the lighter weights where there was a little more experience than in the heavier weights," said Cramer.

Rusty Poppe had an outstanding record with a 10-1 mark losing only to a wrestler who placed third at State.

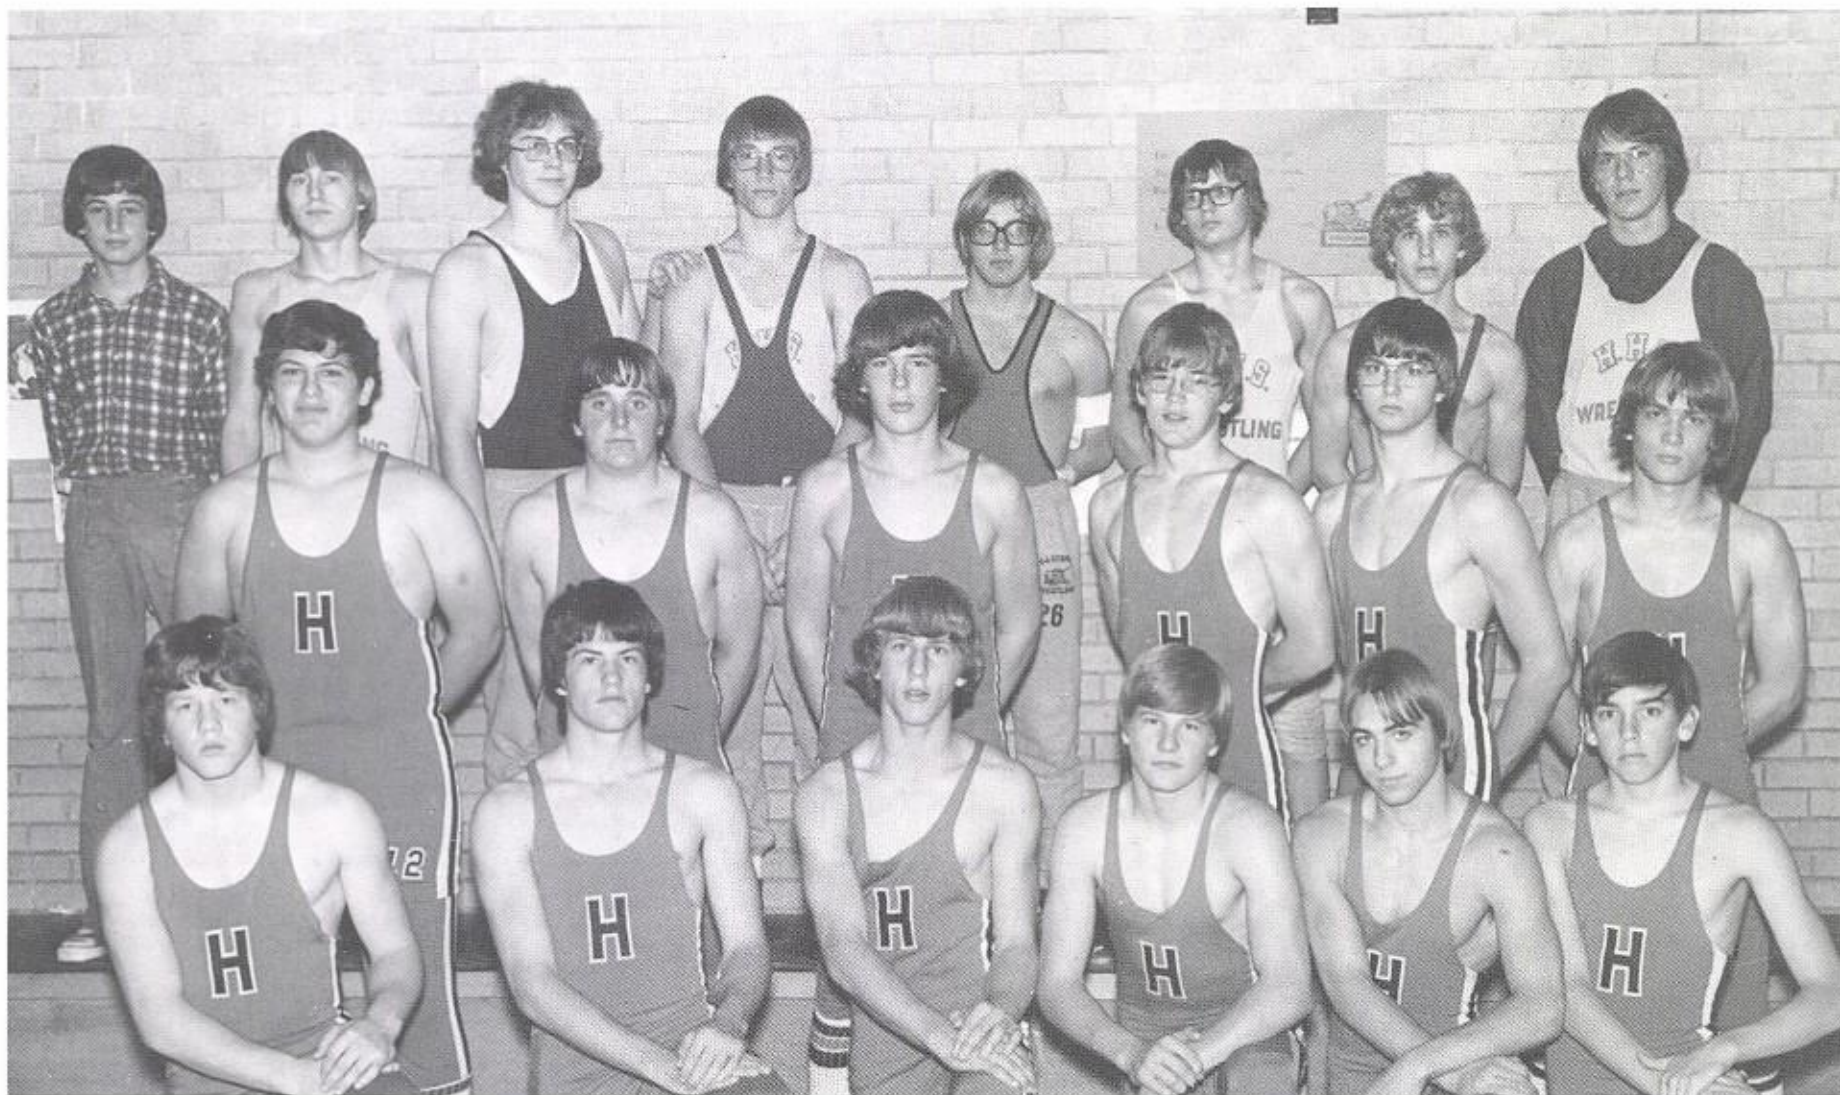

"Takedowns were our strong point this year. Ninety percent of the takedowns were ours," stated Cramer.

"The J.V.'s should help the Varsity a lot next year and should fill the holes being vacated by seniors," said Cramer.

This years J.V. squad was composed mainly of sophomores who have two years left.

Jay Waechter, sophomore, works hard in trying to get an escape in his match. Jay is one of the many promising returners for next years squad.

Swimmers Continue Winning Tradition

With last years super team gone, Coach Tucker had what he thought to be a rebuilding year. He was right but the rebuilding lasted only a short time. The supposedly young and inexperienced squad came through with a sixth place at state.

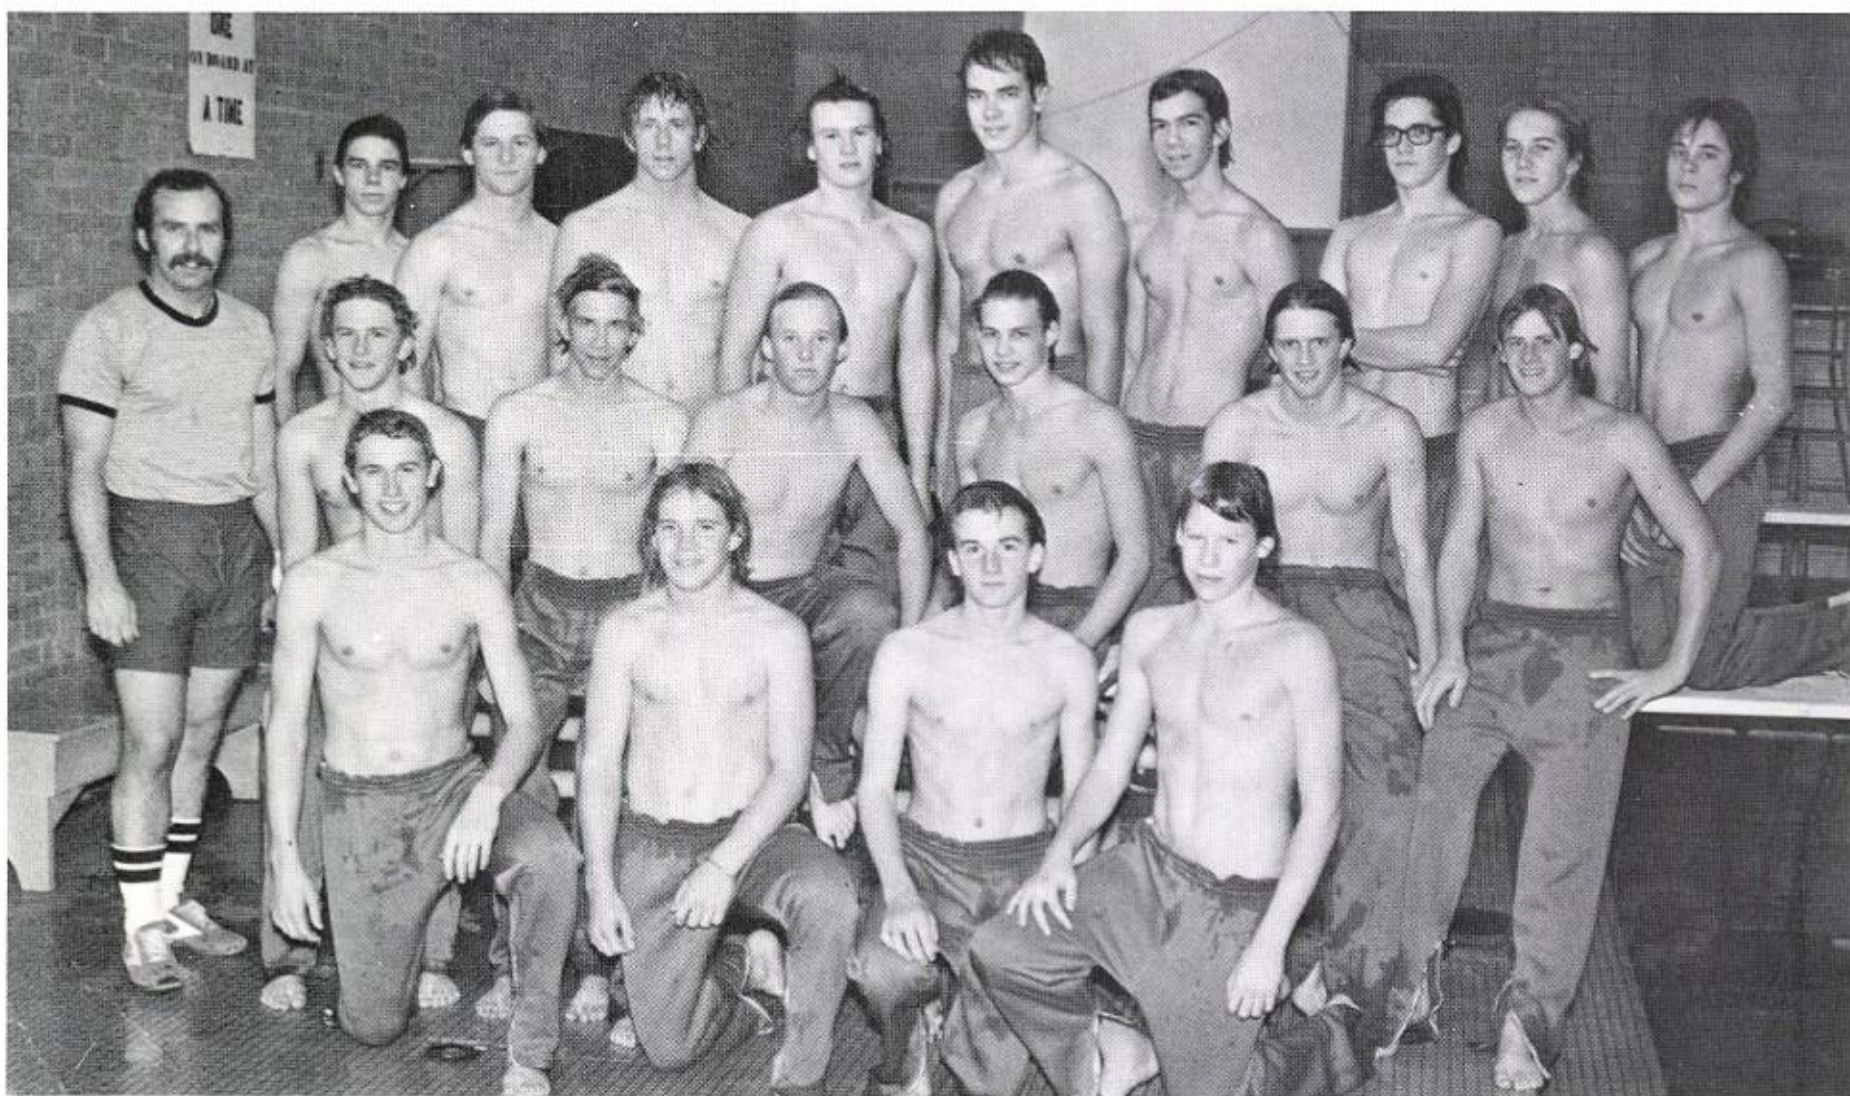

"I knew we lost a lot of good seniors, but this years squad stepped right in and did the job," commented Coach Kehoe. And step in they did with a big win over Grand Island. The tankers

then took two consecutive losses to Lincoln powerhouses, East and Southeast, but came back with four straight wins over Fremont (96-74), Lincoln Northeast (45-37), Lincoln High (95.5-59.5), Columbus (97-75), and McCook (131-35).

The Tigers also did well in BIG meets, taking the Big Ten Conference for the second straight year.

There were many brilliant per-

formances during the year. One being a school record broken by Sophomore Stew Holm who finished the 200 Medley in 2:09.7. Other excellent times were as follows: Medley Relay (C. Marsh, S. Holm, E. Marsh, S. Engelhardt.) 1:44.80; 100 Butterfly (Eric Marsh) 55.2; 50 Free style (Scott Engelhardt) 50.4; 100 Backstroke (Eric Marsh) 59.0; Breaststroke (Jeff Thompson) 1:05.2 and Stew Holm 1:05.7.

Girls B-Ball Team Drives To Victory

The first season for the varsity girls basketball team was a good one. Coach Betty Walters commented, "It was a really fine season. The girls did a good job. Anytime you can beat schools with more experience than yourself it has to be more encouraging to the team." Coach Walters cited Juniors Lori Coulter and Cheryl Brown as being no. 1 & 2 in shooting and rebounding. Walters stated that sophomores Suzanne Hartman and Cristy Moorhead were the most improved on the team. The season record this year was 4-6. "One reason for success was the hard work the girls put out," explained Coach Walters. The girls had a 31% field goal average this year.

The girls season record ended at 2-8. Sophomore Barb Hurt and Junior Kathy Bokern headed the team in rebounding and shooting. Sophomores Kathy Smith, Cindy McDaniels, and Pam Schamens were the most improved on the team. The field goal average was 23%. The team expects a good season next year.

Cheryl Brown puts in another two.

Intramural Competition High

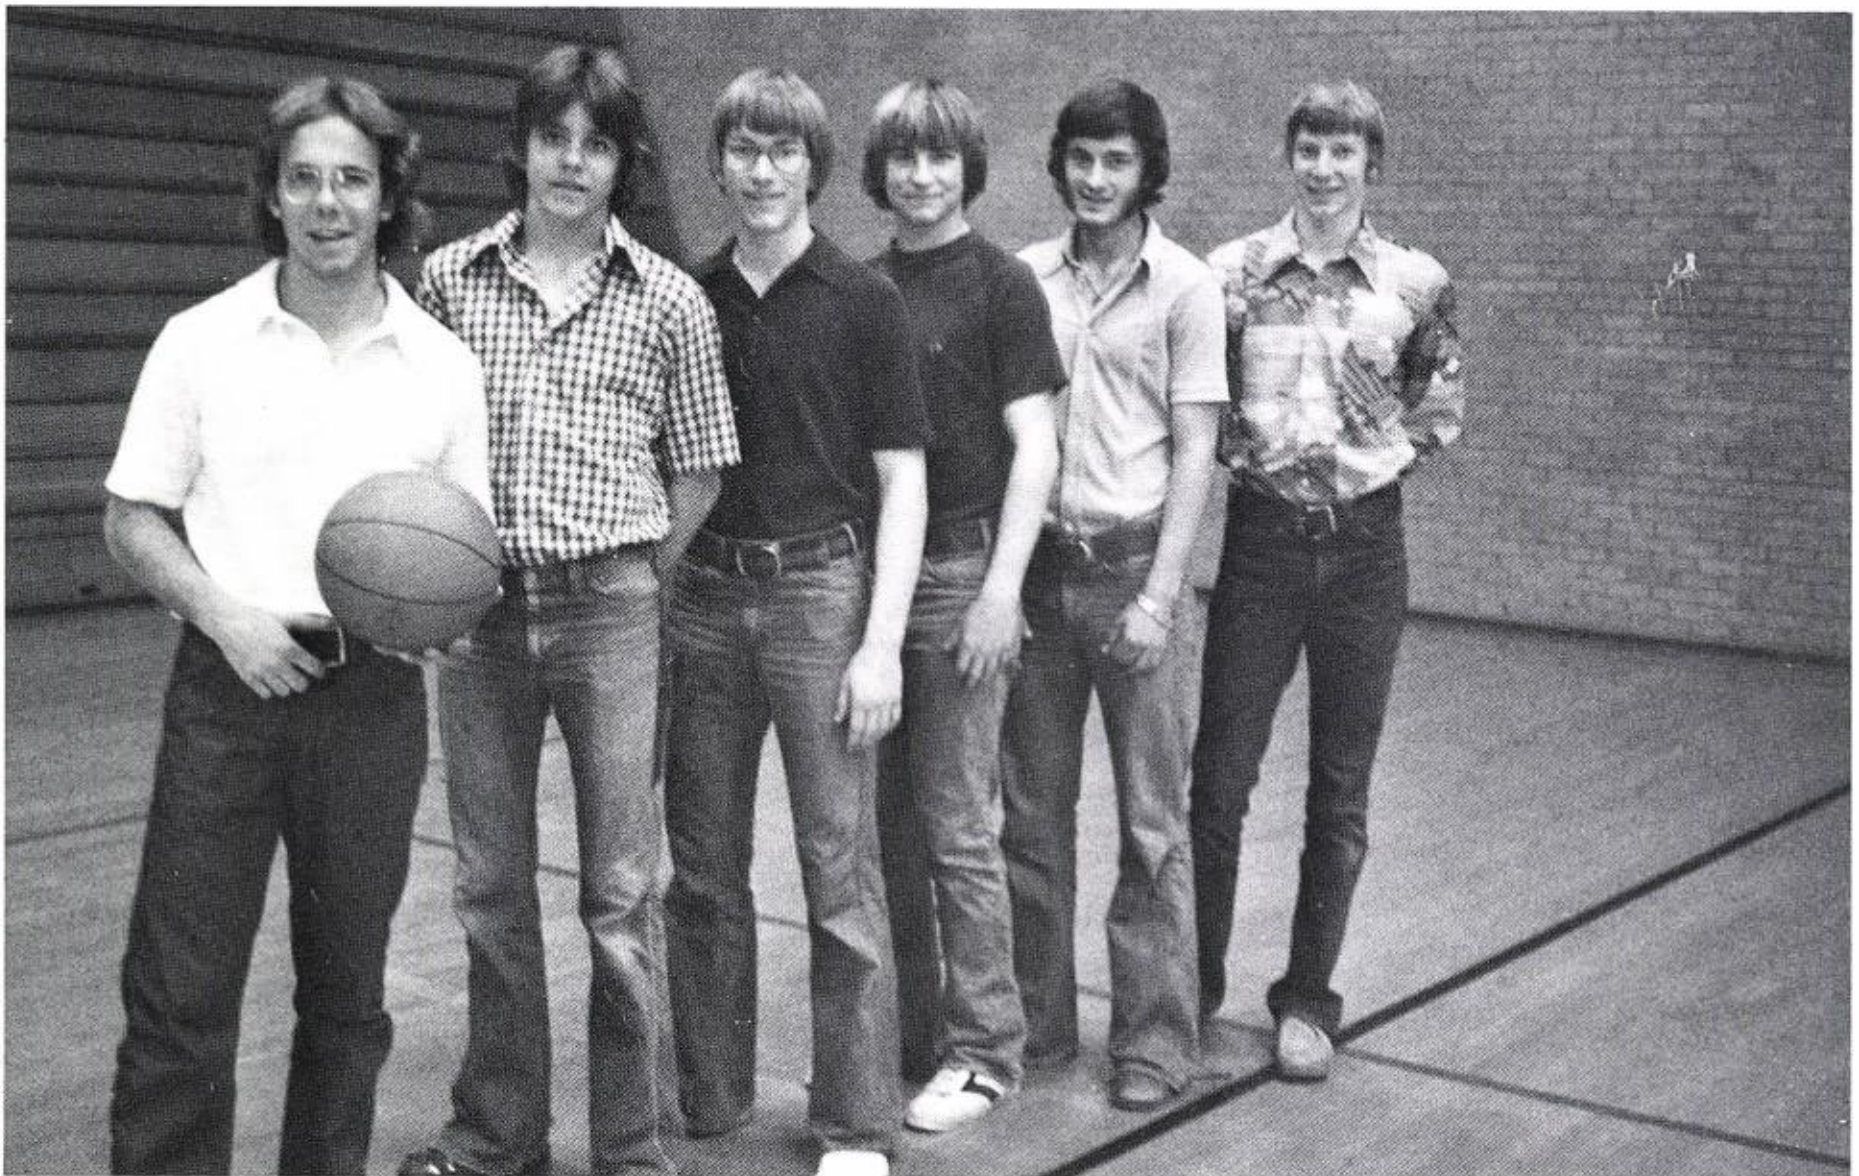

Boys and girls intramural basketball games started December 9, 1975. The sponsors this year were Miss Irwin, Coach Lacey, and Coach Sheets. Any student not participating in winter sports such as swimming, wrestling, or basketball was eligible to play in intramurals. One hundred forty students took part in the activities.

The boys started the year with eight teams. They were: Friars, Shafts, Red Necks, Cranks, Big Franks, Sizzlers, J's, and Dopers. Each team started out with a sophomore, a junior, and a senior. The remaining players on each team

were selected by a draft.

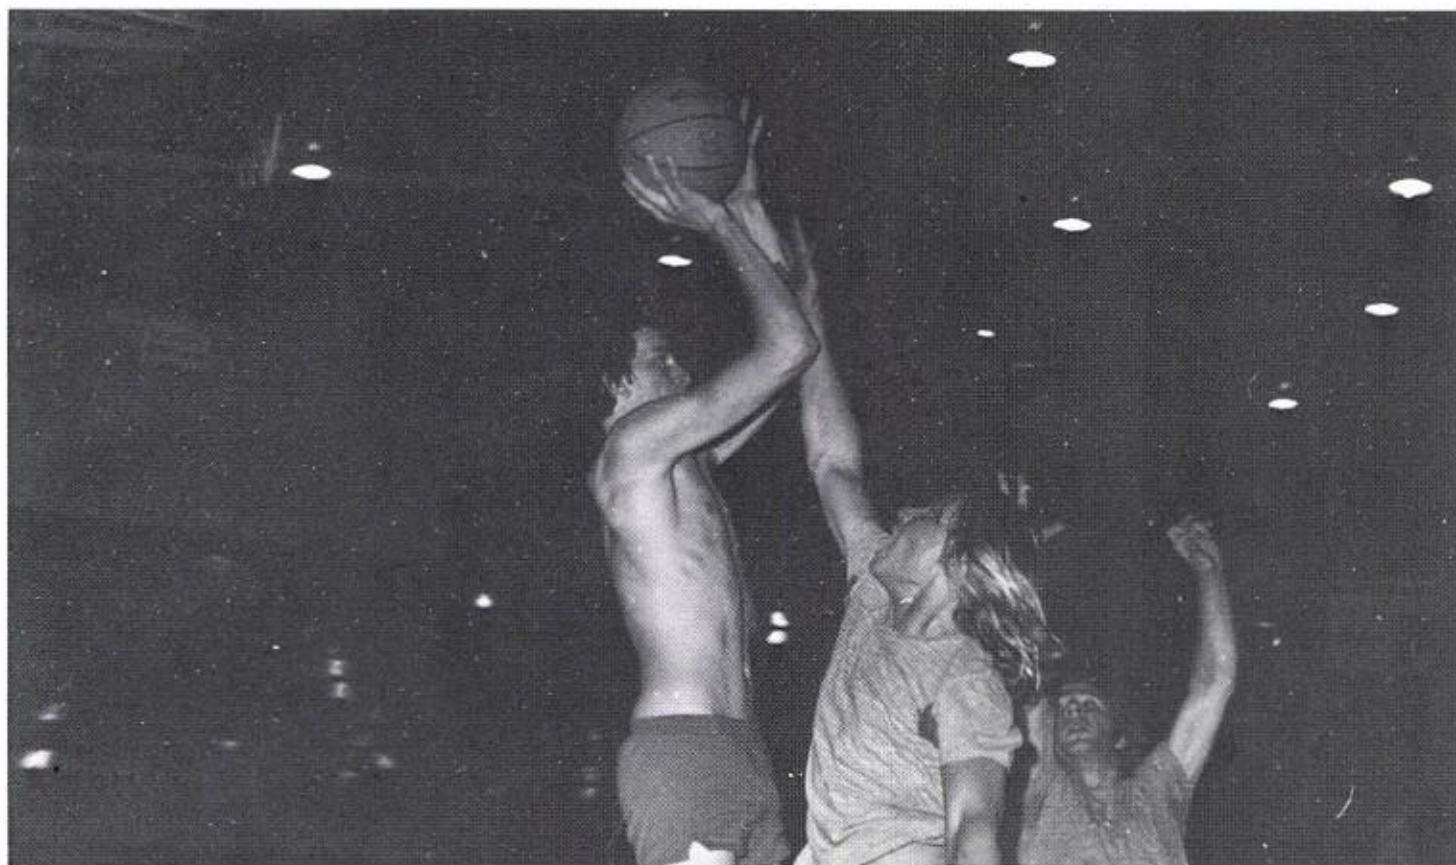

The girls were divided into five teams: Real Women, Flakes, Odd Squad, Rowdy Hustlers, and Buttons. Two of the teams were made up of sophomores, while the other three teams consisted of both juniors and seniors.

Games were played on Tuesday and Thursday evenings at 7:30 and 8:30. Each group recorded its own scores and kept its own clock. The referees for the boys' games were members of the other intramural teams. Members of the HHS girls teams officiated for the girls.

This year Becky Kuehn accompanied the 81 members of the Sophomore Choir.

The choir was open to all sophomores without a tryout and was designed to help the students with sightreading and prepare them for the more advanced choirs.

Chris Knoedler said this about Sophomore Choir, "It was lots of fun, I liked it. We sang many types of music which made it more interesting."

The choir held two major public performances this year. They were the Christmas Concert and the Spring Concert.

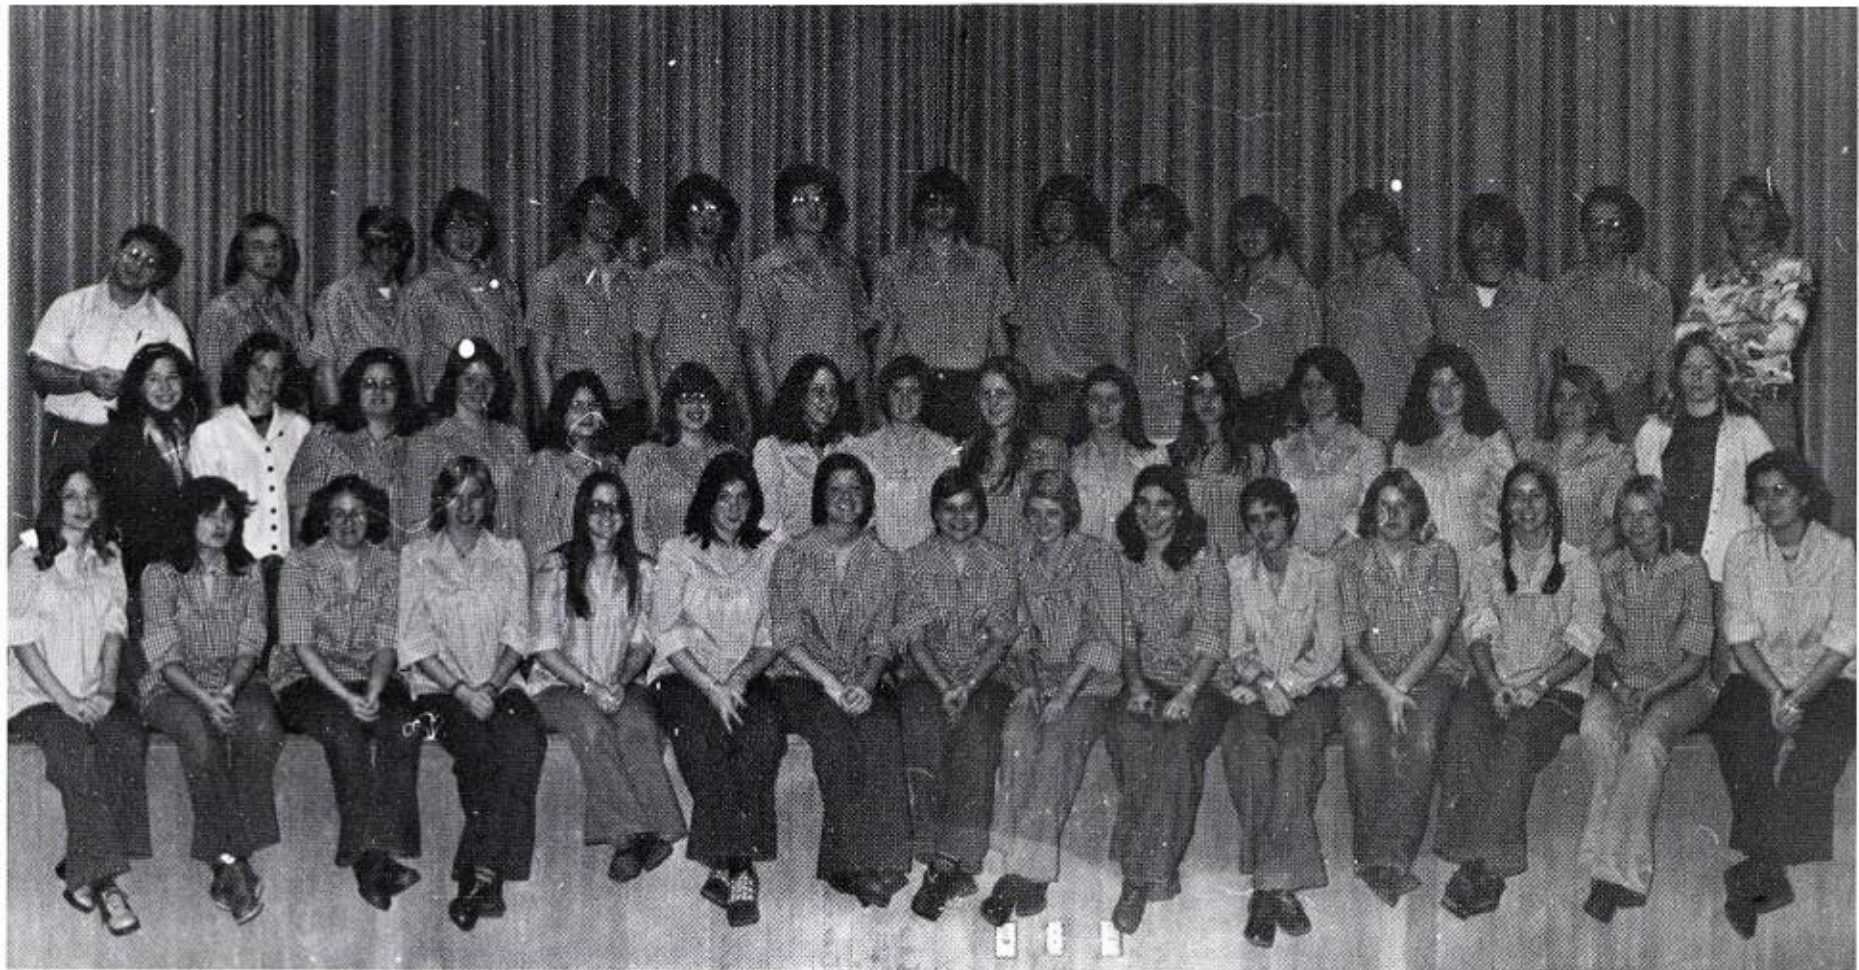

Mrs. Nadine McCreary enjoys directing the choirs.

A reorganization of the vocal music department this year lead to the development of Concert Choir.

The choir was open to any junior or senior interested in singing. No tryouts were held.

Accompanied by Julie Zarobon the Concert Choir performed in Christmas and Spring concerts and also at the Junior High. They sang rock and traditional folk songs and a great time was had by all.

Chamber Choir Membership Competitive

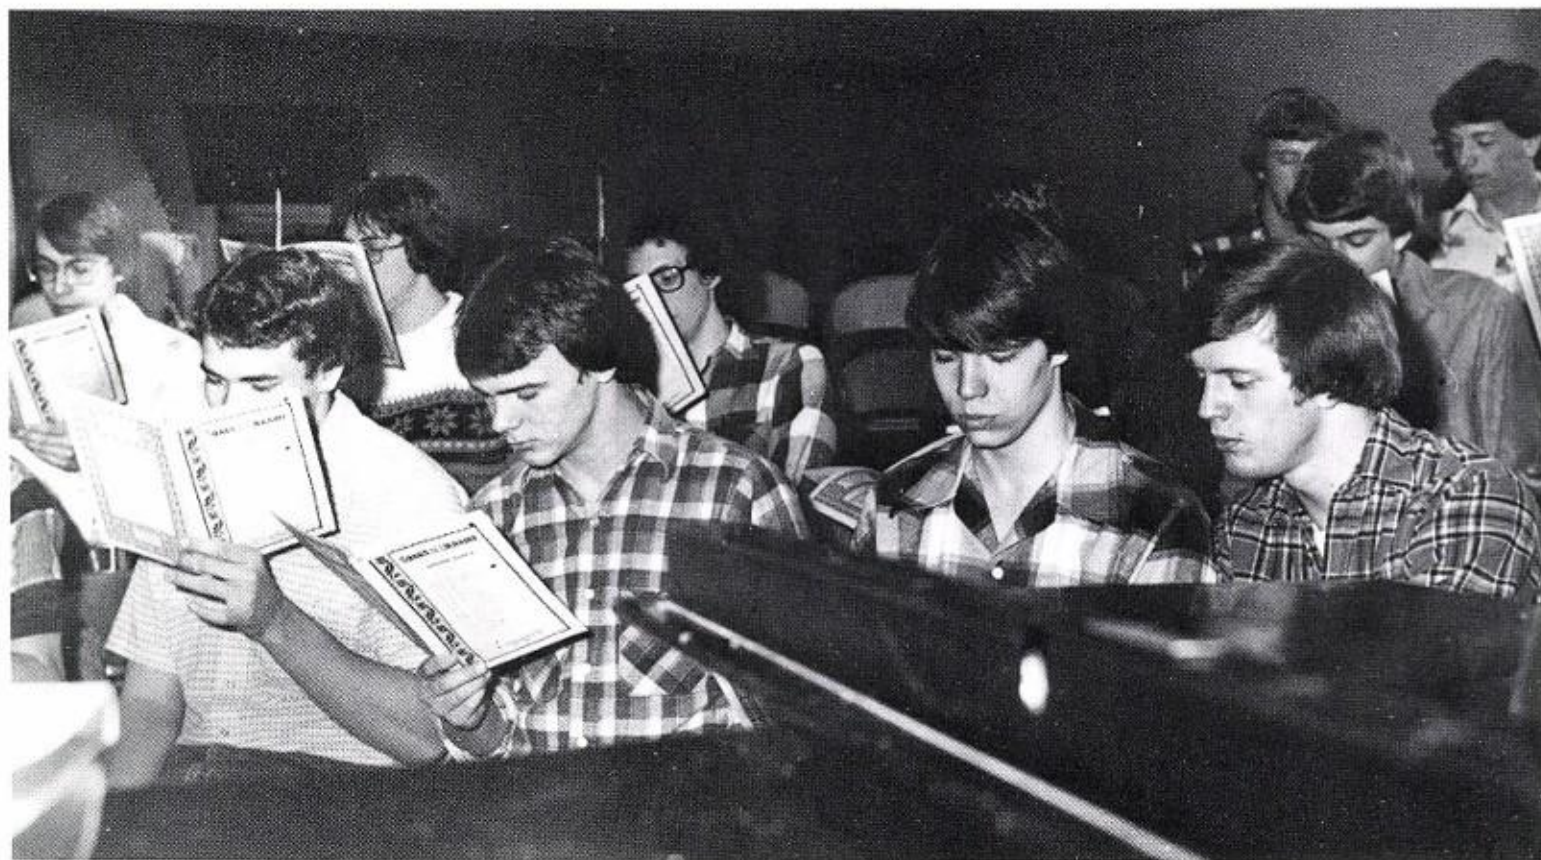

The Varsity Choir of 1974-75 became the Chamber Choir of 1975-76. The choir was reduced in size from about 80 to 46, consequently the choir was more select. The main reason for this change was to facilitate singing more difficult music than in previous years.

The choir, open only to selected juniors and seniors, was under the student direction of Scott Engelhardt and the adult direction of Mrs. Nadine McCreary. Representatives to the choir council from the Chamber Choir were Cathy Norman, Les Howard, Cheryl Barth and Terry Beahm.

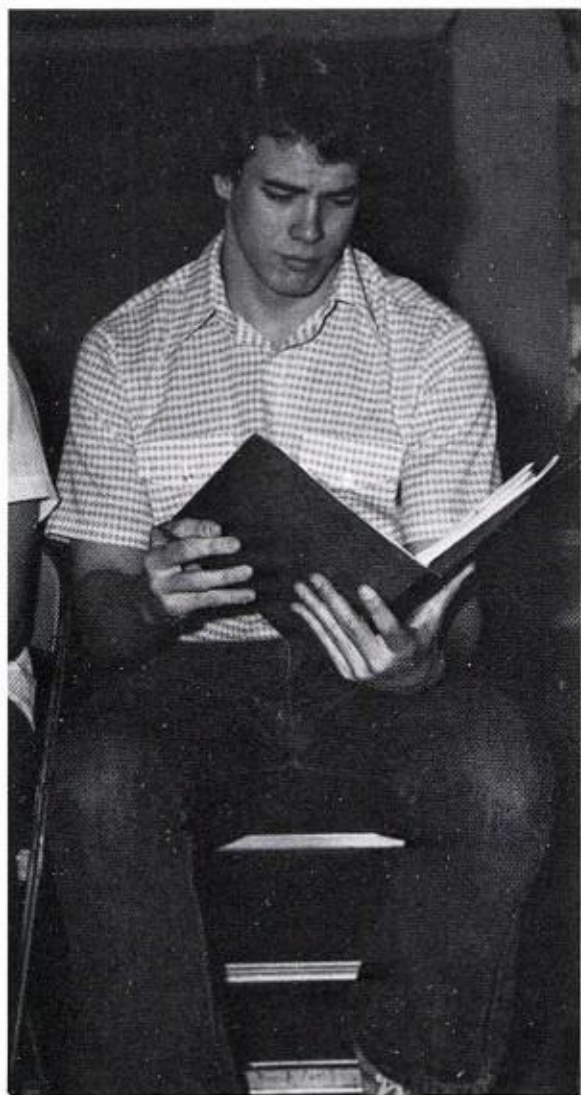

There were several performances for the choir including Christmas and Spring Concerts. They traveled to Grand Island for the Hastings--Grand Island Choral Clinic and sang at Baccalaureate. Convocations at both the Junior High and Senior High rounded out the variety of the choir's performances.

Madrigals' Year Successful

Madrigals is a very select choir that sings a variety of difficult music and works 3-4 hours a week including individual practice.

Madrigals performed extensively, especially around Christmas. The group performed for about 15 different service clubs and organizations. They sang in the Christmas and Spring Con-

certs and the Hastings--Grand Island Choral Clinic. The group held a special concert for invited guests and served refreshments. The Madrigals traveled to Palisade, Nebraska in the winter to perform a whole church service. They also gave part of a Senior High convocation.

Music Groups Very Popular

Three groups highlighted the year musically for the director, Mrs. Nadine McCreary--Girls Glee, Girls Miscellaneous Ensemble and Boys Double Octet. All three groups participated in the Fall and Spring Concerts.

Girls Glee was a scheduled class for which members received one credit. The class was elective and no tryout was required.

Try-outs for Girls Misc. Ensemble and Boys Double Octet were held in the fall. After selections were made from the large number of try-outs, practice time was decided upon. Boys Double Octet practiced twice a week during lunch mods. Female voices could be heard from room 82 Tuesday and Thursday at 3:30. Fun and work were mixed to make for a musically successful year.

Girls Misc. Ensemble: L. To R.: Back Row: V. Thomas, S. Finningsmier, B. Marsh. Fifth Row: M. Vaughan, K. Allen, L. Holcombe. Fourth Row: C. Burke, A. Throckmorton, T. Richardson. Third Row: K. For the first time in its history the HHS Parade Band achieved two first places in as many performances. The Tiger Band took home trophies from Grand Island's Harvest of Harmony and Hastings Melody Roundup. Drum Major Mike Hartman led the band in all performances including the Shrine Bowl Parade and home football halftime shows.

The Varsity Band gave a winter concert featuring senior soloist Kim Theesen. They traveled to Grand Island for the GI-Hastings Band Clinic and concluded the season with a pop concert.

Both stage bands participated in the Hastings College band clinic. Stage Band I, composed of more experienced players, gave a Jr. High convocation and went to the Doane clinic.

The Pep Band provided the musical atmosphere for all the home basketball games. They also went on migrations to Norfolk and Districts and played at every pep rally.

M. Houtz, Mr. Hough.

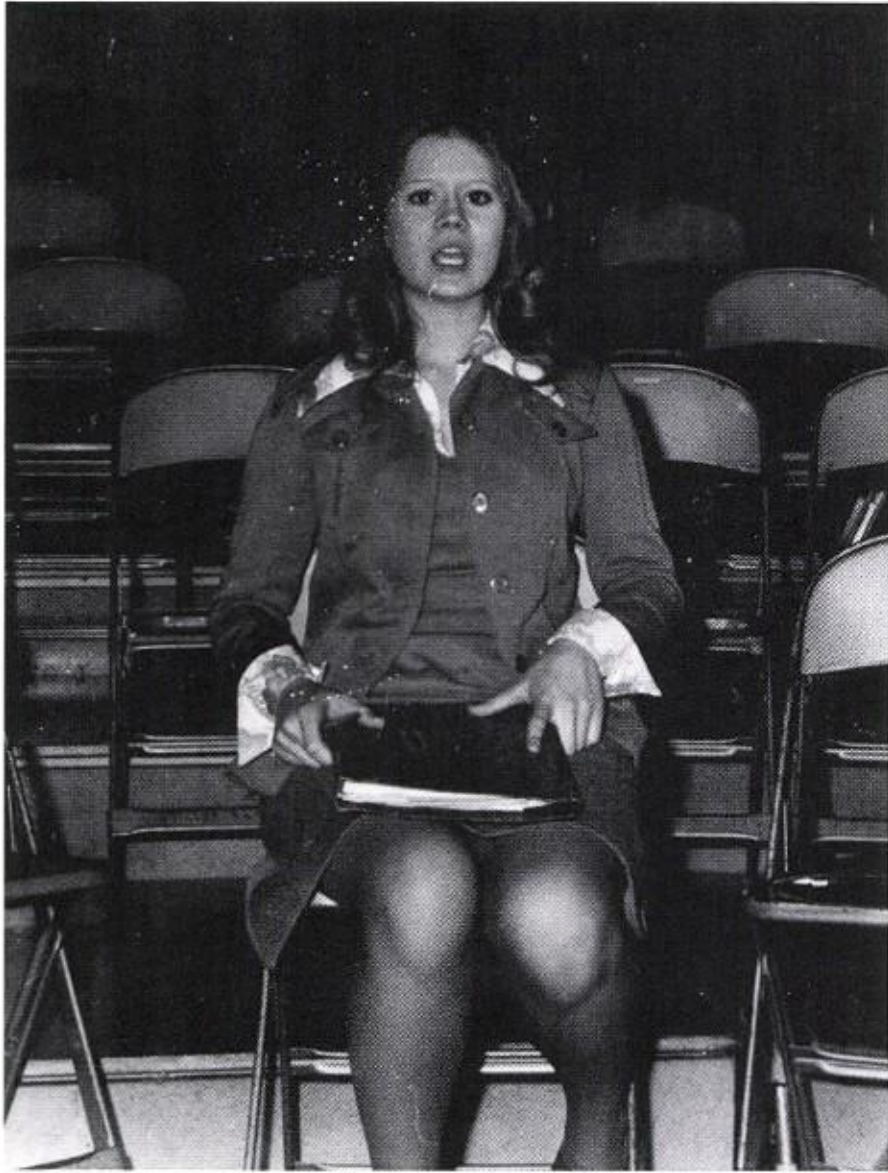

A busy schedule and chal-
lenging music, such as the
theme from "Jaws" made or-
chestra a rewarding experience
for this year's members.

The orchestra performed at
three main concerts; Fall,
Christmas and Spring. They
also hosted the G.I.-Hastings
Orchestra Clinic. Most mem-
bers also participated in the
Tri-City Youth Symphony which
was held Saturday mornings.

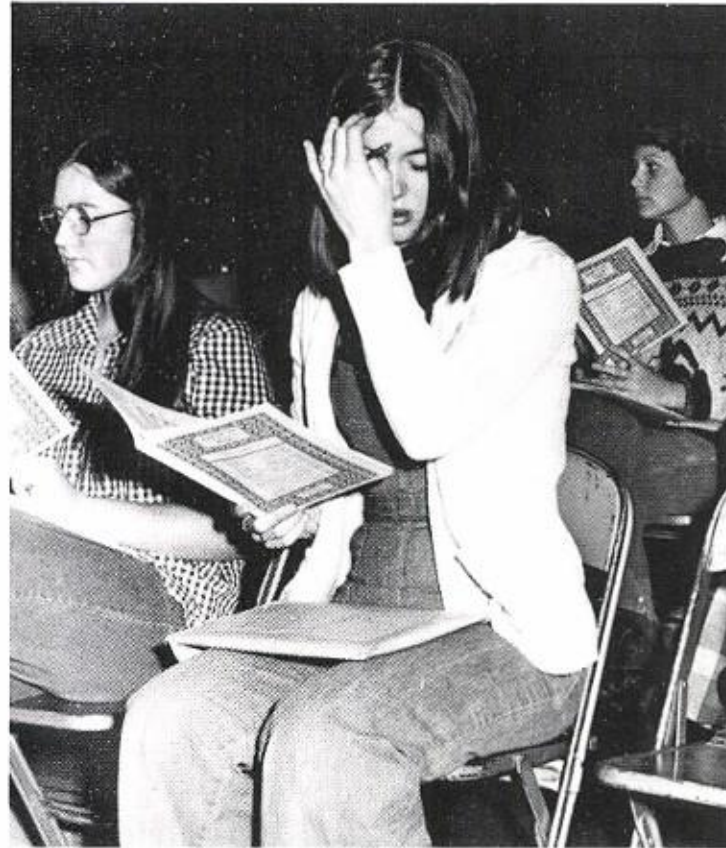

In order to have this fine
musical group it was necessary
to have a director who was ded-
icated enough and willing to
take on such a responsibility.
Mr. Herbert Hough, in his first
year at HHS, was such a man.

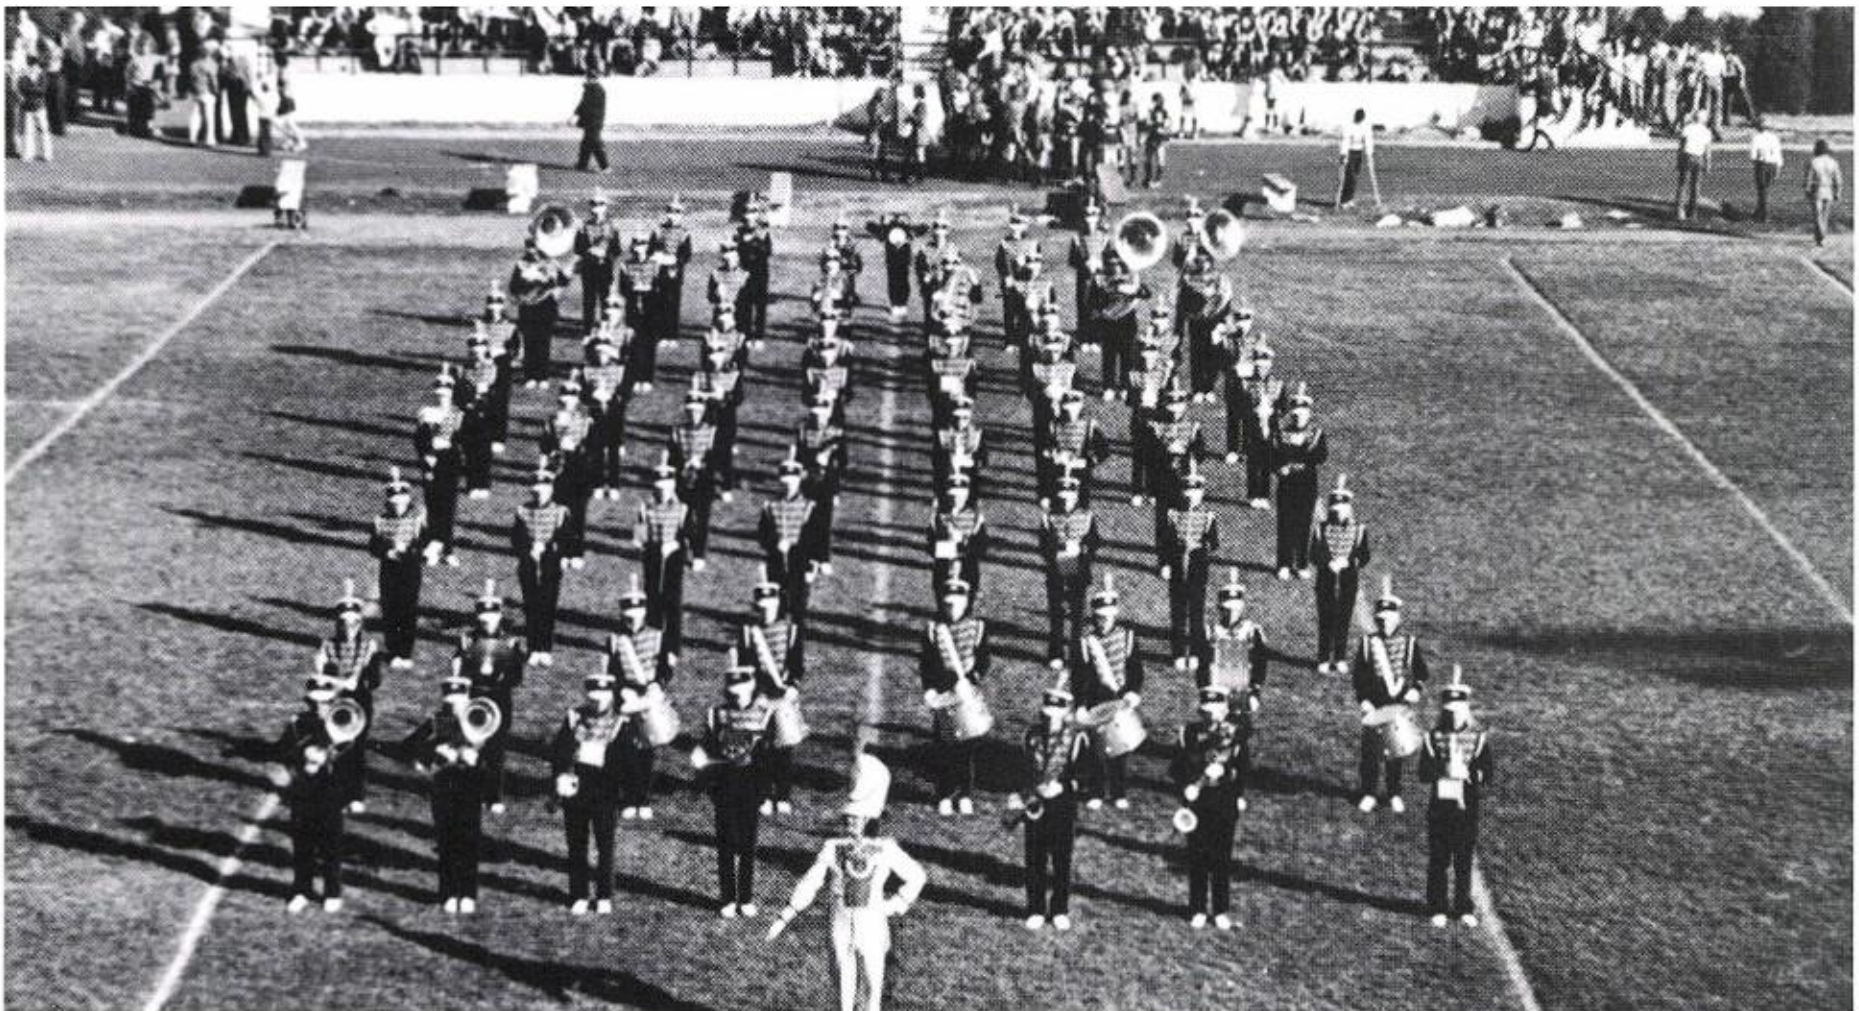

The orchestra finds their music a "challenge".

Ann Lindeen exercises her vocal cords by singing in Madrigals.

Student Groups Offer Help

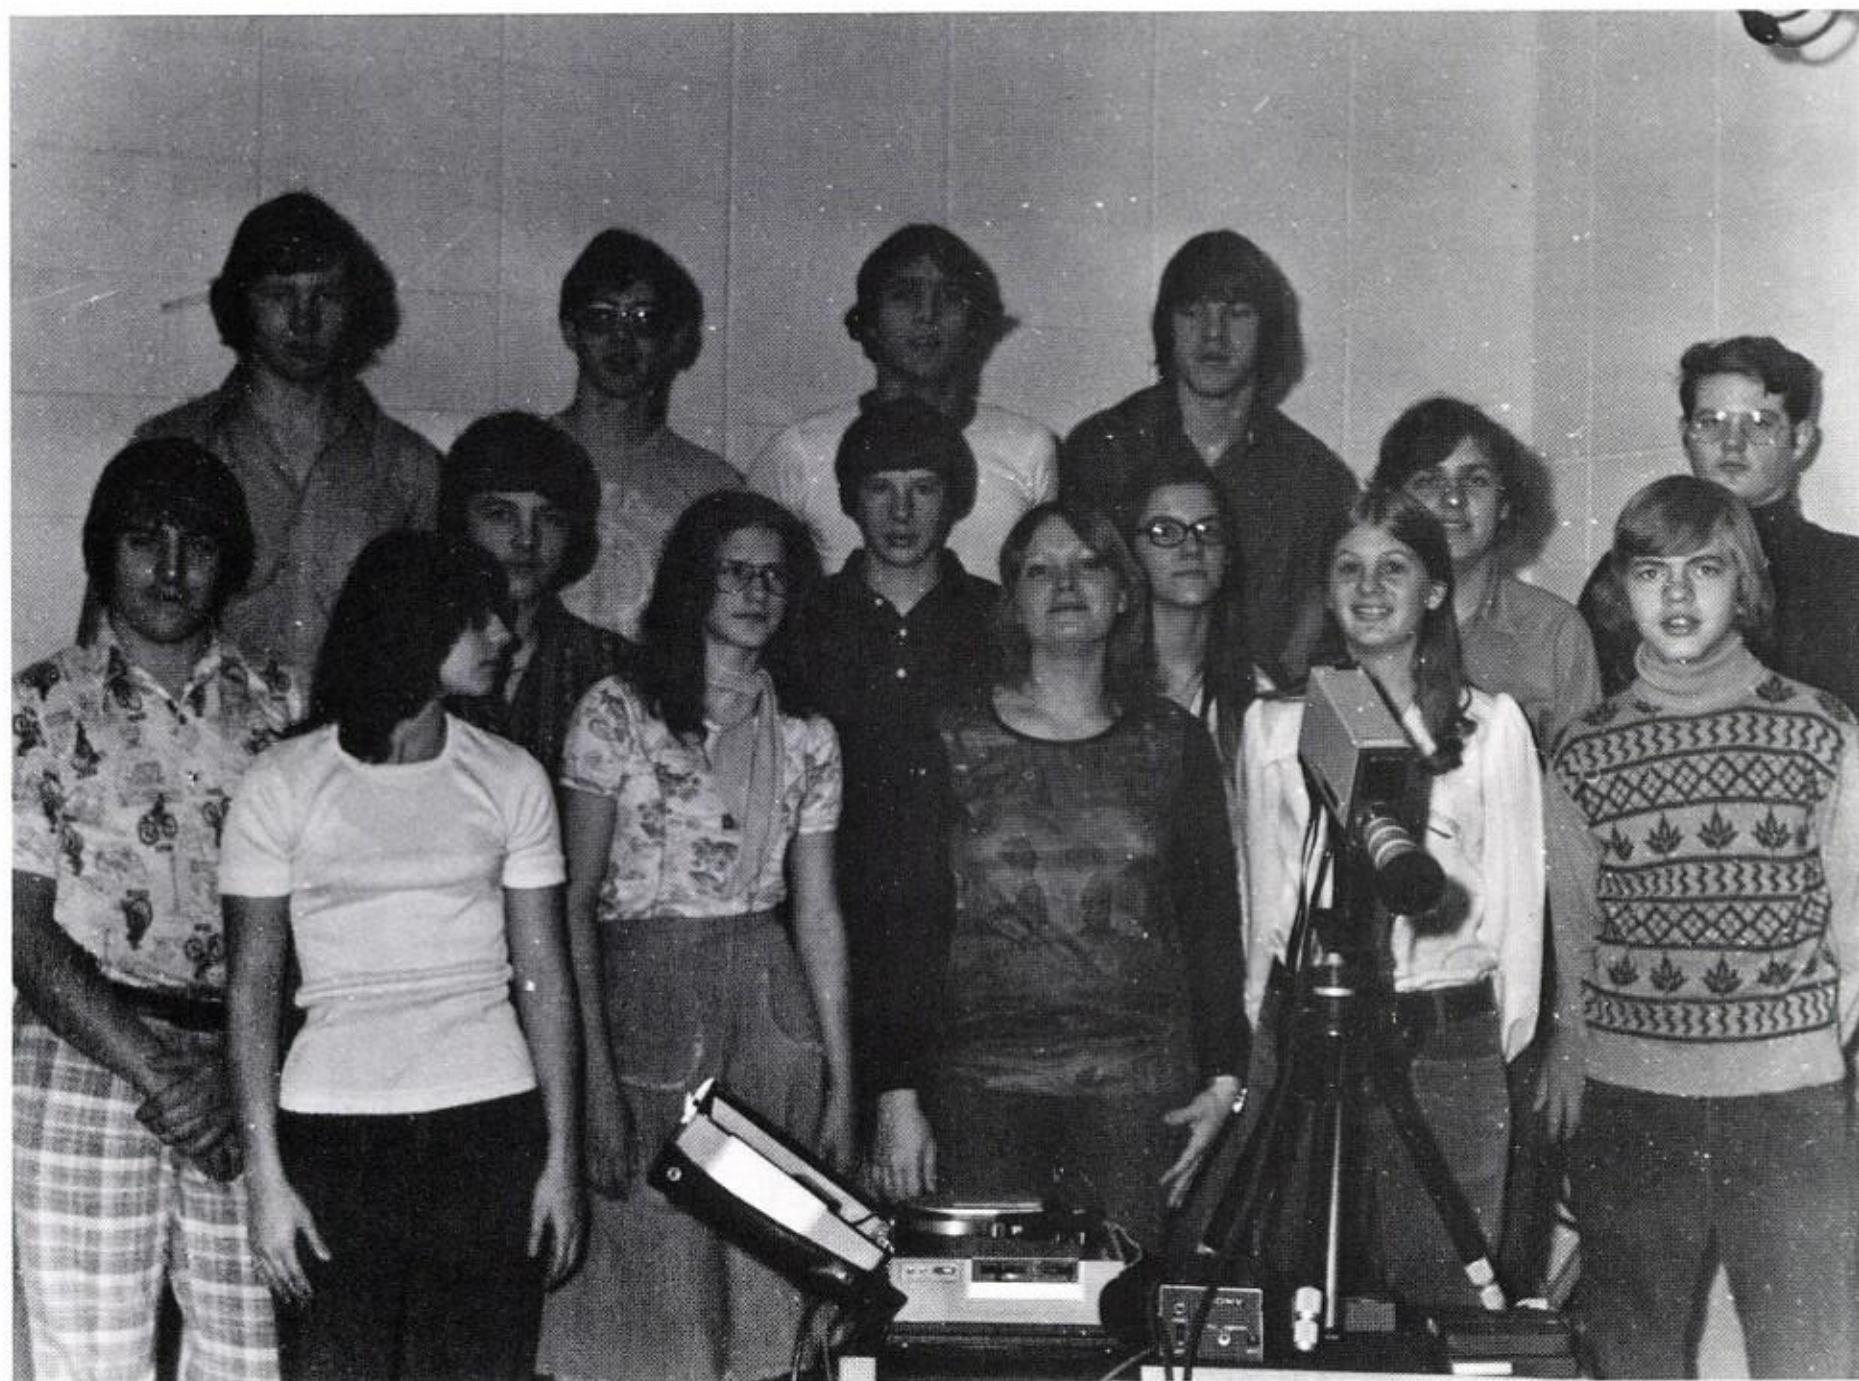

During the Bicentennial year Hastings High boasted three service organizations.

The first thing in the morning of each school day five office-aids gathered and recorded attendance records. This duty completed a requirement for Mrs. Gellatly's class, Vocational Office Practice.

Equally important was the core of ushers, organized by Mr. Pratters and Mr. Kort.

People attending evening events at HHS enjoyed the welcoming smiles of the gentlemen as they escorted patrons to their seats.

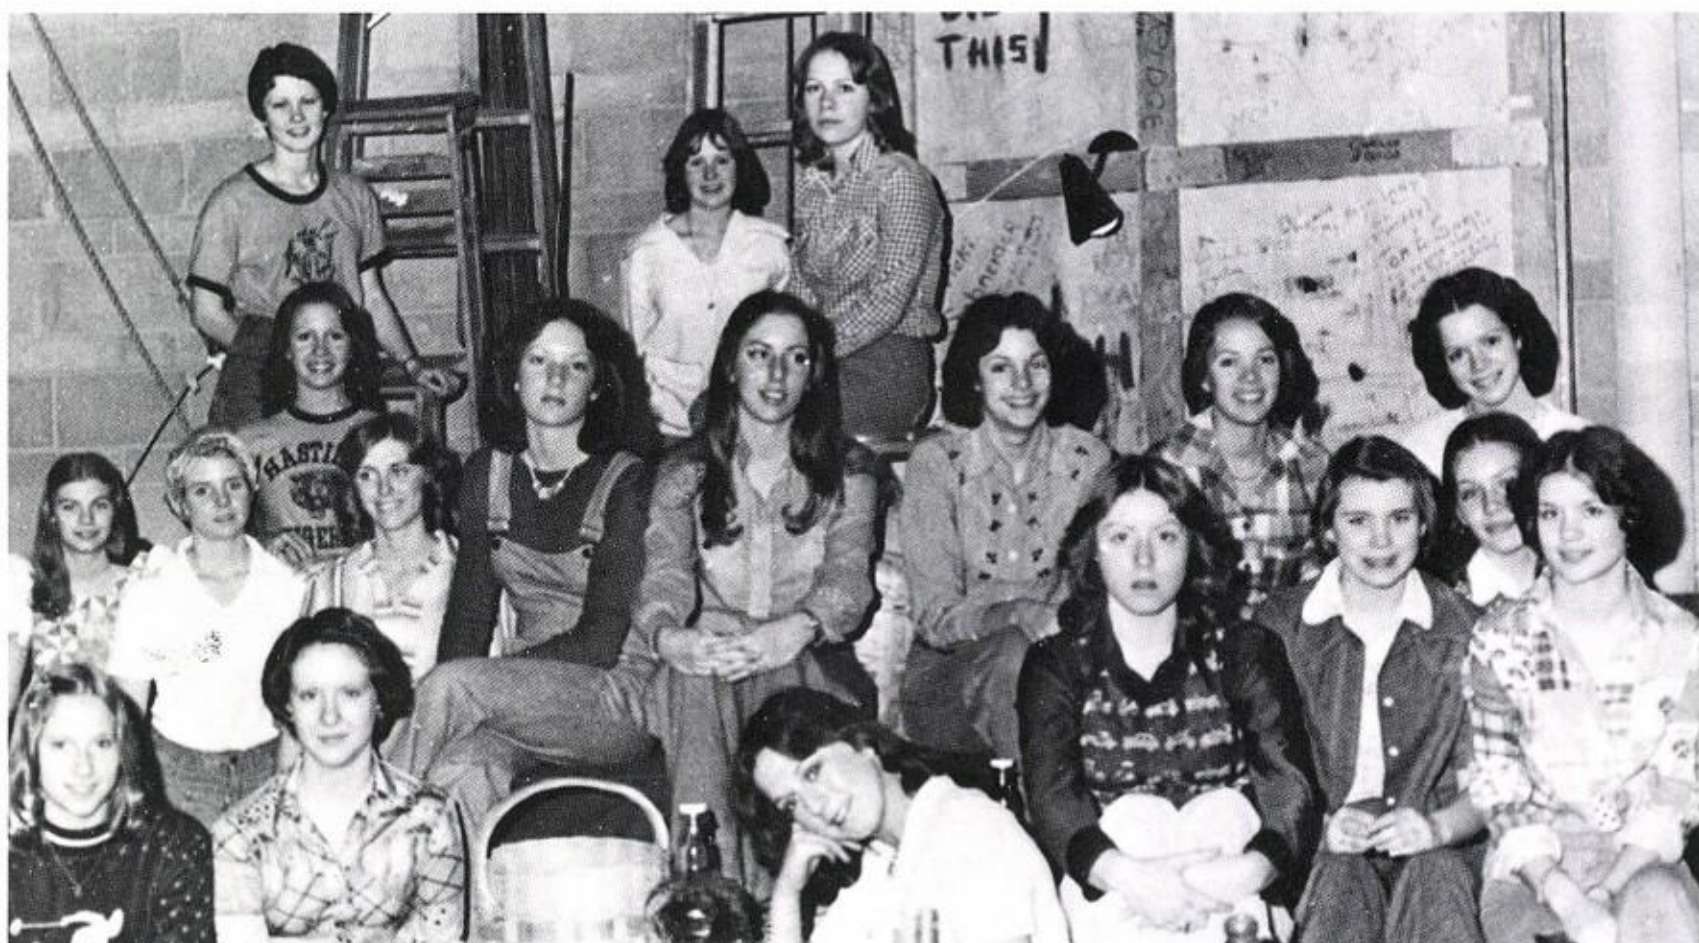

On top of every problem was the media clan. Mr. Clark helped these students gain the ability to meet every technical difficulty that arose during the year such as broken projectors, failing microphones, burned out light bulbs, and defective wiring.

Media: Back Row; L. To R.: J. Davis, M. Schmidt, J. White, P. Weber. Second Row: H. Kohtz, K. Perry, D. McBride, C.

To help with the expenses that occurred by putting on a synchronized swimming show, the Flamingos sponsor various money raising projects. Each year they hold a pie sale and pop bottle drive. The money raised from these projects is spent on decorations, costumes, and lighting. Even though money is raised it is usually not enough to pay for everything. Any expense not met by these projects is paid by the girls. Nancy Yost, this years President, feels that the girls have been good about helping with fund raising. Sue Riggins acts as Secretary.

Money! Money! Flamingo Pie Sale seems to be a success.

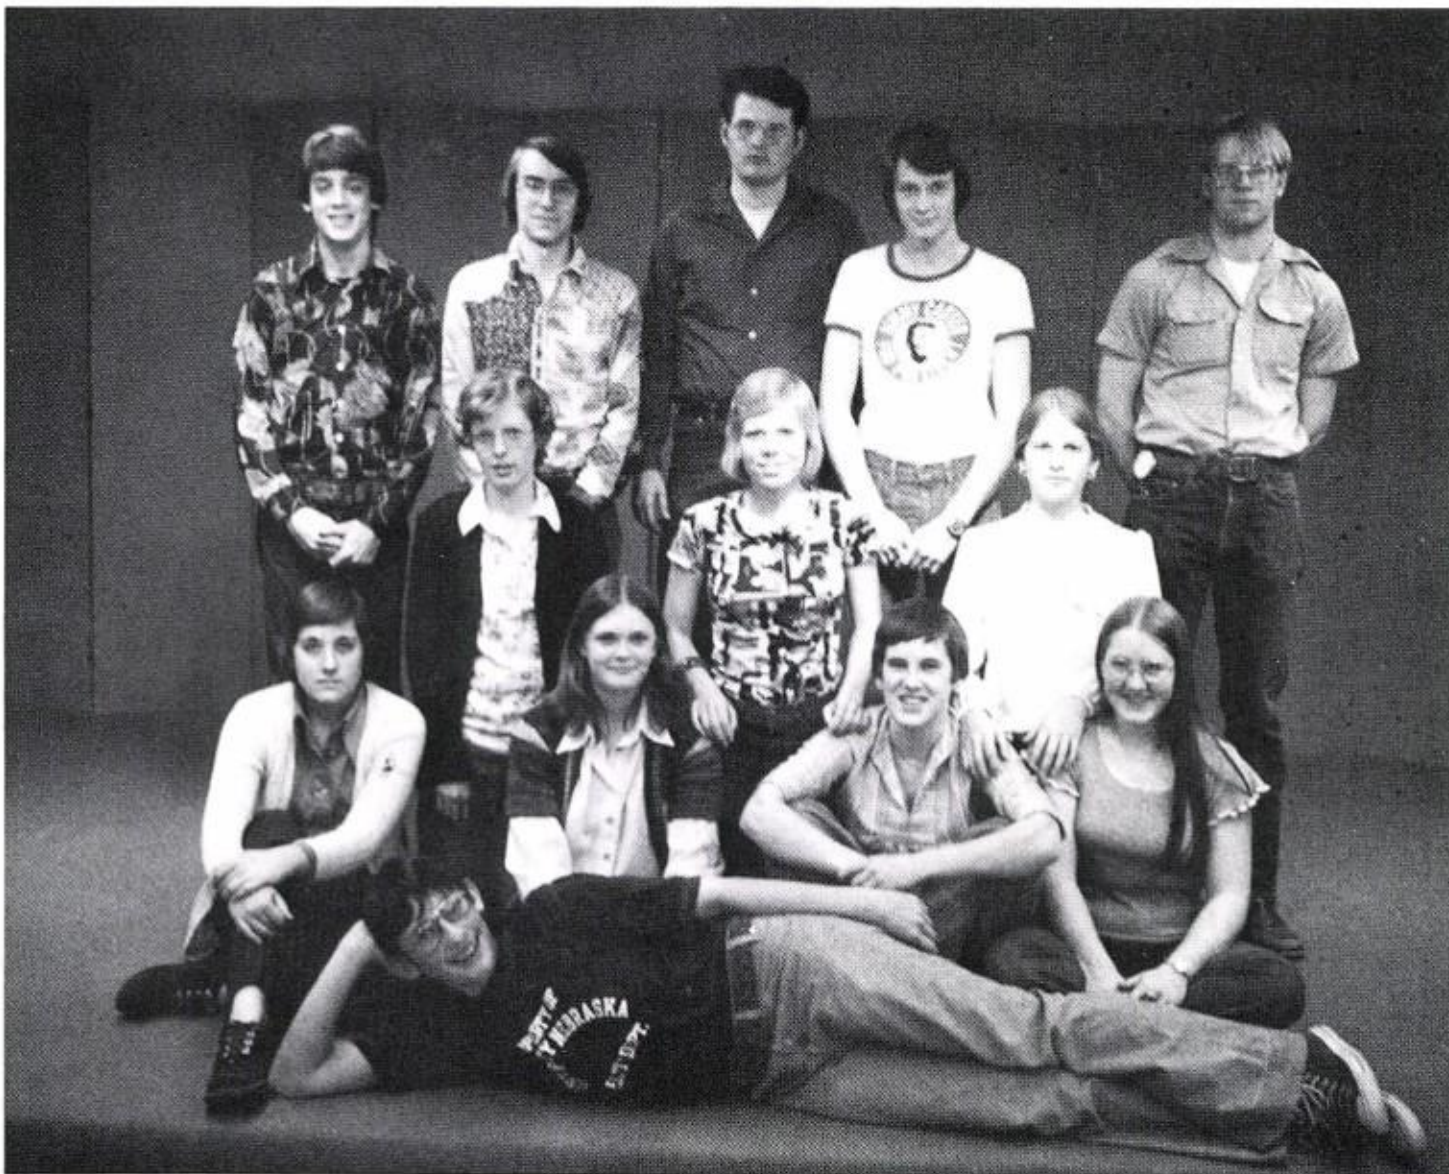

Presenting The Kosmet Klub

Kosmet Klub takes time off from acting for fun.

Kosmet Klub provides a time for students interested in acting, technical theater, and stage entertainment to gather as a club. Meetings were held every other week on Tuesday and Thursday. Refreshments were provided by members at meetings.

One or two people put on acts during these meetings for the rest of the group. For this and other acting done at the various school plays, they receive points toward the National Thespian Society. Eighty points were necessary to become a member. Mr. Ronald Veburg acts as sponsor for the club.

Three organizations that were active were Rifle, Bowling, and H-Club.

Rifle Club sponsored by Mr. Pratters, was for students who had a steady hand and a sharp eye. Meetings were held on Tuesdays and Thursdays after school. "Most of our meetings were spent preparing for competition," said Scott Guthrie.

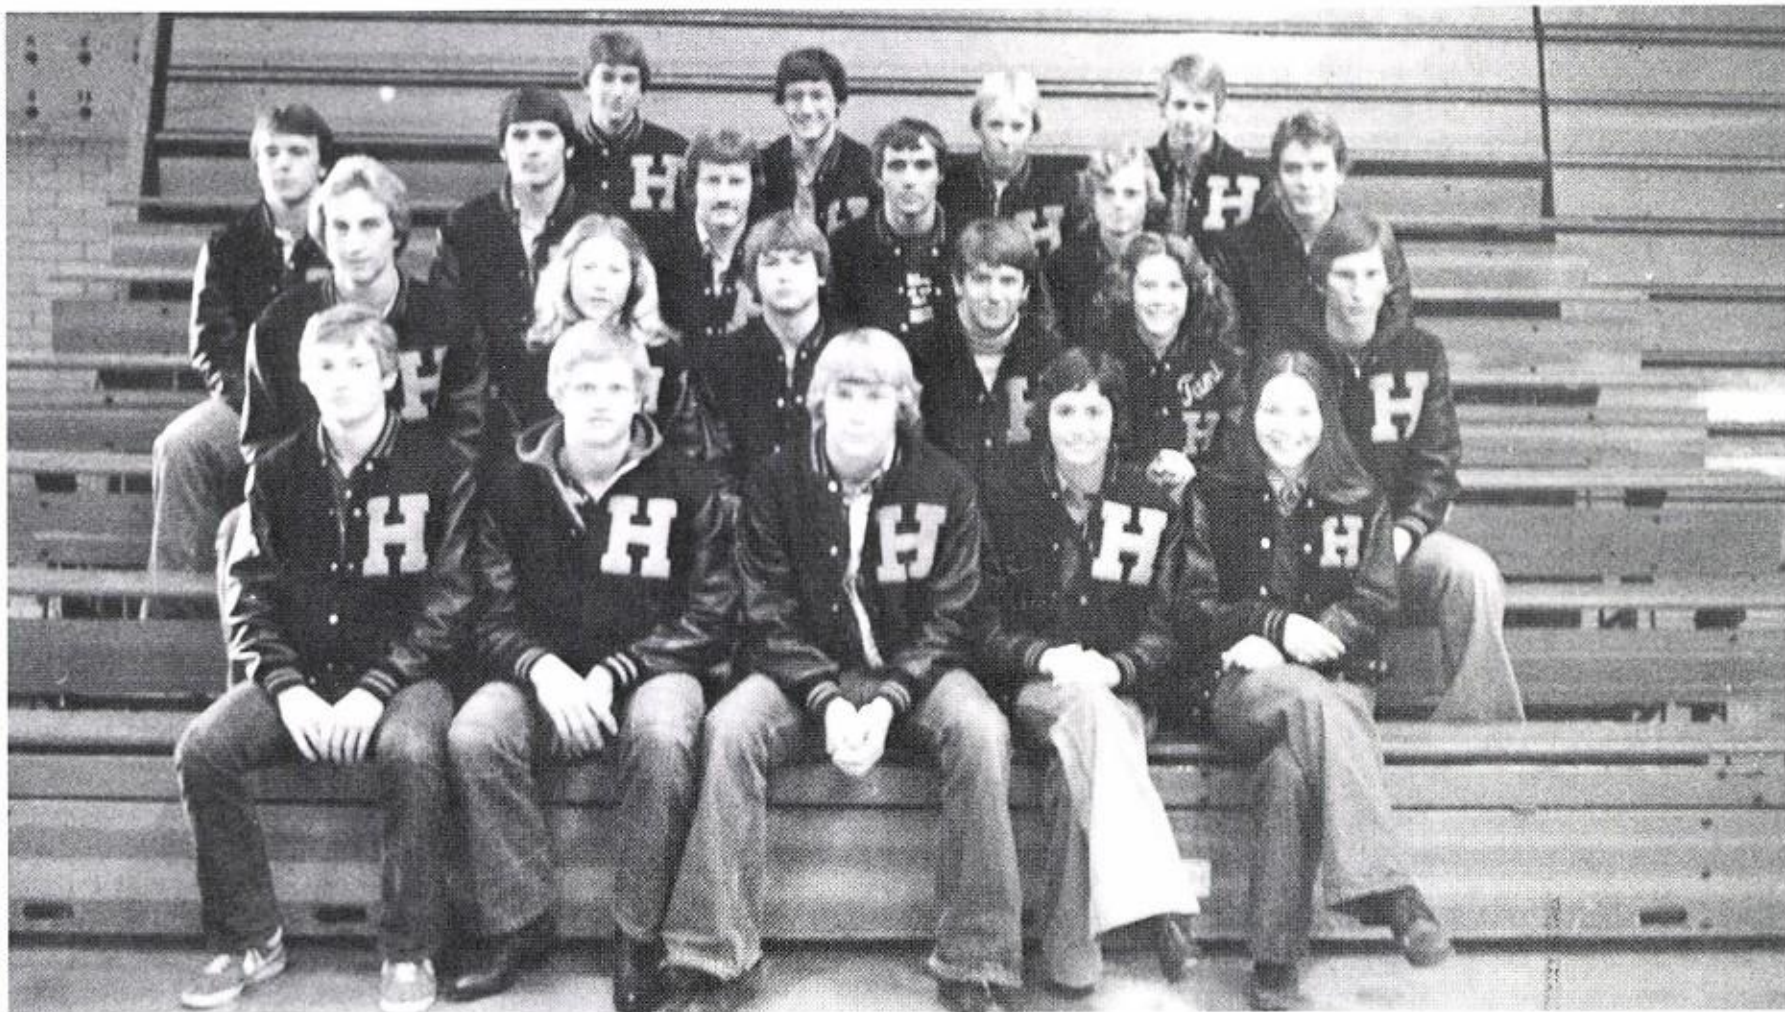

Bowling Club, sponsored by Mr. Glen Marshall, met every Monday at 3:30 to bowl in the school's winter league. Outside of the regular leagues, several

tournaments were entered. They were: Christmas-Doubles, Parent-Student, Post Season, District, and State.

The newly organized H-Club was sponsored by Mr. Jim May and Miss Cindy Irwin under the direction of Mr. Jerry Kroeger. Students were entitled to membership if they had lettered in a sport. The club had two fun raising drives. They were the Benefit Basketball game, when the faculty battled it out with the N.U. football seniors, and the H-Club dance.

"Resolved that the development and allocation of scarce world resources should be controlled by an international organization."

The varsity and novice debating teams, sponsored by Mr. Graves, spent their class time and two days before or after school looking for evidence that related to this topic. By doing so, they hoped to be prepared for their Saturday tournaments.

The debating teams started with 41 members, but only 22 loyal members lasted the full year. One student said, "I'm glad I stuck with it; I've learned to use actual materials and resources to support my opinion and I've met a lot of my friends through Debate."

"Keep smiling Mr. Hubka, It makes people wonder what you've been up to!"

D.E.C.A. members during the 1975-76 school year were not only kept busy by running the Swap Shop, but also had many other fund raising activities. Some of these included selling Hastings a Spirit buttons and the annual car wash in the spring.

The money earned from the activities was spent toward the highlight of the year, "the D.E.C.A. State Leadership Conference" held in Omaha on February 26-28. This is where many of the National chapters meet and have competitive events in salesmanship, display, advertising, and career opportunities.

"D.E.C.A. is a business organization developed to give students the opportunity to be recognized for their accomplishments," said Mr. Hubka, the sponsor. "It also helps in social skills and that's just as important."

The Tiger Cub produced 15 issues during the 1975-76 school year. Issues were handed out every other Friday. Highlighting the year was a special bicentennial issue which came out March 26. Editor Tom Asbury experienced all the trials and tribulations which accompany the title Editor. He also admitted that it was fun. Mr. Houtz, advisor, said, "The Cub staff did an excellent job. They worked as a team and produced a good paper."

Cathy Norman, Kelly McGinnis, Cindy Arnold, and Rick Minnick seem hard at work.

Still crazy after all these years? If you asked Mr. Houtz this question about the yearbook staff he would probably answer an emphatic yes. Through all the craziness the staff managed to produce the '75-76 yearbook.

It may have looked like a madhouse, but actually it was a workhouse, especially for Editor Kelly McGinnis, who put in a long hardworking year. The jokes and fun made the long year seem short. As deadlines drew near the staff, photo staff and Mr. Houtz worked together and managed to meet the deadlines.

Bicentennial Year Leads Juniors Into '77

The big question for most juniors in 1976 was concerned with future plans. Plans for their final year of school were beginning to play an important part in their thoughts. A big decision for most juniors was choosing courses that would fit with after-graduation plans.

Strong on participation, the class of '77 was involved in more sport, social, and academic activities than ever before. Each organization reflected the individual interests of the juniors and their plans for '77.

Juniors were involved in many new and different things during the year. In American History, juniors served as an experimental group in micro-money communities. The history teachers put their students in real life economic situation, to help prepare them for their future.

In the all-school Broadway musical FUNNY GIRL, juniors took many of the lead roles, as well as participating in the chorus. Debate proved an award

winning experience for some juniors planning to go into law.

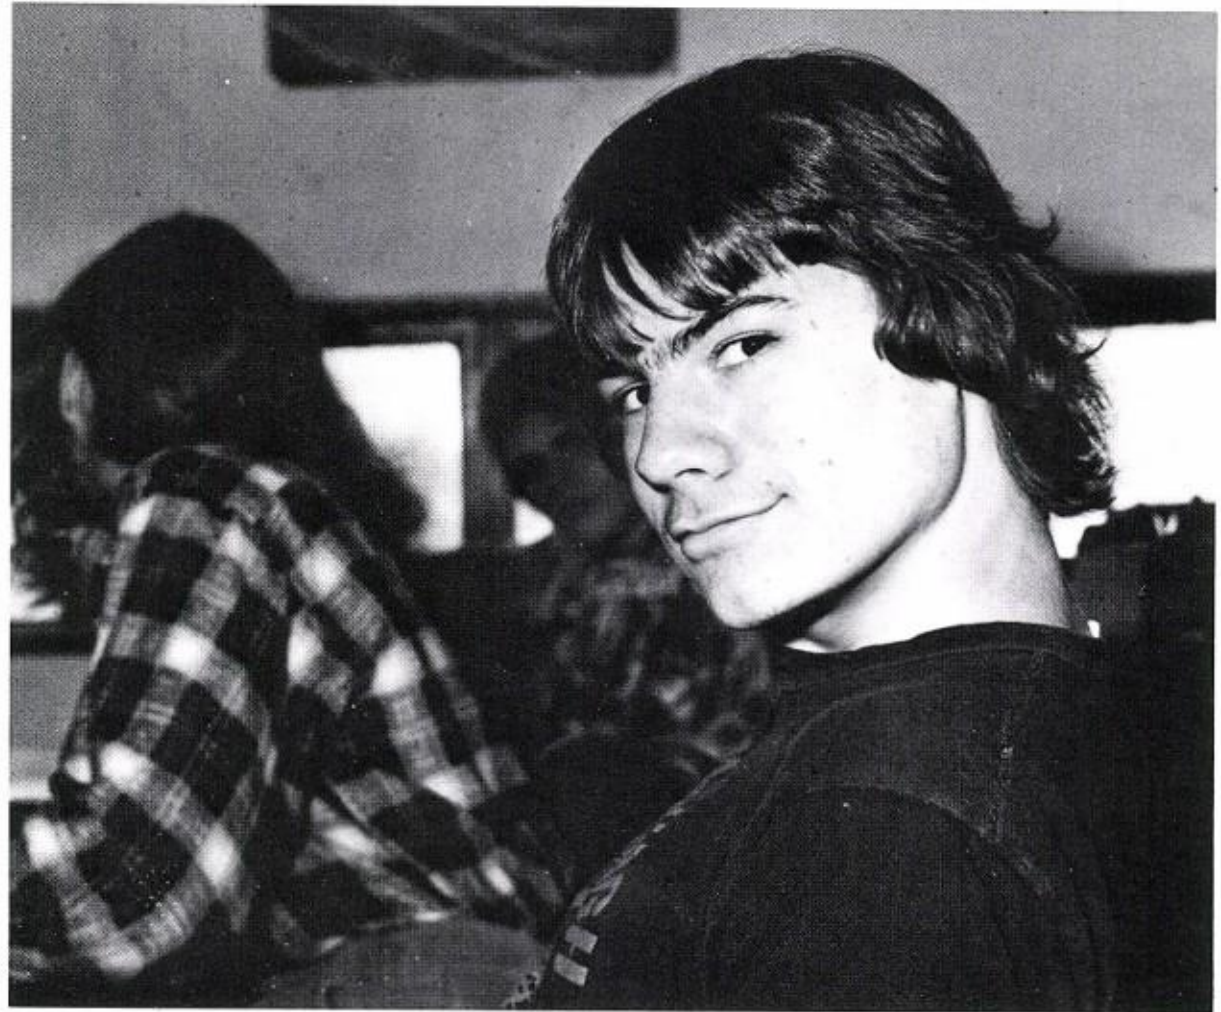

Juniors also played an important part in sports this year.

Many leading players in boys and girls basketball, tennis, cross country, swimming, and football were juniors.

Juniors also planned and

prepared for the Junior--Senior Prom, and made a float for the Spirit parade. The float tied for first place.

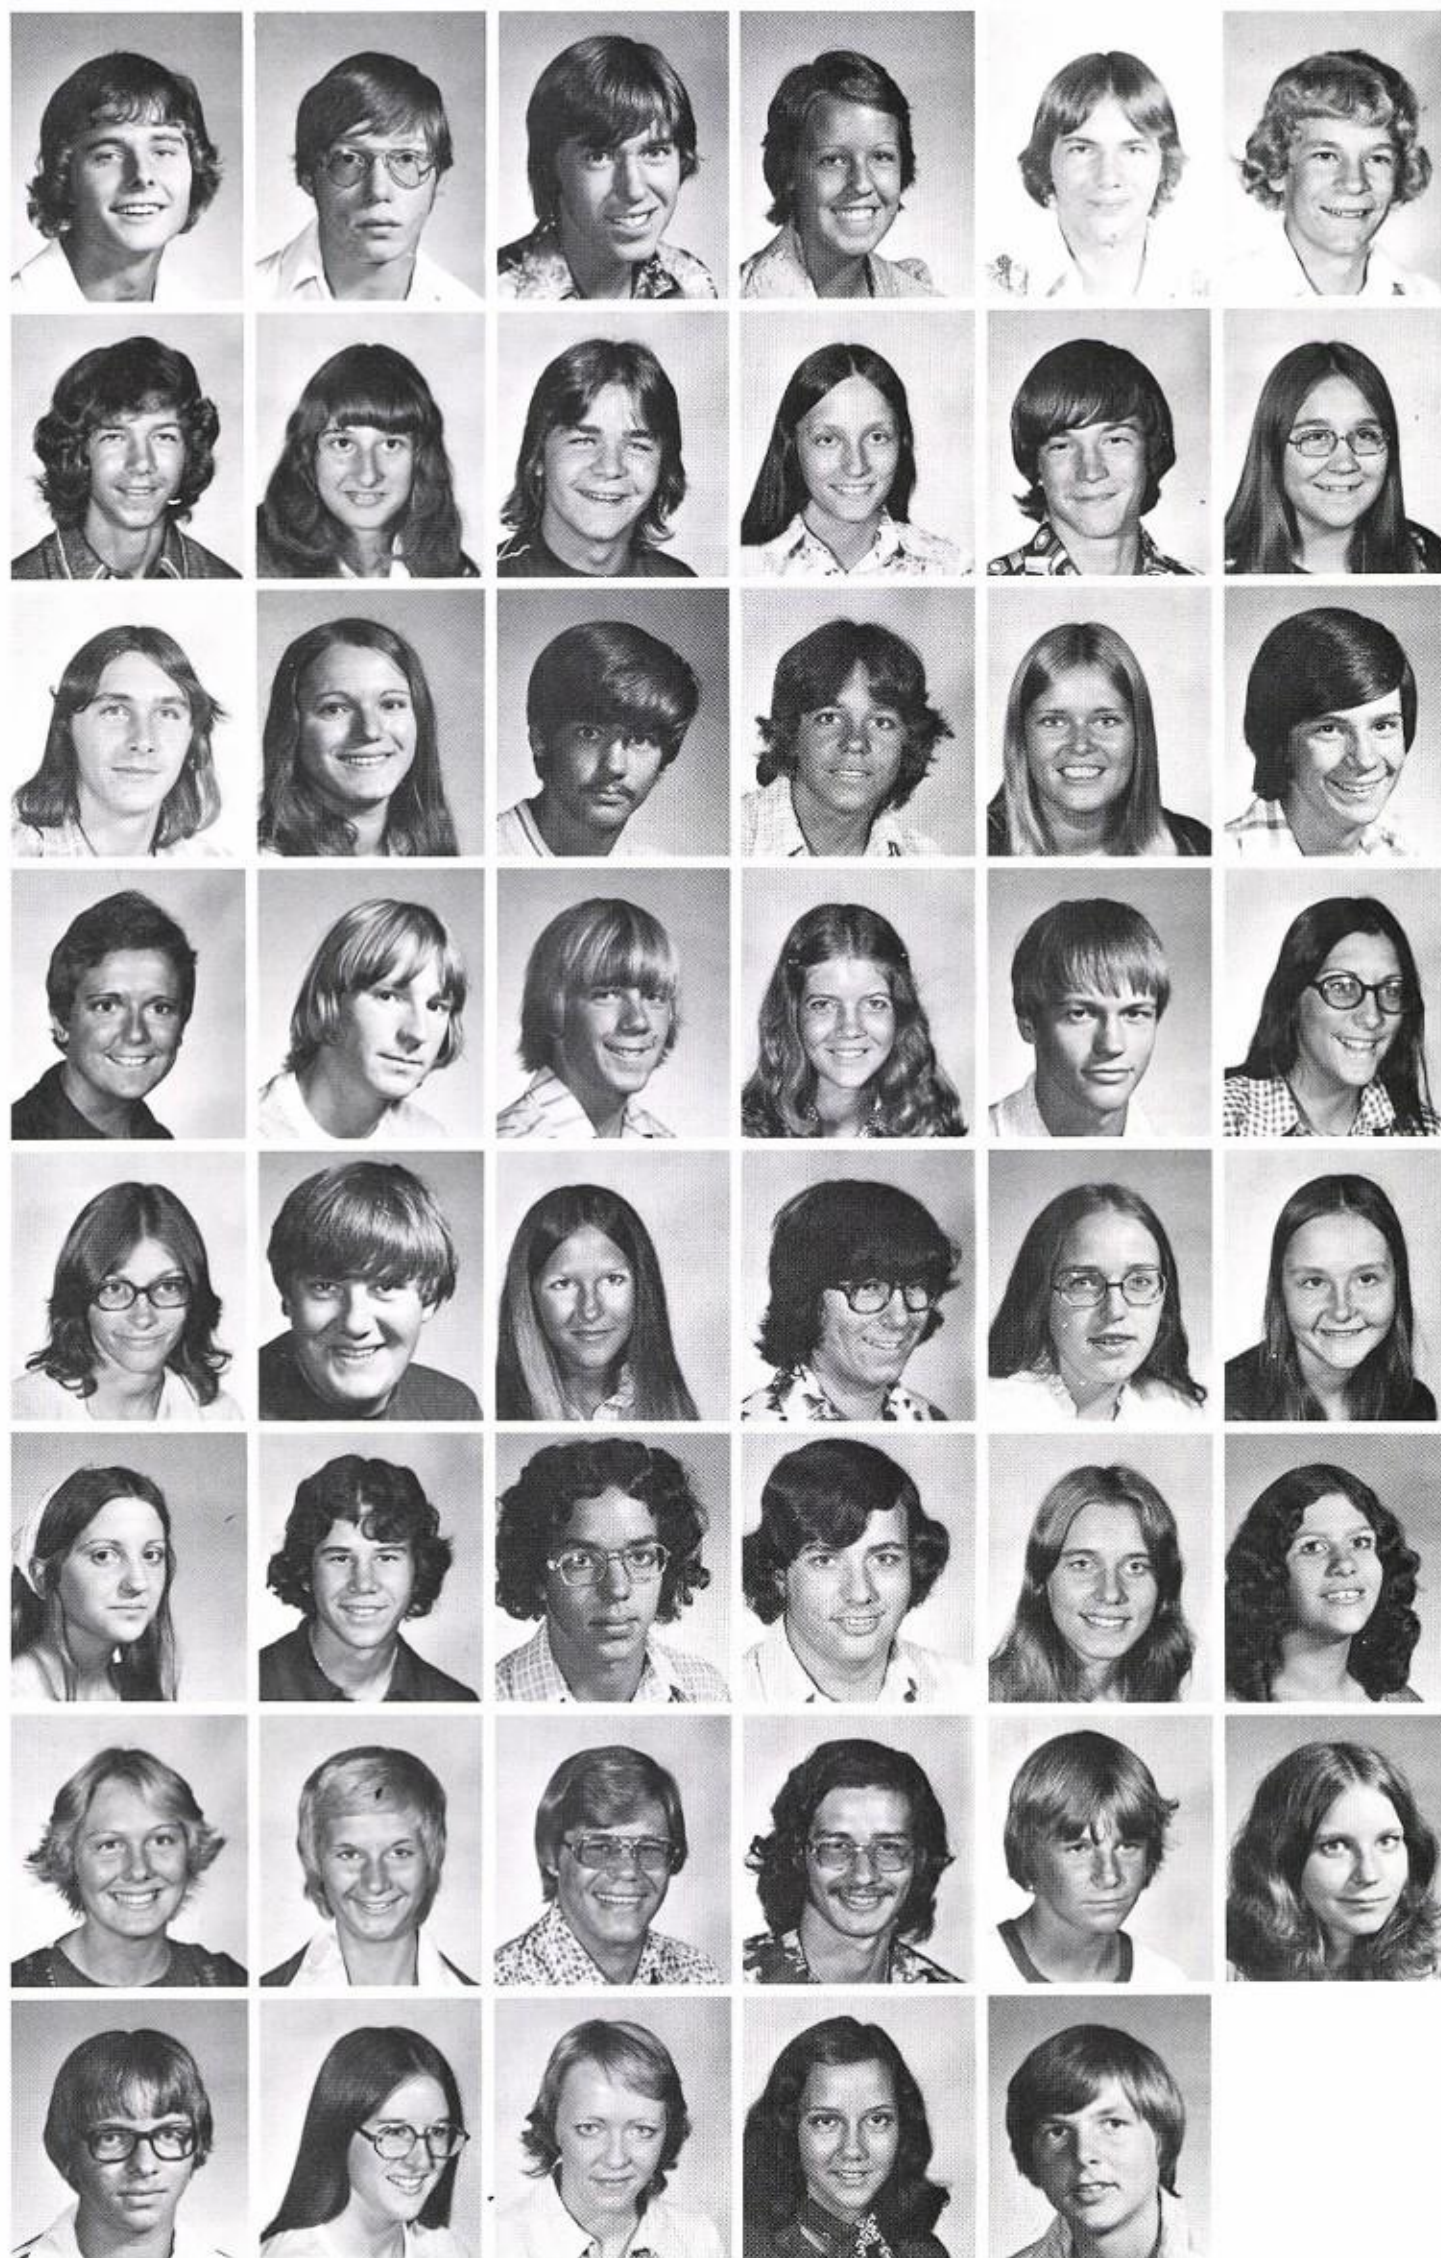

Tigerettes, Cheerleading, Band, Choir and many other activities involved the Class of '77, as they completed their next to the last year.

John Marsh has a look of contentment that seems to say, "Everything is real cool."

Roger Ahlman runs a leg of the Two Mile Relay. Roger had a year hampered by injuries.

The big story this year at Hastings in track was the record setting, Gold Medal Champions Mile Relay team. They set the Trans-Nebraska record, Big Ten record, and the District record. The only thing that kept them from a new state record was the rotten weather at the State meet.

"We, the coaches, were surprised at the beginning of the year with how good they were. We were not surprised at State when they won, they had better times than all the other teams, and they didn't choke," said Coach Bob McAuliff.

Gary Monson was a big

story in himself, winning the Trans-Nebr 440, Big Ten 440, second at District, and the Gold in Class A at state.

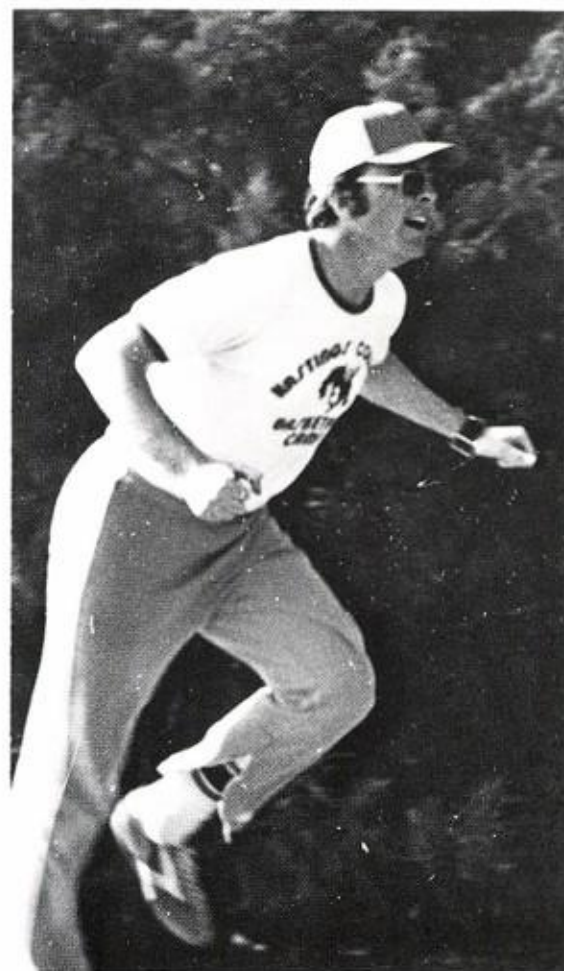

Bob Reichert was a big success story this year. He won third place at State in the Class A 880 yard run, and was a member of the Gold Medal Mile Relay team.

Zac Lowe promises to follow in the steps of Monson. Zac had a faster 440 time his sophomore year than Monson.

Mark McVicker and Scott Engelhardt were the point getters this year for Hastings in the discus throw.

The distance runners show why they were so good, by walking their workout.

Coach Ribble says "I'm struttin my stuff ya'll."

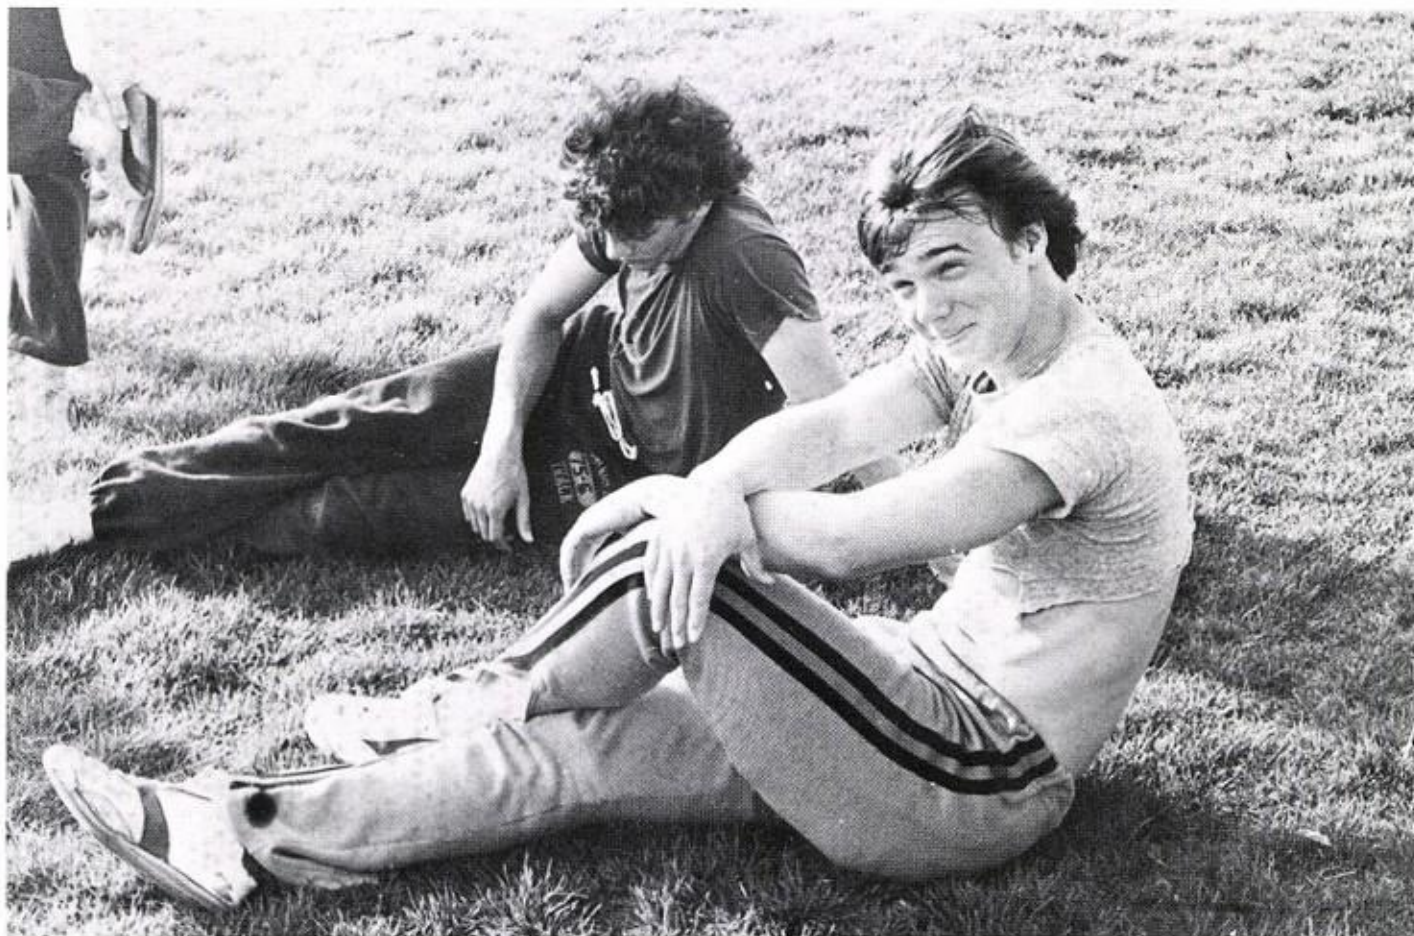

Jim Miller sprints at the end of his leg of the Two Mile Relay.

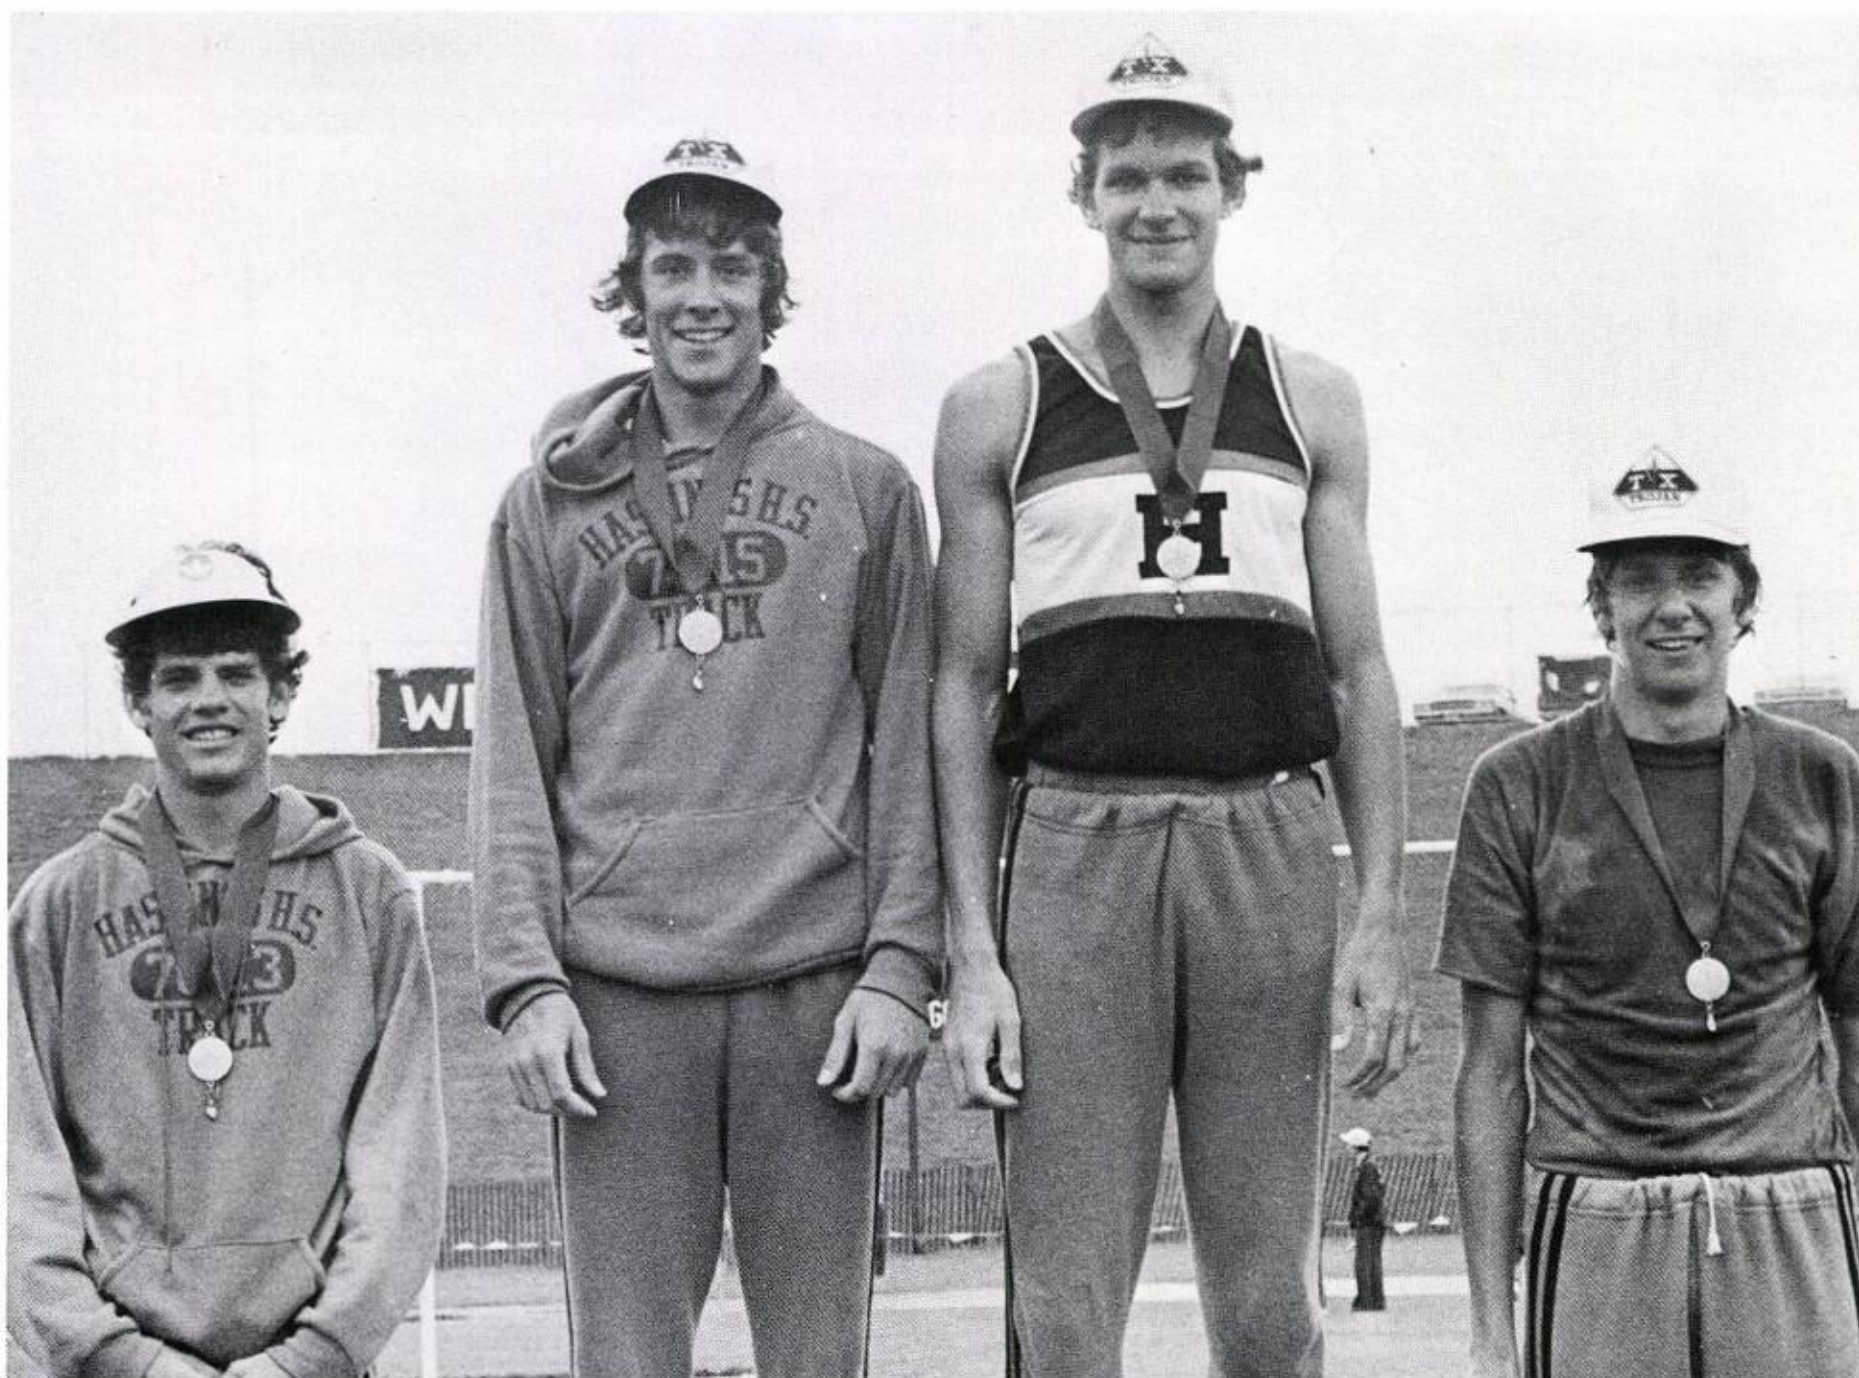

Bob Reichert breaks the tape for the Two Mile Relay team.

Girls Track Team Builds Experience

The girls track team gained a lot of experience this year under the leadership of junior standout Lori Coulter. Coulter was the leading point scorer of the year with 117 1/4 points. Coulter participated in the shot-put, discus throw, high jump, mile relay, and 440 relay. Sophomores Mary Houtz, sprints and long jump; Cindy McDaniel, 880; Shelly Spilinek, 440; and Christy Moorehead, mile also provided scoring for the Tigers. Coach Walters said the team had good experience but would be weak without the sophomores. Coach Walters is expecting some good sophomores next year and a good team, also.

Junior Lori Coulter puts everything she's got into her discus throw.

Girls Tennis Team Takes Fifth At State.

Hey Coach Irwin! A penny for your thoughts??

The highlight of the girls tennis team this year was taking a fifth at state. The team ended it's season with a 5-1 record. The top three girls who lead the team were, Junior Cheryl Brown, Sophomore Mary Vaughan, and Senior Sue Dwyer. Coach Cindy Irwin commented that the girls did a great job for their first year and she's looking forward to a good year next year. Senior Jeanne Beck and junior Lauri McElhinney also helped the team to their victories--a fifth at Trans Nebr. and a fourth at Big Ten.

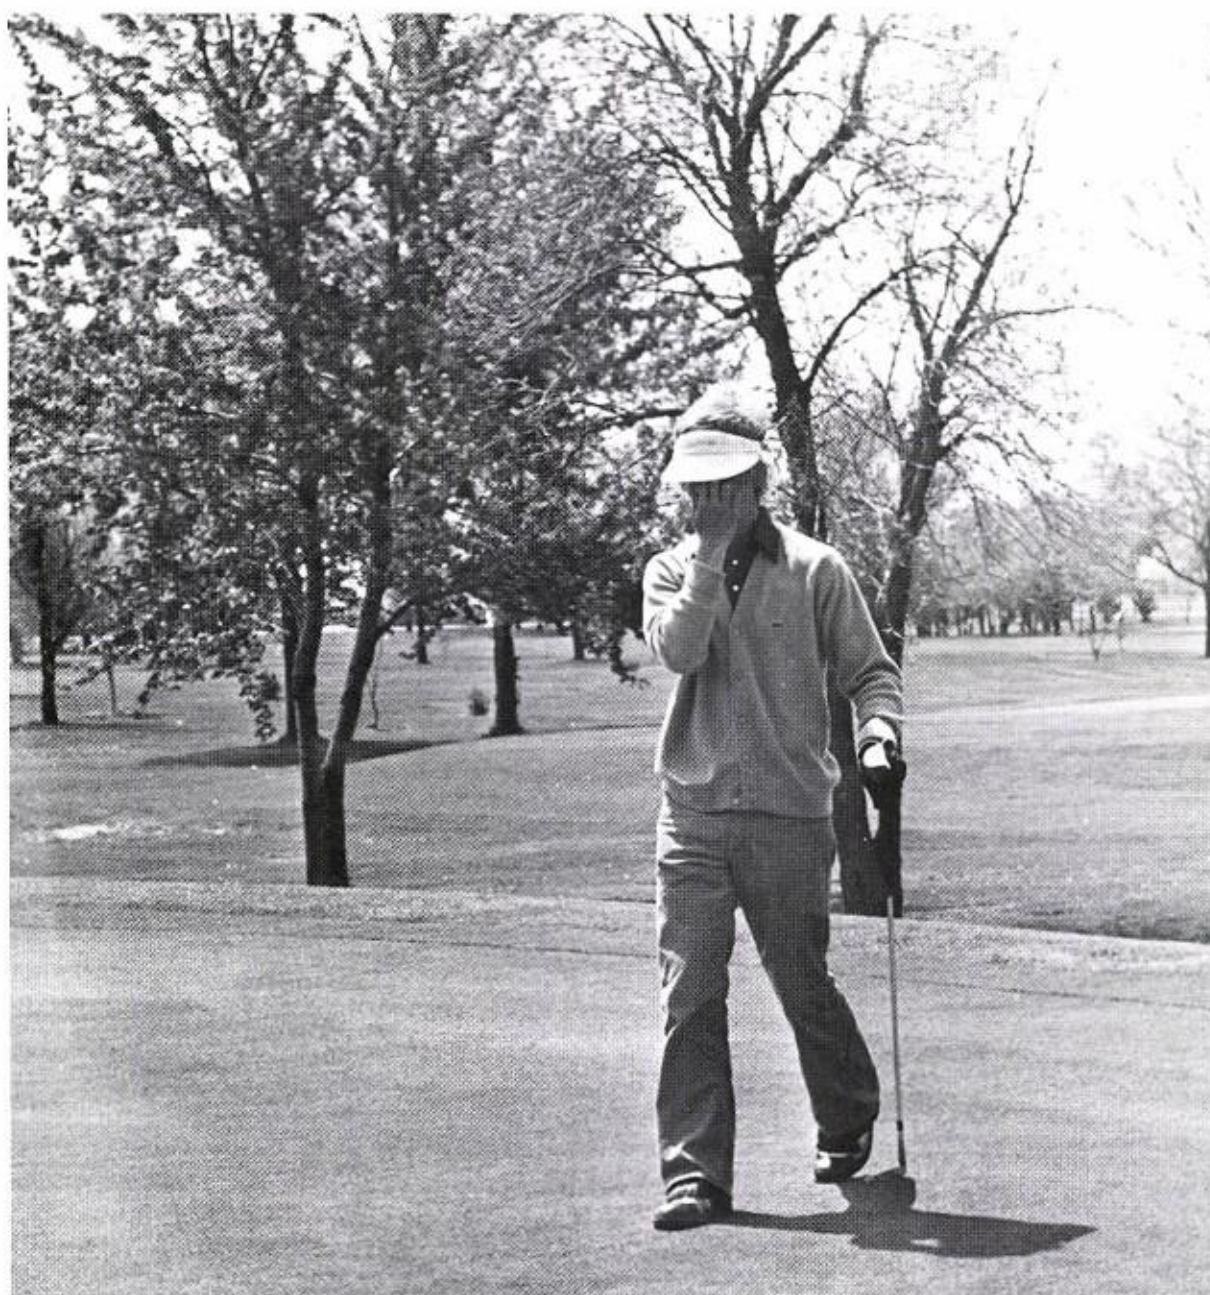

Golf Team Lacked Experienced Players

Chris Johnson, a promising freshman, looks for his ball after his chip shot.

Tom Asbury and Bob Wilson (freshman) start up the fairway in search of a ball.

Tom Asbury hides his face in disgust after missing his putt. Tom was one of this years most consistent shooters, and placed well in all meets.

This year's Hastings High golf team had three freshmen on it, which would not be all too promising for a year or two until they get the needed experience.

Tom Asbury was this year's best golfer for Hastings high, and has been an outstanding performer while going to Has-

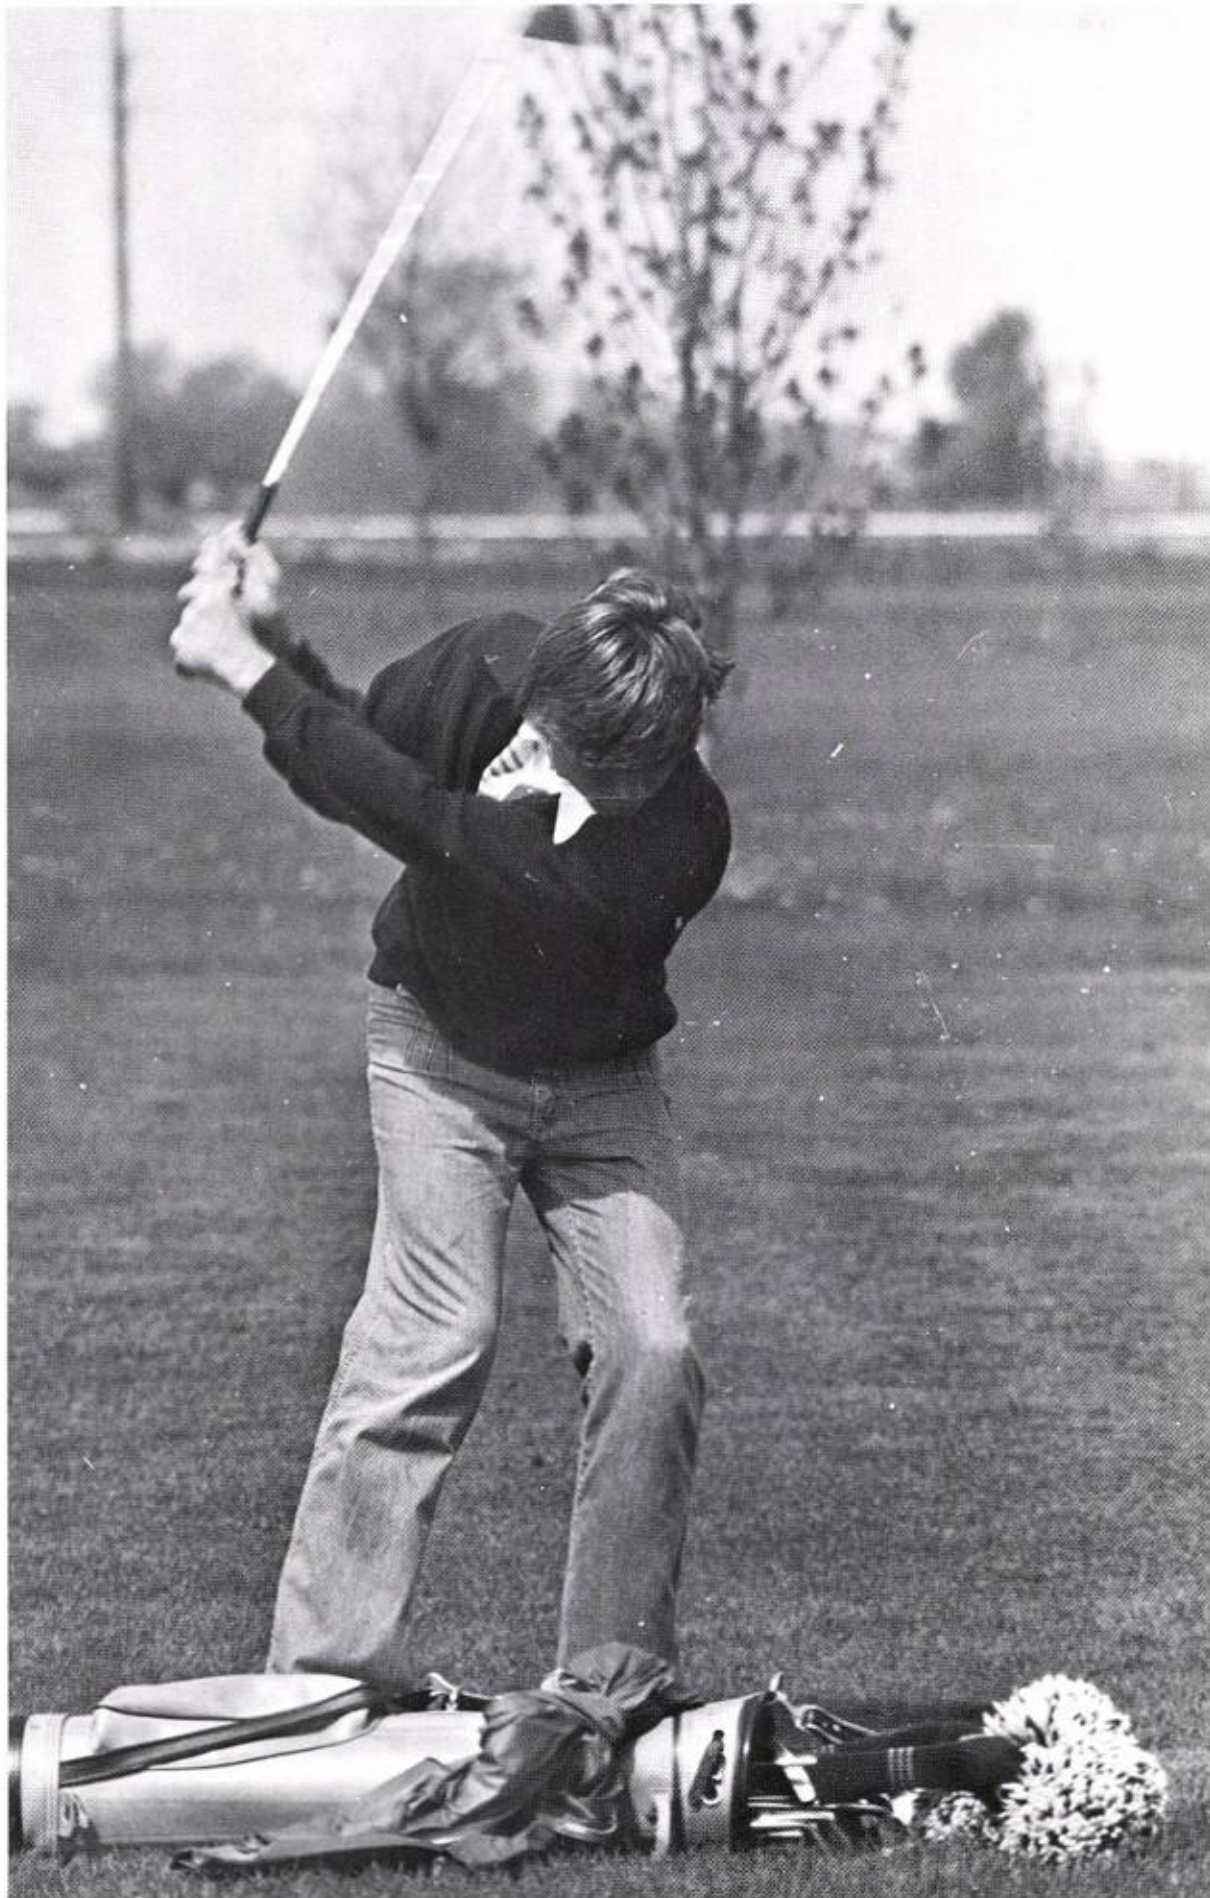

tings.

Jeff Ricketts was also a top performer his senior year. He improved greatly since his junior year.

Members of this year's golf team were: Chris Johnson, Terry Meyerhoffer, Bob Wolcott, Tom Asbury, Jeff Ricketts,

Tom Johnson, and Mark Thiel.

Next year's golf squad will be young, but they will have a year's experience under their belts which will help them in the long run for a good year of golf for Hastings High.

Jeff Ricketts winds up with his iron to try and put the ball on the green. Jeff finished a fine three years of golf for Hastings in his Senior year.

Terry Meyerhoffer, Freshman, gets set for a chip shot.

8:00 p.m.

FUNNY GIRL is produced by arrangement with, and the music dialogue material furnished by TAMS-WITMARK MUSIC LUBRARY, Inc., 757 Third Avenue, New York 10017.

During February of the Bicentennial year Hastings Senior High presented several outstanding performances of the Broadway musical FUNNY GIRL. It consisted of popular jazz and ragtime themes that corresponded with the personal and professional life of Fanny Brice, played by Tami Petersen and Julie McCreedy. The lead man, Nick, was played by Paul Lundeen and Curt Clowe.

The musical FUNNY GIRL had not been performed much on a high school level because of

its challenging roles and musical score. Hard work and many hours were put into preparations not only by the cast but by the dancers, chorus, production staff, and the orchestra.

Mrs. Nadine McCreary, director, said, "The efforts and attitudes of the cast, chorus, orchestra, and stage crew were the factors that made the show the success it was. Talents are always necessary, and the talents were certainly there, but efforts and attitudes are what pull a show together."

Orchestra and dancers performed during the Broadway musical FUNNY GIRL.

Large production numbers like 'Sadie' gave many members of the student body a chance to appear on stage.

The combined efforts of Mr. Ron Veburg, Mr. Louis Pratters, Mr. Herbert Hough, Mr. Joe Ahlin, and Mrs. Nadine McCreary made the production a success.

Paul Lundeen straightens Steve Dedrickson's tie as Les Howard looks on.

Memorizing the lines for THIS scene was not difficult for the cast members.

Mrs. Brice's friends (Dana Sanderson, Julie Jacupke, and Cathy Burke) teach Nick how to play poker.

Flamingos Star As Hollywood Favorites

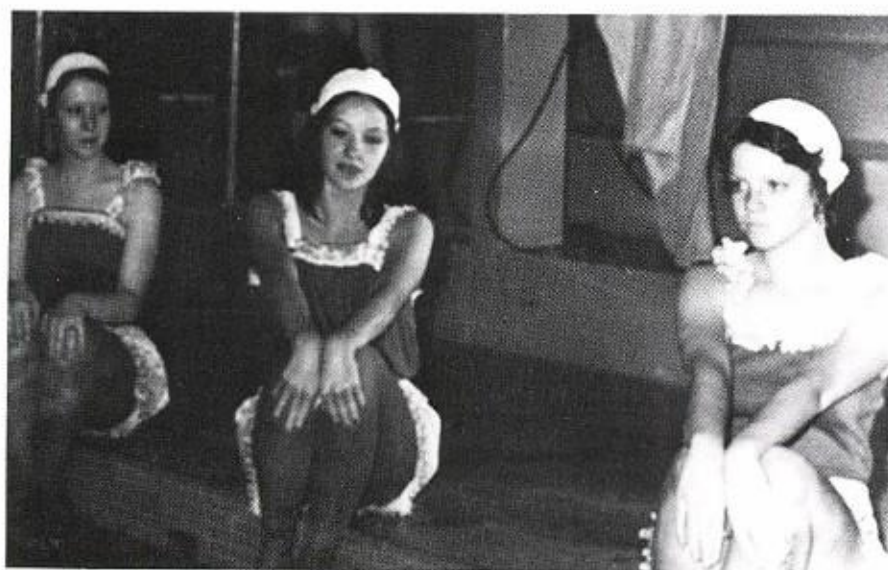

"There's no business like show business" is a phrase you may have heard from the 1975-76 Flamingos as they presented a tribute to Hollywood Favorites. Curt Clowe and Mary Vaughan were the M.C.'s for three star-studded evenings of Flamingo performances.

Fourteen acts starring twenty sophomores, junior, and senior starlets, made up Hastings High's HOLLYWOOD FAVORITES. The junior boys had their own idea of Broadway by performing and producing their own routine of "There's Nothing Like a Dame". And a star was born as Senior Soloist Carol Rankin displayed her talents in her solo.

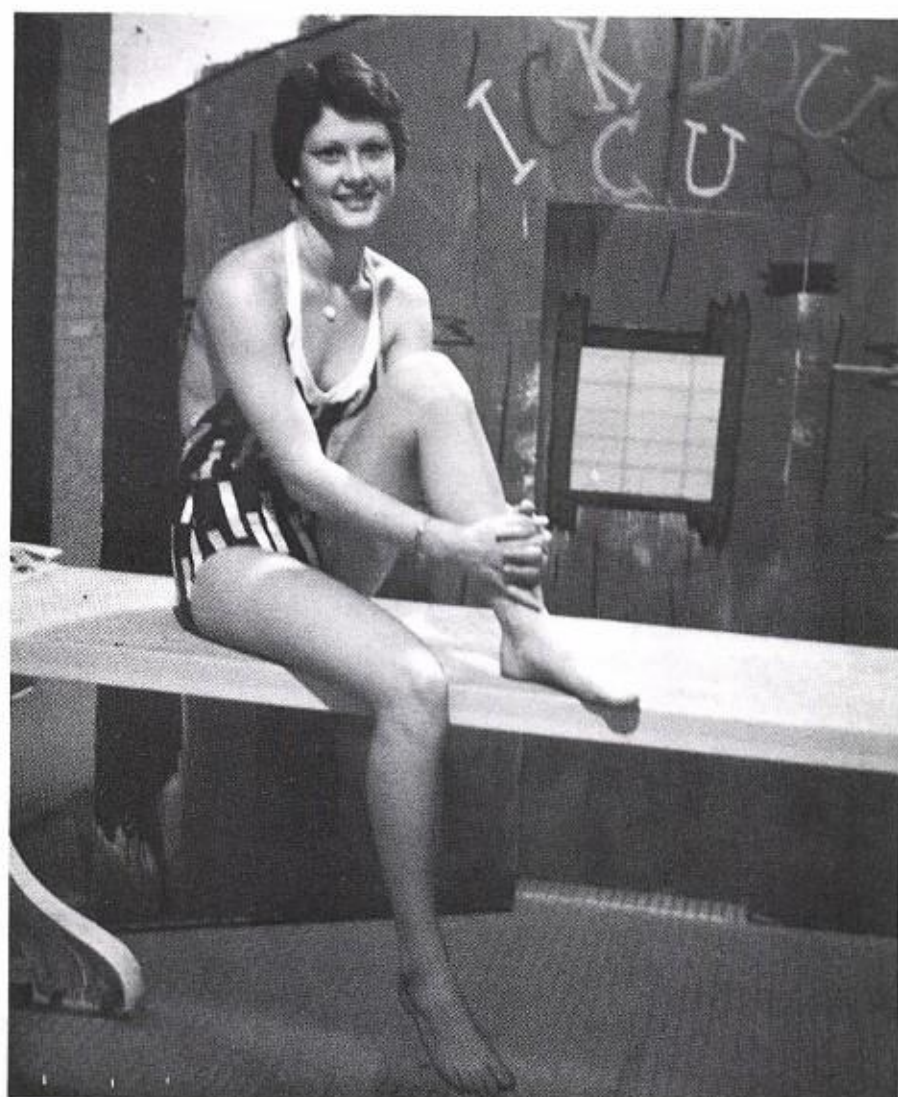

Mrs. Lewis was the sponsor. Officers were Nancy Yost, President; Carol Rankin, Vice-President; and Sue Riggins, Secretary-Treasurer.

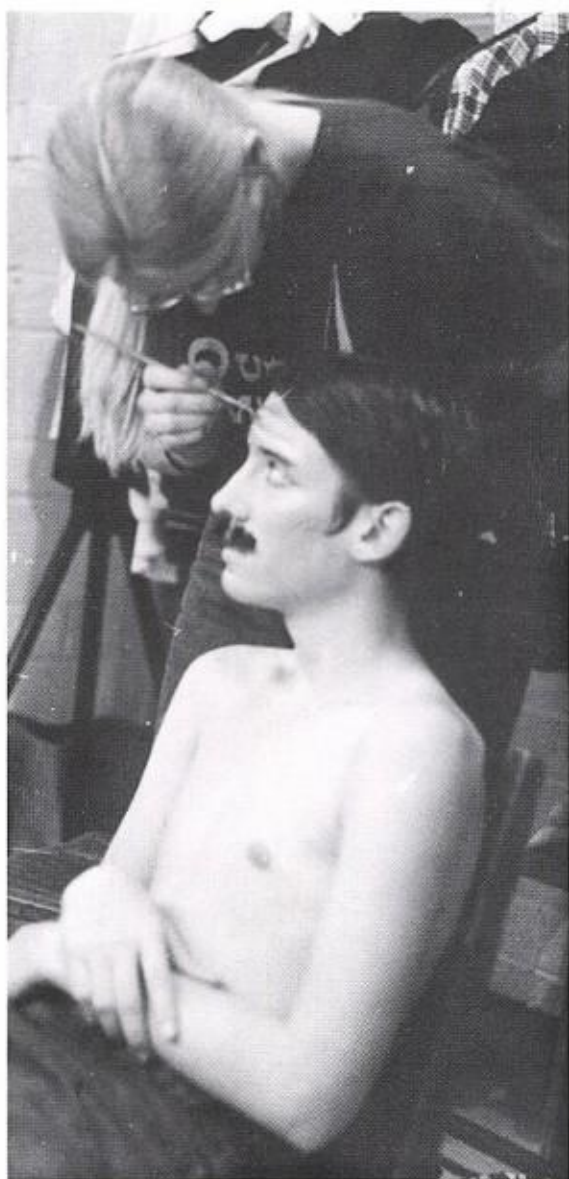

Everyone in favor, raise your right leg.

Lisa Lierman, Barb Beck, and Meg Coulter are ready for action.

1976 Flamingo Senior Soloist Carol Rankin.

A make-up job is done on Loy Watley.

Mrs. Gibbs, (Shelley Rhoades) and Mrs. Webb, (Marie Welsh) are two of the several interesting characters in the bicentennial production of OUR TOWN.

1976 Spring Play Concerns Life, Death, And Marriage.

A touching marriage ceremony unites Emily Webb, (Kim Miller) and George Gibbs, (Robb Dudek) in holy matrimony.

OUR TOWN, a play which takes a look at life, death, and marriage, was presented as this year's spring play. It was the third play presented by the student body this year.

Twenty-six students acted in the production, while fourteen helped behind stage and as directors.

Several practices were held in preparing for the play. Performances were held on two separate evenings.

"Once Upon A Time" Was Theme For Jr-Sr Prom

Prom was not just one special night, it was an event which was thought about and planned for many weeks. Members of the junior class worked many hard hours in preparation for the big night. For Prom 1976 the juniors chose "Once Upon A Time" as its theme.

For many weeks before the prom the juniors could be found in the wrestling room making the decorations. The Friday night before the prom the gym was transformed from a simple

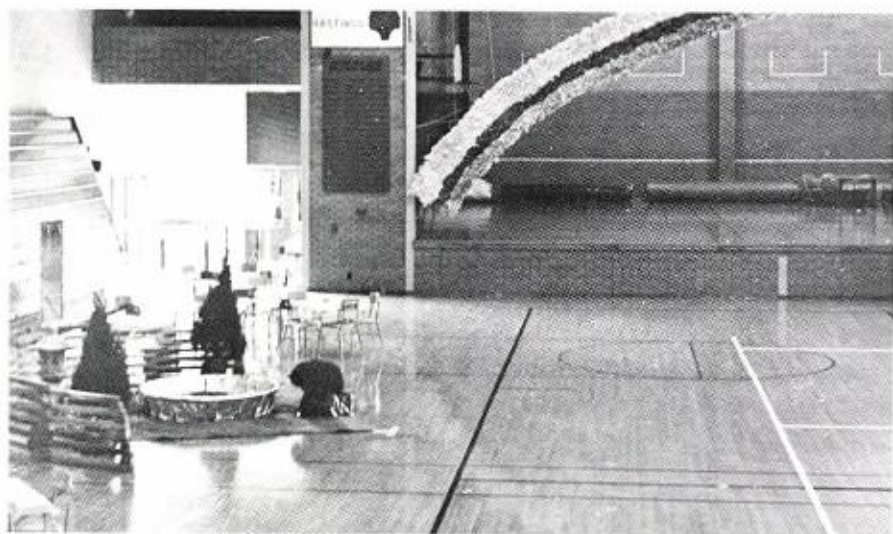

place to have P.E. to a fantasy land.

Couples entered by walking down a yellow brick road through doors shaped like keyholes. A rainbow, fountain, swing, and mirrors completed the decorations.

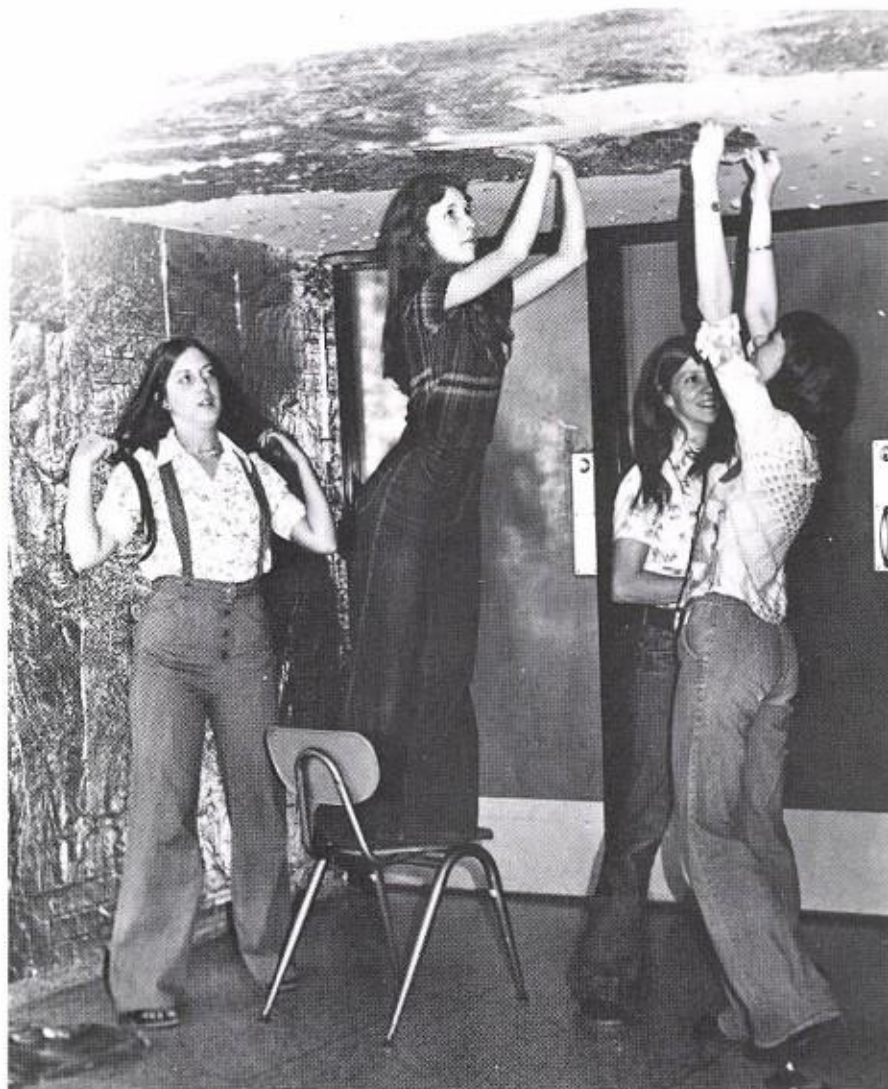

Beginning at 9 o'clock couples danced to the music of Free Stone South. At midnight the 1976 prom and all its happiness ended. But in reminiscing it will always be remembered as "Once Upon A Time."

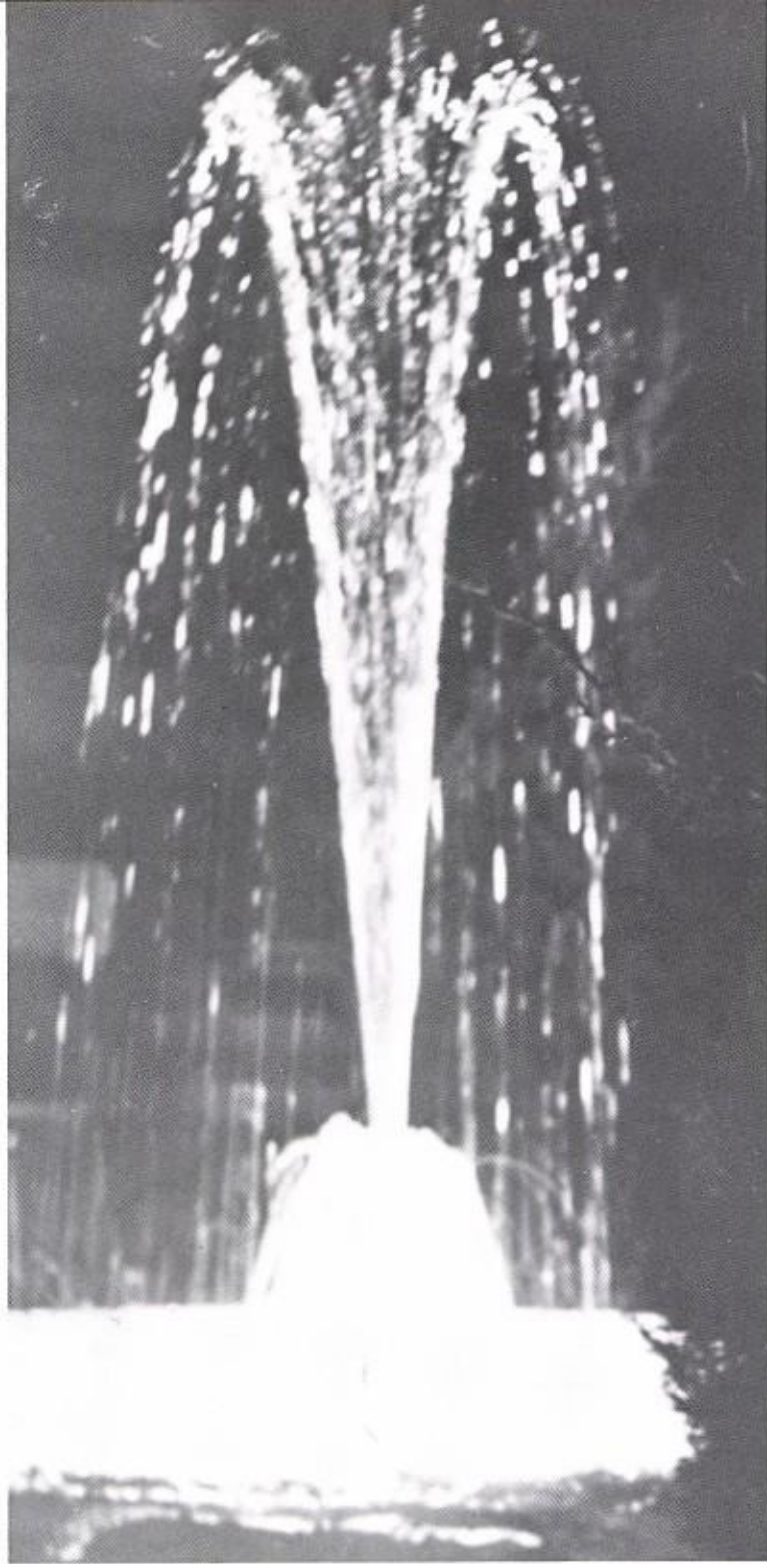

Terri Richardson and Jane Stickles do the bump while Gary Johnson looks on.

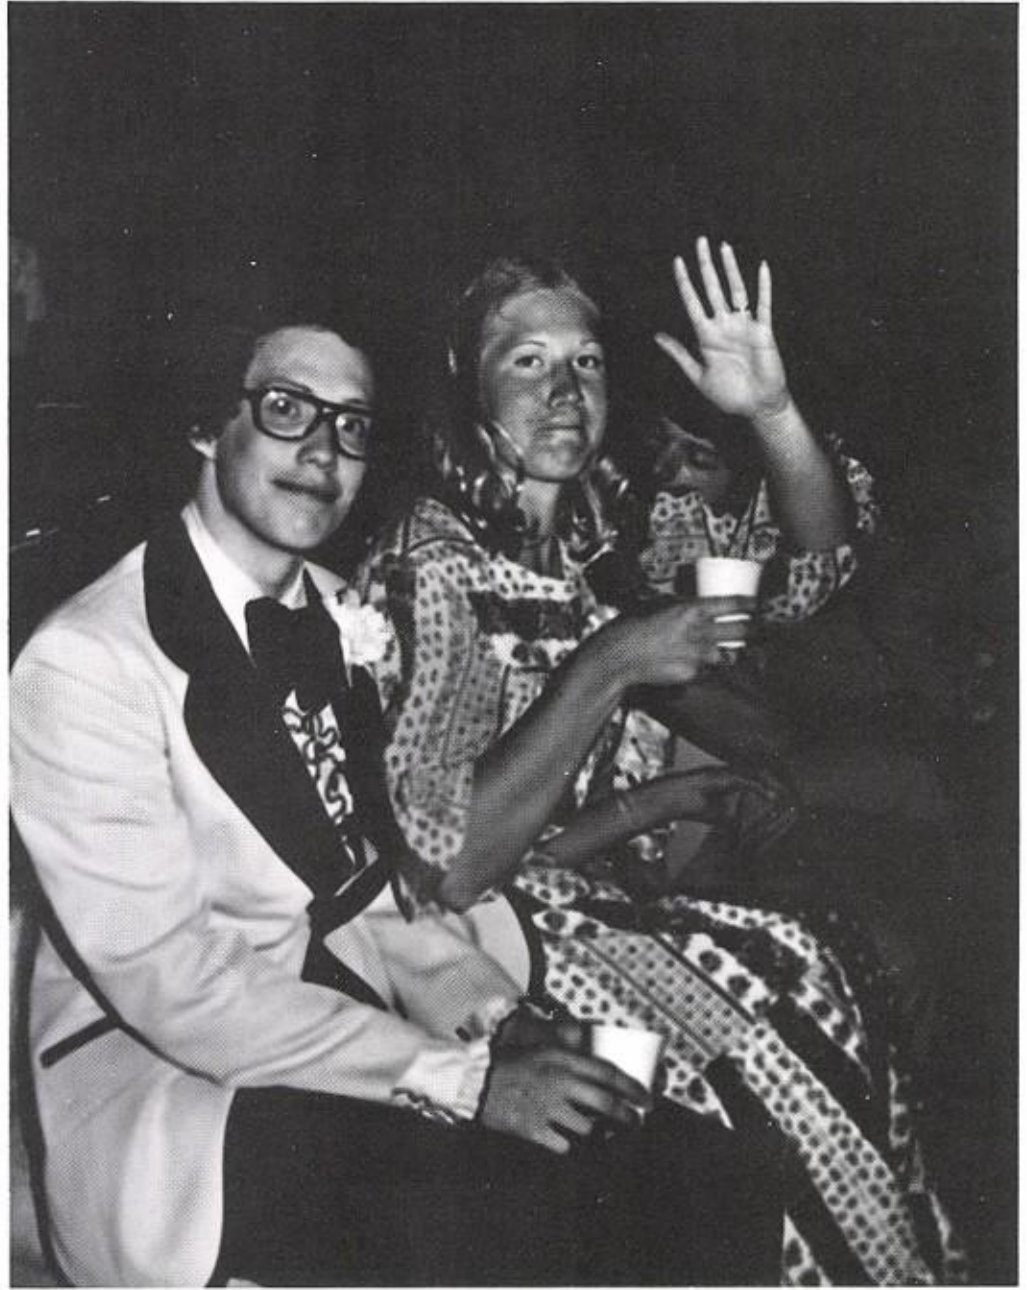

The gym is all decorated and waiting for the crowd.

Not only junior boys get in the picture. These junior girls; Terri DeBacker, Kim Dunham, Chris Heeren and Linda Weiss, seem to be doing their fair share.

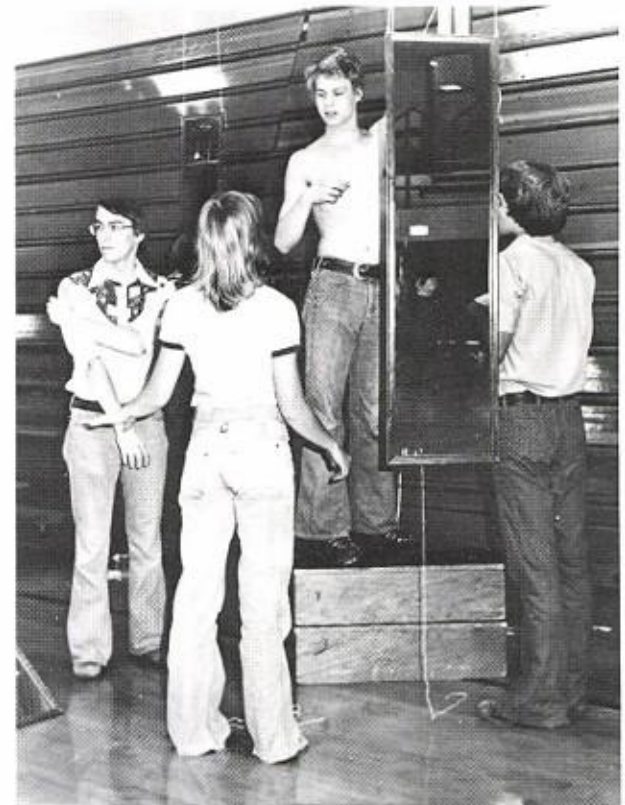

One of the main attractions at the prom was the fountain.

Terry Beahm and Kim Kroeger find the Mall a good place to relax.

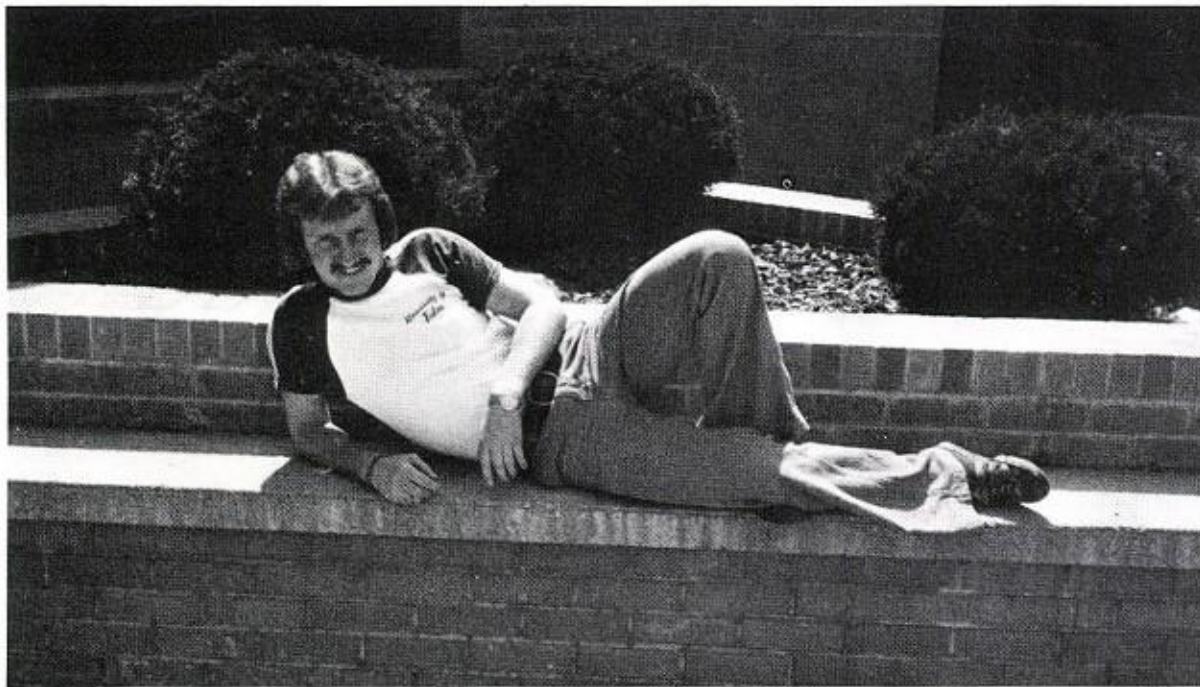

Lori Coulter, Brenda Kitten, Brent Robinson, and Dave Rose take a break at prom.

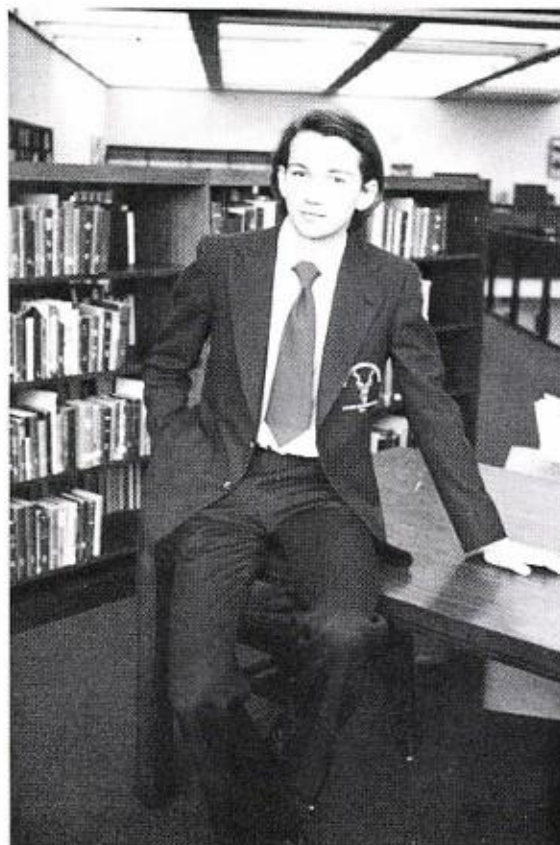

Juniors Rob Dudek, Julie Lake, Jeff Thompson and Tim Wolf prepare the gym.

Exchange Students "Enjoy" at H.H.S.

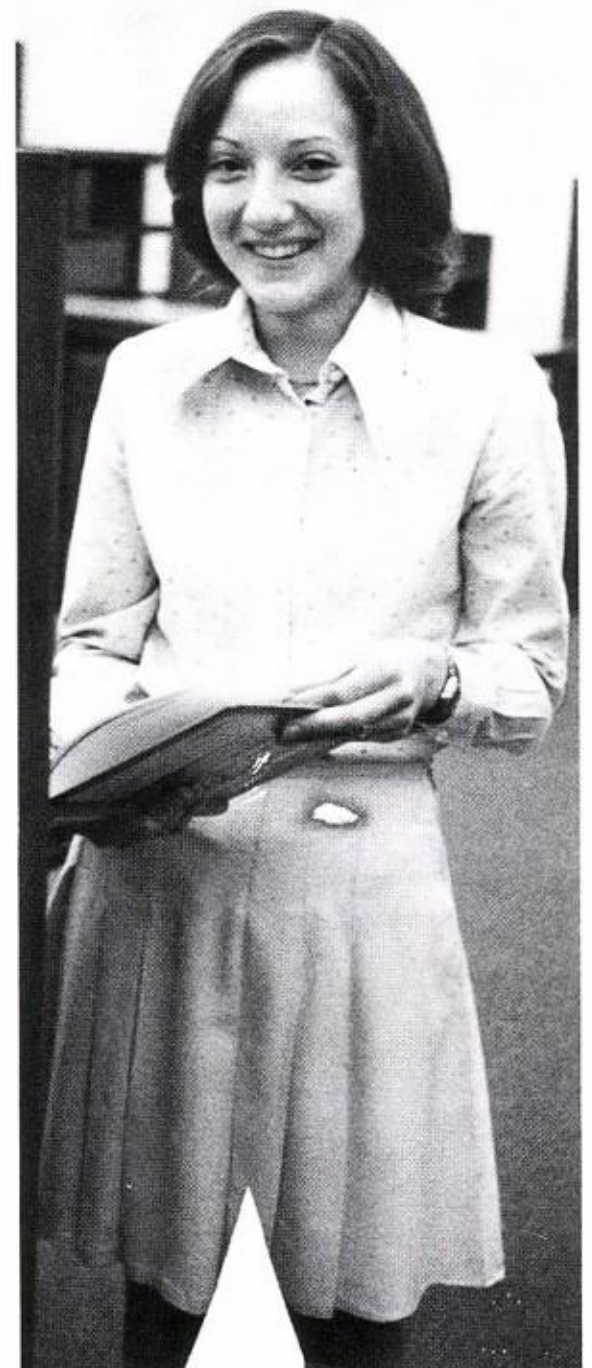

Ian King, AFS student from South Africa, said he enjoyed his stay in Hastings very much. Ian stayed with the Maurice Lungrens and the Henry Yurk families. Ian stated that school was much easier here than in Africa where there were many more required courses. Snow was a new experience for Ian. He commented, "It was great till I had to shovel it." When Ian returns to Africa he will be required to join the Army for 18 months.

One Rotary student was sent to H.H.S., this being Andre Van Der Merwe from Capetown, South Africa. He lived with the Charles Johnson family and Dr. Coover family. Andre was most impressed with the friendly people he met in the United States. Andre enjoyed drawing, electronics, and photography while at H.H.S. He hopes to study Architecture when he returns to Africa but first must serve 18 months in the Army. Andre later hopes to return to the U.S.

Susana Stein came to H.H.S. from Tucuman, Argentina. While she was here, she resided at the homes of Bob Garey and Keith Haist. While she was at Hastings High Susana participated in concert choir and the school musical. Susana thought that school was much easier and more enjoyable than her home school. Her

school in Argentina was very old and she liked the modern facilities that H.H.S. had to offer. While in the U.S. Susana enjoyed pies and skiing, both of which are not available in Argentina. When she returns Susana will have 3 months more of school and then hopes to go on to college and major in education.

Board Provides Leadership

The school board for the school year 75-76 did make much progress in improving our school system. Although few changes were made in Hastings High, there were many changes made in the junior high and grade school level. One change, however, did affect Hastings High, with the attendance code being changed. Students were limited to ten non-exempted absences

from school per semester.

The school board made big steps in improving Special Education programs in Hastings. Starting with two new Special Education programs and expanding the entire program.

An Early College Program was endorsed by the board, enabling high school seniors to get college credit while attending high school.

Junior-Sophomore Honors Presented

On a hot, miller-infested May 27 afternoon, the Junior-Sophomore honors convocation took place in the auditorium. Many honors were given including a special award. The Marine Physical Fitness Award is an award given to boys all over the nation for their excellence in physical fitness tests. The student council officers were also announced for the upcoming year. They were, Larry Johnson, President; Rick Minnick, Vice President; Chris Natvig, Secretary; Sue Riggins, Treasurer; Dan Swartzkopf, Senior class representative, and Barb Hurt, Junior class Representative. The Rotary Awards were given to Lori Coulter, Dave Rose, Tom Marx, and Ann Maisch.

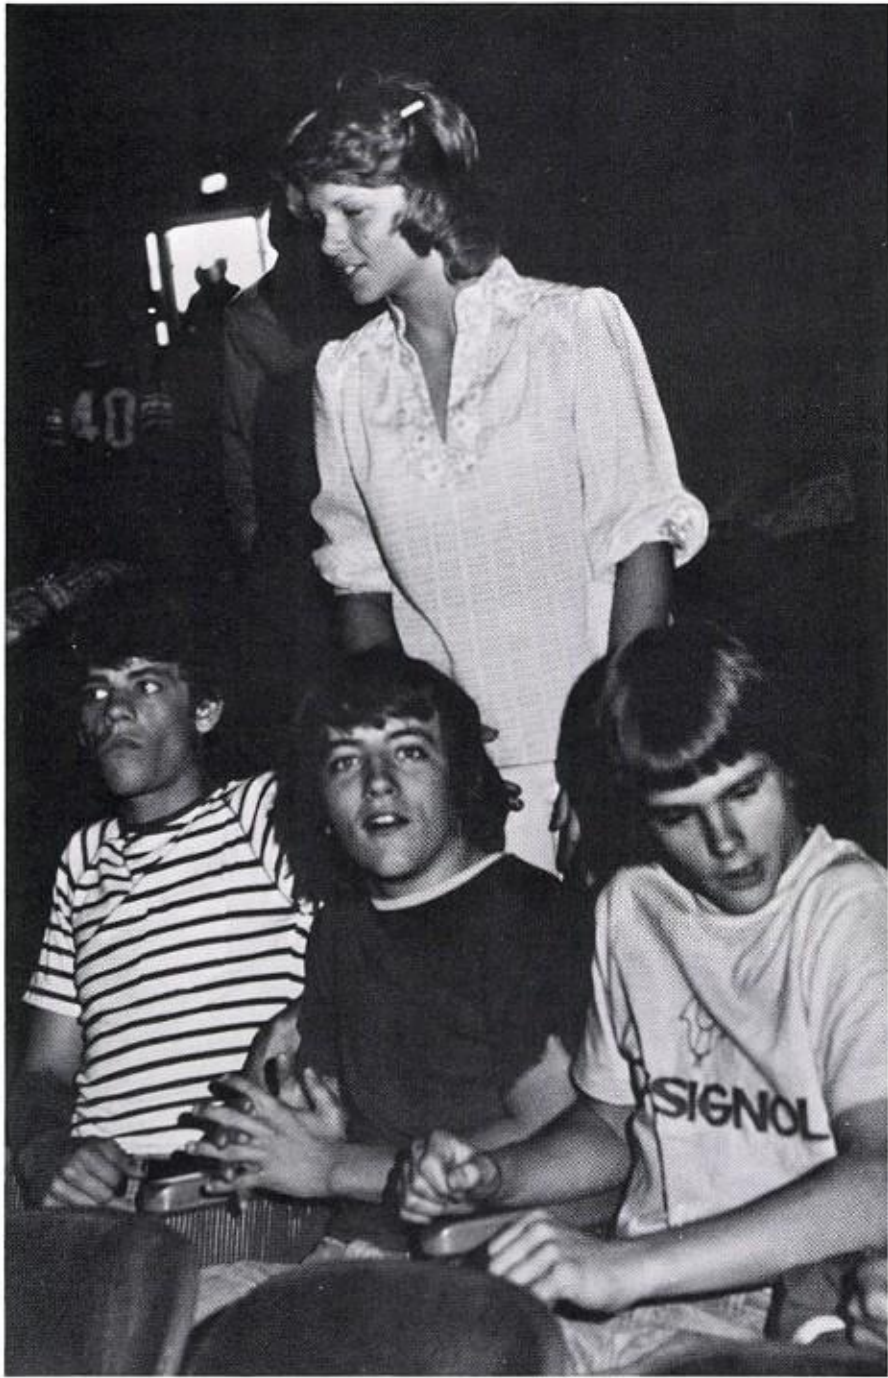

Coach Walters presents the girl's basketball awards.

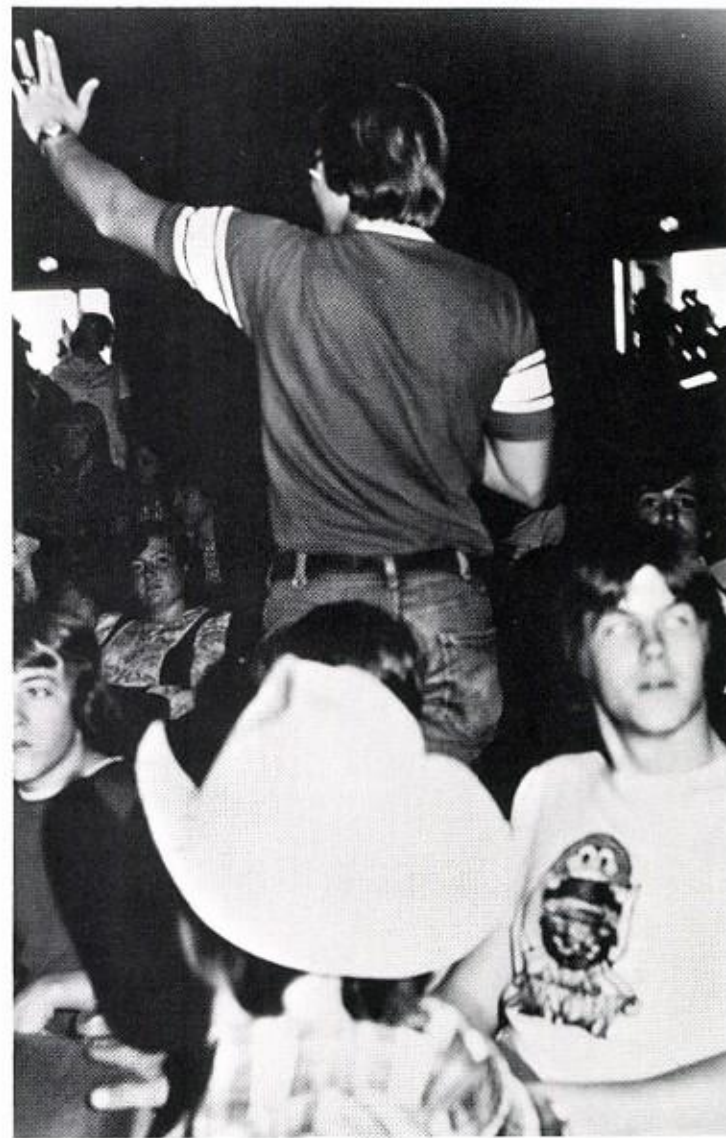

The Flamingo certificates were presented by Mrs. Carol Lewis.

Mr. Ron Veburg explains the requirements for receiving a drama award.

Half the fun of honors convocation is trying to find a seat

. . . or waving at old friends you haven't seen for at least five minutes.

Cathy Norman (#75) wonders how she got mixed up with this publications crew.

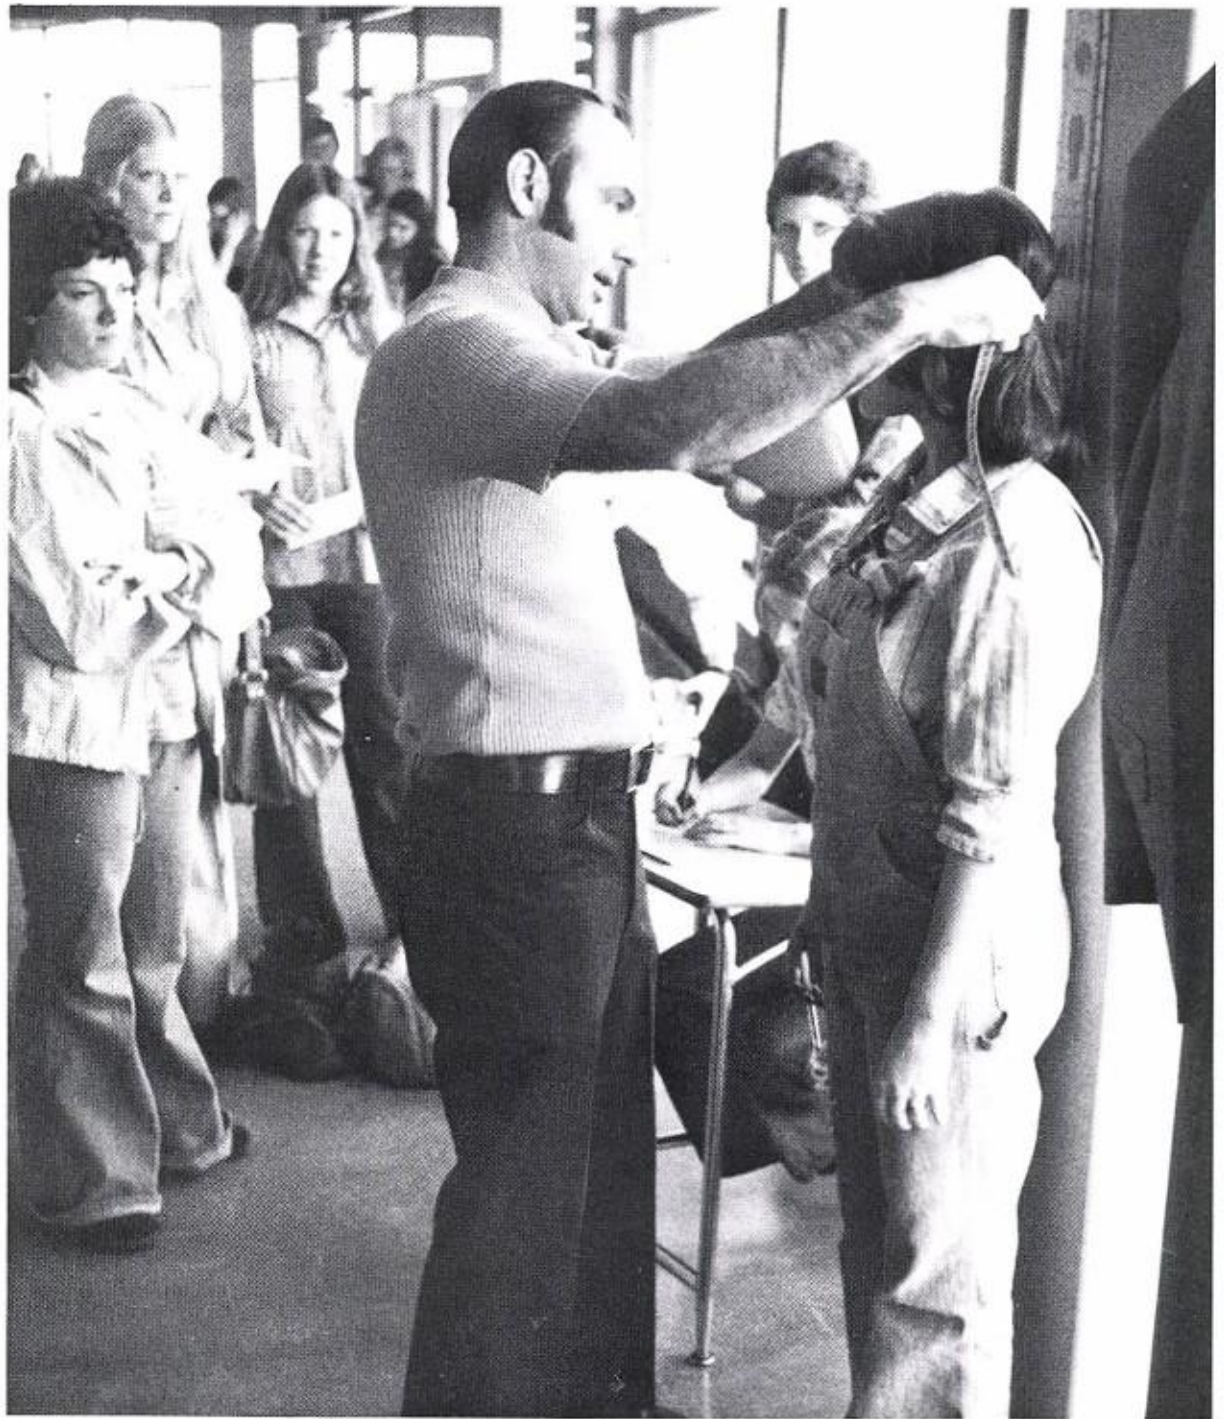

Bicentennial Class Faces New Challenges

Other's could talk about the Spirit of '76 but only the class of 1976 could truly exemplify it. Thirteen years of schooling are over, only an unknown future lies ahead. All of the past eighteen years will be remembered, but the last three will hold a special place.

Each has his own personal memories, relating to the contributions he made, the clubs he belonged to, the teams he played on. In and out of senior's lives went Spirit week, pep parades, Homecoming, football and basketball games, the trip to State, all the other sports, the musical, Twirp week, prom, concerts and plays, being measured for caps and gowns, ordering announcements, the mall.

Individuals stood out--Regent's Scholarships, All-State, All-Conferences, Shrine Bowl, high places at state meets, and all kinds of other scholarships

But the class was not just a few individuals but all 301 people. Diverse in goals, purposes, ideas and talents; yet united by three years in the same place.

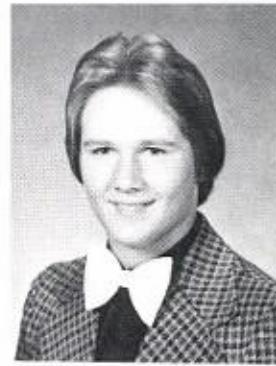

One of the advantages of being a senior is discovering your head size.

John Donahue digs into a typical Bachelor Survival meal.

"Hi world, I'm a senior!", says Lisa Krueger.

A River nearing the end of it's course flows more and more slowly through it's broad valley and over the flood plain its waters have been gradually laying down for thousands of years. The melting glaciers, the mountain brooks and springs, the forested slopes, the lakes in which it has tarried, the bluffs along its middle course—all have been left behind.

Baccalaureate Precedes Commencement

This is what Baccalaureate is all about, seniors helping seniors.

Jeri Jacobsen and April Gifford express their feelings.

Baccalaureate is one of two occasions when all of the seniors unite and reflect on their years at HHS. This 1976 bi-centennial class is one of the smallest classes in recent years. They may have been small, but by no means of the least quality.

"A Faith to Live By!" was the theme of the sermon delivered by Dr. Silas Kessler, Pastor.

Commencement Brings Mixed Emotions

The face of each senior is a reflection of the feelings that accompany that long awaited American dream . . . a diploma.

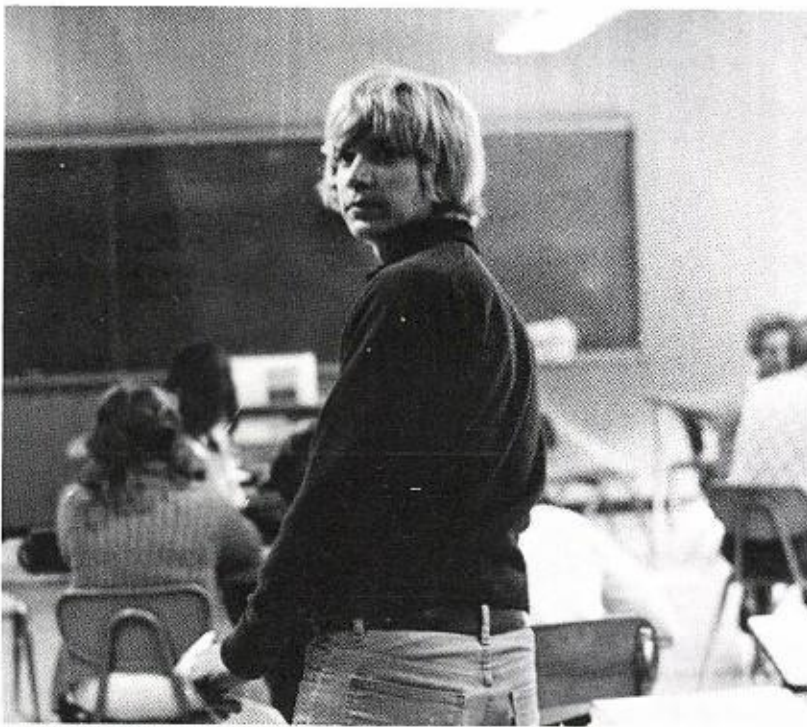

Dr. H. Vaughn Phelps is introduced by Superintendent Dr. Thomas N. Keating.

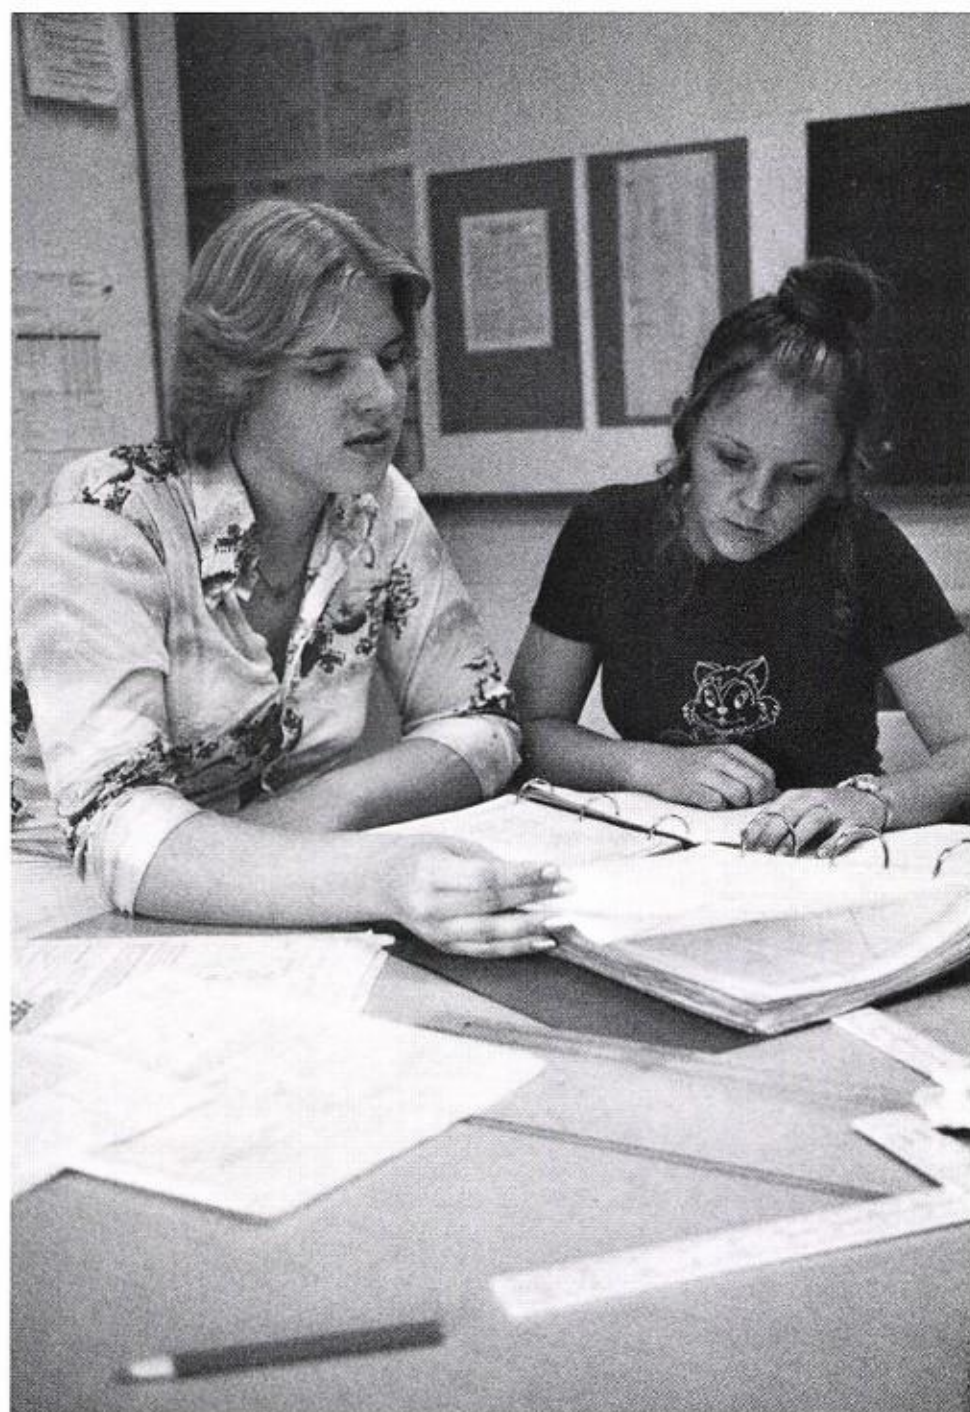

"When we got to high school, all of the sudden, we grew up."

A Sophomore

Yearbook staff members; Lori Weber and Donna Leonard check some pages before the final mailing.

When deciding on a theme for the yearbook the obvious choice was "The Spirit of '76," but by now many are tired of hearing anything that is associated with the Bicentennial. The purpose of this yearbook is, however, to help one remember the events of 1975-76. When seeing these words in future years, after the phrase has been forgotten, they should bring back memories of an important year at Hastings High School.
